Gov. Elias Carr,
Raleigh, N. C.
Dear Sir:

As it is very near time for school to close for its Christmas holidays, I write you this to remind you of sending the money for me to go home on, which will be about \$15.00, fifteen dollars. I had a letter from Mama the other day, and she told me to ask you in my next letter, if you were going to let me come back here, next spring, to finish my course. For my part, I would like to do so, if possible.

Hoping to hear from you soon
I remain,

Yours truly,
J. A. Cates.
