Hon. Rlias Carr

Executive Department, Raleigh, N. C.

My dear Friend:-

I have your note of the 20th, and thank you for its very kind expressions. My present arrangement is to leave here on Wednesday the 11th of March, stop in Richmond on the 12th, and on Friday the 13th leave Richmond in the morning and arrive at Raleigh about 3.30 P. M., and remain until the next day. I am going in my own car, and will have Mrs. Mc Clure and several ladies, making altogether a party of six or seven, so that we will take rooms at the hotel and will be glad to meet you at the Executive Mansion at any time. As I said before, I have no political mission, but am anxious to know the political situation in the Southern States as accurately as possible, and especially to note the industrial and business progress of your State.

Yours truly,

A. K. Mc Clure
