## Nervous Break-Down

Nerve energy is the force that controls the organs of respiration, circulation, digestion and elimination. When you feel weak, nervous, irritable, sick, it is often because you lack nerve energy, and the process of rebuilding and sustaining life is interfered with. Dr. Miles' Nervine has cured thousands of such cases, and will we believe cure you. Try it.

# The Farmers Consolidated Tob Co.

(HOME OFFICE, GREENVILLE, N. C) WILL OPERATE WAREHOUSES THE COMING SEASON AT Greenville, Robersonville, Wilson, Kinston

It is the experience of every stockholder in this company that he never made a better investment, for the five years of its operations the original stockholders have been paid 113 1-2 per cent in cash dividends. That is the result of co-operation, good management and sound business methods.

Again it is the experience of every farmer who has sold his tobacco at the warehouses of this company that he received higher prices than other houses could obtain. For the coming season the company is prepared to even surpass the fine record it has made in the past, hence it is to the interest of the farmers to sell their tobacco with this company.

## THE GUM WAREHOUSE

on the Greenville market, will this season be in charge of that prince of warehousemen, Capt. J. R. Hutchinson, formerly of Wilson, whom you have only to try to be convinced of his ability to please you.

## THE STAR WAREHOUES

on the Greenville market will again be in charge of that veteran warehouseman and champion of high prices, F. D. Foxhall, whose record in the past is a guarentee of what he can do for you in the future.

The warehouses at Robersonville, Wiison and Kinston will be under capable and efficient managers who will carefully guard the interests of all who sell with them. The wise farmer will sell his tobacco with
