My dear Calouf:

I have forwarded
 by Express this day 4 dozen Coats
 packed in ice - to the address:-
 Mrs. Wm C. Carr, 1413 K. St.,
 Washington, D.C. Trust they
 will reach in good order.

I have trying to write you a
 letter for some time but rush
 of business has prevented.

Honey and Bess are doing
 well and join me in love

I trust that you are quite
 well and all the New Bern folks
 the same.

Please excuse haste and brevity

Yours &c
