Dear Uncle Elias,

I see from the paper that you have returned to Raleigh, from your visit to the Western part of the State,

I hope the meeting in Raleigh, next Wednesday, will be a success,

I should like to be down, but I am preparing my speech for Atlanta, and other matters here, require all of my attention,

The Rowson, element of the State, would delight to see the meeting act

unwisely, and be
criticised by the people
of the State. For the
conversion to rotify what
the Democratic Committee
did in May, and to
pass some strong resolutions
fooming silver, see to it
that nothing is done to
reflect upon the Democratic
party in any way, or to
injure the organization.
I know that you will
advise with the Committee,
who already have thought
of these matters,

and urge upon them a
conservative cause,
Pewee County is 95
per cent for silver, the
small element of
Pousson men are
against it,
I hope John has
entirely recovered,

Yours sincerely,
