Col. E. D. Latta

Dear Sir

I think that
our friend Mr. McCull ought
to be appointed Solicitor of
the Circuit Court of your
County, but the appointing
power rests with the Governor
and not with me. Mr. McCull
has the necessary qualifications
- wit, Moral character, ability
and services to our Party.
I advise his friends to put an
immediate pressure upon the
Governor and let him know
that the appointment would

be acceptable to the Democrats
of Mecklenburg

Very truly yours

C. M. Meares
