Wilmington, Dec. 18th., 1895

My Dear Governor:

When we parted, during your recent hunting trip, you suggested that you would let me hear from you in a few days - there are reasons why I should like to hear at your earliest convenience. I am sorry you could not arrange to spend the day with me while down this way. Come again.

Wishing you a Happy Christmas

Yours very truly, W. G. Elliott
Hon Elias Carr, Gov N.C. Raleigh
