Gov. Carr

Dear Sir.

Yours received  
the other day saying that  
you could not send me  
any money until Mamma  
said so, but she said  
so and I am compelled  
to have it in another  
week any-how, and please  
send it

I have just returned  
from Cerro Gordo where  
I have been in camp  
with the Edgecombe  
Guards.

You speak about my  
going to school but Mama  
says if I can get a position  
here in the Tobacco Houses  
that she had rather me go to  
work. I am now trying to  
get it

Mama says that she will  
write and let you know  
in soon.

Hope will get it in short.

Yours truly  
Alfred.

About \$10. if not as much as  
possible.

P.S.

If Andrew has the funds I will  
approve his having it. as he was a soft-  
one it is necessary for him to pay and  
have not got it myself, I would freely  
pay it myself if I had it; will write you  
in short  
Very truly yours M. E. Colter
