Gov. Carr,

Dear Sir:

I hate to write
to you for some money but
am obliged to do so because
I have began putting mine
in the bank. I am now a
work with a tobacco buyer
and getting \$12⁰⁰ a month
So won't you send me
some to pay some few
debts I have around town
and I will send the
same to you at the end
of the month.

I hate to borrow it. ~~becaus~~
Please answer in a diality

Yours Truly
A. Oates.

P.S.

I know you said
you would not send
it to me without
Mamma's consent
but I don't ask
you to give it
to me but to only
lend it to me.
Mamma told me that I might
go to Atlanta but I
refused myself so as
to pay my debts.

Alais.
