MR

Mr Elias Carr -

Dear Sir -

Your
letter just received -
I regret exceedingly
circumstances preclude
the possibility of
my sending all
my energy in
behalf of this

noble cause -
a track in which
every woman of our
land is a slave -
fuls a price -

I will suggest to
you Mrs Theo L.
Kenny - who, I'm
sure will make
the lecture here

conscious - I have not - perhaps

to the motto Brother - I mean

to speak some respecting Brother
the speech in some school -
