# SPECIAL TRAIN

## via Atlantic Coast Line Railroad Greenville, N.C. to Washington, D.C.

October 2-4, 1964

THE HONORABLE TERRY SANFORD

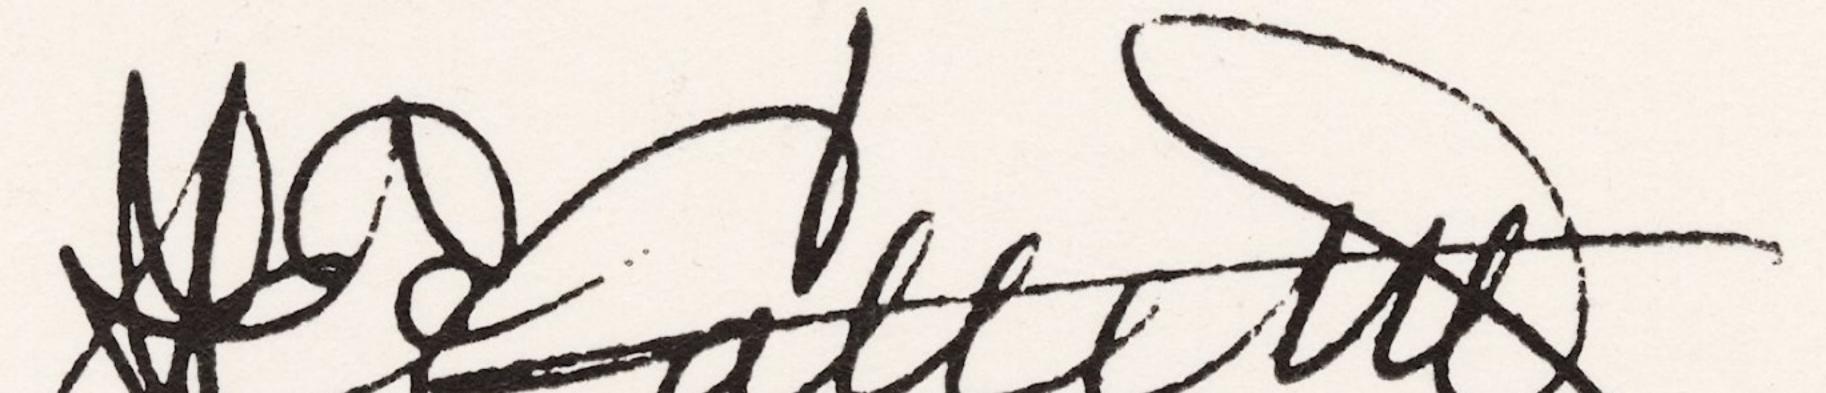

#### Governor of North Carolina Guest of Honor

Although the Security Caravan is now in its 14th year, it is still a great treat for all of us to get together again at this time.

For some of you this will be your first trip on the Caravan either because you are a new policyowner, a new member of our Security staff, or because this is the first opportunity you have had to join us. Whatever the reason, you will quickly see that the Caravan symbolizes the friendly feeling all of us in Security have for our associates.

welcome each of you to the Caravan and hope that we can share these pleasant experiences many times in the future.

Sincerely,

President Security Life and Trust Company
