BY J. C. MYERS. WCRLD-

Good morning, dear madam. I've called on you to see How near in all your relations We two might agree.

I've been studying your customs
And ways of children of men,
And fear you've neglected the mose
That would procure the great end.

CRURCH—
I've been warned by my husband
To keep clear of your advice; To guard against your remptation Your wars, bickerings and strift

My children have been warned

To heed not your commands, Which could only bring ruin And disgrace in the end,

You are growing aged, you see
And well stricken with years.
Your customs are too common

To succeed, are my fears. Your ways seem too ancient, They might do for a sage; To succeed, I'd advise you To keep up with the age,

That I am aged 'tis true, Yet with time I don't fade; Then my mission is eternal, Not the spirit of an age. My forms and my customs Were not ordered by man;

I prize them as fashioned By my husband's own hands. Worldow You see the gulf that divides us With creeds has been spanned, So 1'll conduct you safe over

If you'll but give me your hand.
This is the work of young popes,
Which to me seems very kind,
Enabling your children to pass over
And frolic with mine.

The distance that's between us To me is not spanned; The bridge that you imagine,

Is but a cobweb of man,

The popes' forms and customs, Which to you seem so kind, From such my children's delivered By the renewing of their minds

I have so many attractions For your children, you see ; And when you restrict them,

To me they will flee.
I make them believe my yoke easy
And my burdens seem light,
By feasting and toasting them
To their own heart's delight.

Your ways may seem pleasant, Full of prospects that's bright, Yet they are filled with delusion

And end in eternal night,
My children that are with you
In your frolic and fun,
Are children of the bondwoman

"And bastards, not sons,"

The

National Fertilizer.

This is a very high grade guano, which has been used very extensively in this State on both Tobacco and Cotton. The best thing we can say for it is that we have sold it for 8 years and have never seen any one who was not pleased with it.

Pocomoke Guano.

Is well known all through Eastern Carolina as one of the best producing fertilizers for all crops ever offered for sale. It is a very rich high grade guano, made out of the best material, and has never failed to give entire satisfaction. The manfacturers offer 10 premiums, aggregating several hundred dollars, for the most cotton raised on a single acre of land with Pocomoke Guano. Call and get their book of testimonials with directions as to how to compete for these premiums.

Beef, Blood and Bone.

Is a brand which has never been offered for sale here before. 1802 36 But we know it to be a first-class standard fertilizer, as we have 11 00 sold it before. It is made by a house which stands at the head of the list for making honest, high grade fertilizers. As its name signifies it is composed mainly of animal matter, flesh, blood and bone, scraps which they obtain from the large slaughter houses of the West. We have a large supply of

Pure German Kainit

-AND HIGH GRADE-

Acid Phosphate,

Which we will sell very low. We think we can make it to your interest to see us before buying any of your fertilizers. As we control the sale of these goods for all this section, and buy in very large quantities, we are prepared to make very close figures to other merchants, and we want a good representative in each locality to whom we will sell at factory prices.

To Farmers' Alliances or Clubs taking 10 tones or more we will

make special prices.

CASH PREMIUMS

In conclusion we beg to submit the following proposition: For the best five pounds of bright tobacco made by any of our customers from the use of any of the brands of guano sold by us we will pay a cash premium of

TWENTY-FIVE DOLLARS.

For the second best five pounds we will pay a cash premium of Fifteen Dollars.

For the third best five pounds we will pay a cash premium of Ten Dollars. This offer is open to all of our customers using any of the guanos sold by us, whether they buy direct from us or through some of our sub-agents or dealers. The plan of awarding the premiums

will be announced hereafter in this paper.

Ten Per Cent. Reduction.

In order to make room for our Spring Stock, commencing Monday, Feb. 2nd, 1891, we will for CASH make a discount of ten per cent. on the following stock:
Clothing of all kinds, Suits, Extra Coats and Vests, Overcoats and Panis. All Winter Weights of Pant Goods, Ladies' and Gentlemen's Underwear, Shawls, Ladies' Dress Goods, consisting of Henriettas, Cashmeres, Alapacas and alt winter styles of Calicos. Also a nice line of Ladies' Woolen Hosiery. Also a few nice styles of Carpeting, and a large assortment of Boots.

We do not throw this out as a bait, but a bona fide offer, which we shall keep open for about 20 days. We are induced to make it simply because we need the room for our Spring Stock, and besides we had rather sell the goods for CASH NOW at this discount than to carry them until next season and then get our present marked prices. Everyone is alliberty to examine the marks on each article and see that we carry out this proposition in good fath. We invite you one and all to take advantage of this offer without delay, or else you may miss a bargain in something you need by being too late.

Yours truly,

A KIND WORD WHEN YOU CAN

Do you know a heart that hungers For a word of love and cheer? There are many such about us;
It may be that one is near,
Look around you. If you find it,
Speak the word that's needed so,
And your own heart may be strength-

ened By the help that you bestow. It may be that someone falters On the brink of sin and wrong, And a word from you might save him-Help to make the tempted strong. Look about you, O my brother! What a sin yours and mine Is we see that help is needed And we give no friendly sign. Never think kind words are wasted,

Bread on waters cast are they; And it may be we shall find them Coming back to us some day,
Coming tack when sorely needed,
In a time of sharp distress.
So, my friend, let's give them freely,
Gift and giver God will bless.
