Feb. 22nd 96-

Gov. Chas. Cary -

Dear Sir: I have
received your communication
announcing Mr. P. W. Miller's
proposed lecture in this
place, and asking my as-
sistance, in arranging for
an interesting meeting. While
I am afraid we cannot ex-
pect a very large audience
as he has recently lectured
here, yet we all feel an
interest in the cause and
I trust may be able to
add something to the sum

we have already contributed to
the Vance Monument.

I have been very fortunate
in securing Mrs. G. D.
Barnes as a substitute
for myself in arranging for
the meeting - who will
forward names of commit-
tees etc. to the Secy.

Trusting that Mr. Miller's
tour may be a success,
and the monument soon
erected - I am

Very truly

Kate Cheskin
