Gov. & c.,

Raleigh, N.C.

Dear Sir:

I will this day forward your letter of 12th inst. to Mr. Chadwick, Pres. A. & N. R. R. Co., asking that Mr. Roberts be in Goldboro, on Monday Nov. 25th, with the books of the Company. In this letter you ask that Mr. Roberts report to the State's Proxy with the Company books for the State's Proxy's inspection' & c

I do not anticipate any trouble with the A. & N. authorities, but suppose Mr. R. comes with the books

and insists upon carrying out
your instructions literally, and
will not allow any one except
me to inspect the books?

The object of the meeting will be
virtually destroyed.

Will it not be well to send me
a letter to hand to Mr. Roberts di-
recting that any one under my
direction be allowed to examine
& inspect the books? It might
be well to send an open letter,
under cover of the one to me,
to be delivered or not, as the ex-
igencies of the case require.

Yours, with great respect,
Very truly,

G. & C.,
W. F. Doitch
