THE CONNELLY SPRINGS CO., PROPRIETORS.

Connelly Springs, N. C., Aug 17 1895.

My dear Governor.

I got back from Washington
this morning and I hope to get
to Raleigh on my way home
about the 29th. The Washington
meeting was a success beyond
my expectations. The movement
is in earnest and the fight is
on for the control of the next
National Convention. Those who
prefer to know say we can
control it. We want a good man
to represent with Carolina on
the National Committee. Think about
it and suggest a good name
I sincerely hope Dr. Carr

is better and that he will come
from the crisis in safety.

With best wishes for all

I am

my truly friend

Thos. J. Jarvis
