

OFFICE OF
W. S. O'B. ROBINSON,
ATTORNEY-AT-LAW.

[To: Elias Carr, Raleigh, N.C.]

Goldsboro, N. C., 19th Dec 1895

My dear Emma:

Mevilly is coming in writing to a man
of your manifold duties.

I wish to say that I have always regarded
you as a man replete with the courtesies
of a refined civilization, and had hoped that
you entertained for me something of a
corresponding regard.

I will not therefore believe that you are lending
yourself to the circulation of the foul
slander that I had ordered the Sheriff of
Swain County to take a - - - - out
of the Court room. Surely no man who
knows me could believe that I would let such
a horrid expression fall from my lips.

With best wishes

Sincerely yours

W. S. O. B. Robinson
