GREENVILLE BOYS WIN. Get Unanimous Decision in Debate Contested With Washington. The Henry Grady Debating society of the Greenville graded schools has again triumphed in debate. Its representatives, Messrs. B. F. Taylor and L. J. Smith, won a splendid victory Friday night in the contest with Washington. This makes the second place the society has won, it having been the victor in the contest with Goldsboro last spring.

STEPHEN C. WOOTEN DEAD. Lifeless Body Found in His Room Early This Morning. Mr. Stephen C. Wooten, a young attorney here, was found dead this morning just before 8 o'clock, in his room at the Taylor boarding house on Dickinson avenue. Mr. Wooten attended court Wednesday, going to his room early in the evening. Not going down to supper, Mr. B. F. Taylor went up to his room about 7 o'clock to see if he wanted anything. Mr. Wooten told Mr. Taylor that he did not care for any supper, as he did not feel well and wanted to retire so as to get up early this morning and prepare for some business he had in court today.

Not having come down by breakfast time this morning, Mr. Taylor again went up to Mr. Wooten's room a little before 8 o'clock. Opening the door he saw Mr. Wooten lying across the edge of the bed his feet and legs being up on the bed and his head and shoulders on the floor. It was seen at a glance that he was dead.

Coroner Laughinghouse was notified and when he went to examine the body he deemed an inquest unnecessary, pronouncing that Mr. Wooten had died of epileptic convulsion. He evidently had a struggle during the convulsion, from the position in which his body was found, and his neck was broken by his head and shoulders falling off upon the floor. It is thought he had been dead several hours when found.

Mr. Wooten was one of those badly injured in the automobile accident on the 5th of November when Messrs. J. L. Fleming and Harry Skinner, Jr., were killed. After the accident Mr. Wooten was for some weeks in a critical condition, but finally recovered and resumed his law practice. He was apparently as well as usual, with the exception of occasionally having a convulsion.

Stephen C. Wooten was about 26 years of age and a son of Mr. A. M. Wooten, of Falkland township. He was born in Edgecombe county, his parents moving to Pitt when he was very young. He attended White set institute and then the University, taking up the law course at the latter. After obtaining his license about three years ago he came to Greenville to practice his profession. After remaining here a while he moved to Farmville, where he remained a few months, when he again came to Greenville and resumed practice here.

Mr. Wooten is survived by his father and mother, several brothers and sisters. The family was advised of his death by telephone this morning, and a brother came down to take charge of his body. The remains will be taken this evening to the home of his parents near Fountain and the interment will take place tomorrow in the family burial ground.—Daily Reflector, April 29th.

While the committee was out making up its decision, Supt. Newbold introduced Supt. H. B. Smith to the audience. Mr. Smith expressed his appreciation of the cordial treatment he and the Greenville party had received. He spoke of the importance of public speaking and debate as a part of education, saying that he was glad that the schools were giving it more attention, and that the towns were beginning to enter into contests with each other.

The audience was attentive, and throughout the debate and during their stay in the city, the Greenville people were shown every consideration. Those who attended the debate are loud in their praises of Washington and her splendid type of hospitality.

Her Idea of Drowning. A little girl in conversing with one of her little friends Sunday, while expressing her views of the horrors of being drowned was overheard to make the remark: "I don't want to be drowned, for the fishes might eat me and then I would have to stay out of heaven until the fishes were caught and eaten by somebody else and then they were to die and go to Heaven, or if to the other place I would not get there at all."

To Old Soldiers. Editor Reflector: I would like to know what company and regiment J. L. Faithful joined and fought in the civil war and any other information about him that any of your readers may possess. His family and friends desire especially to know where he died and was buried. I will thank any one for this information. B. H. Hearne.

Walter Johnson, 12-year-old son of Mr. and Mrs. G. A. Johnson, died Sunday night at their home near Grifton.

CHAPEL HILL NOTES. Chapel Hill, N. C., May 2—The memorial services to Dr. Eben Alexander, the late dean of the university, were held in Gerrard hall Sunday afternoon. The exercises were very personal and simple, as simple as the life of the great man in whose memory they were held. Rev. R. W. Hogue opened the services with a beautiful prayer. Dr. Kemp P. Battle presided and in an introductory address spoke of the brilliant mind, the statesman-like, and the beautiful home life of Dr. Alexander. Mr. A. H. Wolfe, president of the senior class, spoke feelingly of the students' love of Dr. Alexander. Prof. W. S. Bernard, of the department of Greek, with simple eloquence interpreted the life of Dr. Alexander. He found the outstanding characteristic of his life to be expressed by the Greek word *aidos*, sort of pity, ruth, sympathy, an indelible tenderness and something more. He exhibited this same fine quality whether at the Court of Greece, in the dean's office or on the streets of Chapel Hill. The principal address was delivered by Mr. Joseph Daniels, the gifted editor of the Raleigh News and Observer. Mr. Daniels spoke for the trustees and alumni. In an interesting and comprehensive manner he sketched the life of Dr. Alexander. Sprung from forebears who were pioneers in the founding and building of the city of Knoxville, a high honor graduate and a loyal son of Yale, chairman of the faculty of the University of Tennessee, professor of Greek in the University of North Carolina, American Ambassador to Greece, and Dean of the University are the facts with which Mr. Daniels paid a rare eulogium to a great man. Mr. Daniels gave his address a personal touch that added much to its interest and charm. He told of Senator Ransom's hesitancy in approving President Cleveland's appointment of Dr. Alexander and how the old general was finally won over by Dr. Winston's appeal to his love for his alma mater and his state.

Senator Ransom lived to bless the day he approved Dr. Alexander's appointment. The people of Greece and the press of both countries voiced the opinion that Dr. Alexander was perhaps the best minister that any country ever sent to Greece.

Involving such cities as New Orleans, Nashville and St. Louis (not to mention Chapel Hill) and such states as Louisiana, North Carolina, Virginia, Tennessee and Missouri, this pentagonal debate will be interstate and national in interest and consequence.

Carolina lost in baseball to the navy 1 to 0, won from Georgetown 5 to 1, and from Wake Forest 1 to 0. In the Wake Forest game only 29 men faced the pitcher and not a single man got even the semblance of a hit.

FRIDAY MAY, 6 1910.

Have you paid it? Poll tax

If you can't run, walk. But keep going.

The president is off on another talking tour.

Raleigh ought to pill off another mass meeting

It looks like they are going to get Heinz in his own pickle.

Yes, it is warm now, but that is what you have been crying for.

People often cause trouble by trying to attend to other people's business.

The court is against Thaw again and says he must stay at Matteawan.

If you did not pay your poll tax you are out of it when voting time comes.

April ought to feel ashamed of not giving us as good a month as March.

One thing about blind tigers is that they can see how to walk without a guide.

If you are not doing something to help your town you are not doing your duty.

The governor of Kentucky is also something when it comes to pardons. He granted a pardon of thirteen at one time. Nothing unlucky about that—to the pardoned.

Some fellows are bragging over the fact that for the first time in fifty years the Madison county jail is empty. We can beat that down here. Pitt county hasn't even got a jail.

The affair in Raleigh Saturday looks like the end of machine politics is coming. The people themselves certainly have a right to be heard in such matters.

That certainly was a time they had in the mass meeting in Raleigh Saturday. I'mo disgraceful conduct on the part of those trying to break up the meeting could hardly be imagined.

If there were many more countries for Roosevelt to visit he might not know what to do with all the honors that are being showered upon him. He certainly ought to be de-lighted.

The greatest stride at a single bound we have known a North Carolina newspaper to make has just been accomplished by the Durham Sun. From a four page paper of six columns to the page, it changed to a large twelve page paper. The Sun was recently incorporated into a stock company, a new press, two typesetting machines and entire new equipment installed, and in its new form is the equal in appearance and excellence of any city paper. J. A. Robinson, who has run the Sun for twenty-two years, continues the leading light on the paper, and has as his co-workers a corps of experienced newspaper men. The new Sun is bound to do much for Durham and North Carolina.

Solicitor C. L. Abernethy, who has just finished up his work at the present term of Pitt Superior court, will be a candidate for re-nomination at the judicial convention of this district. He has made a faithful prosecuting attorney, and it looks like he will get the place again without opposition. He has a large number of friends in Pitt county and throughout the district.

By displacing the head liner, the Gaffney, S. O., Ledger gives a lot of happenings in North Carolina as Palmetto State news, and those in South Carolina as Tar Heel State news. They read just as well that way, but North Carolina does not like to stand for some of the things happening across the line.

Soon after Judge O. H. Guion resigned, it was stated in an exchange that the reason for his resigning was that he intended to enter the race for congress in the third district. Judge Guion has set this report at rest by saying that under no circumstances will he be a candidate for congress. His reason for resigning as judge was to return to his law practice, which he liked better and found more remunerative.

The Ashleville Citizen advocates the removal of the tax on mortgages, saying that it is a form of double taxation. "Double taxation is wrong," says the Greensboro Telegram, "but wouldn't it be fairer to remove the tax on the property mortgaged and steep around double taxation in that way? When property is mortgaged the one who possesses the thing of value. The person who gave the mortgage is only conditionally in possession of the property. upbuilding of the community than The Home Building and Loan Association. While it is a good and safe thing for the investor, it is better for the borrower, the home builder, for through its aid a number of people are building houses that could not do so otherwise. The association is looked after by a board of directors who take much interest in it, and, without remuneration other than the satisfaction which comes from doing something for the community, give it their personal attention. The association is just four years old, and at the annual meeting of shareholders their confidence was shown in the board of directors by unanimous re-selecting the entire twelve of them.

GRAND JURY REPORT.

For April Term of Pitt Superior Court.

We, the grand jury, submit the following report:

We have inquired into the conduct of the people and have presented all violators of the law that have come to our knowledge.

We have visited and closely inspected the court house and find the several offices in excellent condition considering circumstances.

We have also visited the county home and find everything in good condition except of medical attention.

Also the convict camp in good condition. We would recommend that the shackles be placed on their legs so as not to make sore on the feet.

We are not for the efficiency of our able solicitor, Hon. Chas. L. Abernethy, the grand jury could not have made the progress they have under the existing circumstances as above reported.

AYDEN MAN DISAPPEARS.

Has Written From Norfolk to His Brother.

Ayden, May 3.—F. Lilly, a prominent merchant of Ayden, left yesterday morning for parts unknown. He leaves a wife and no children. He left a note in which was stated that he would never be seen around here again. He had been drinking some, and possibly other troubles led to leaving. He was a prominent Mason, K. of P., and a member of the M. E. church. His whereabouts are unknown. On Sunday he stated to some of his friends that if they ever expected to drink with him they had better do it then. He was registrar for the town election, which was to be held today, and when the time came for the opening of the polls he was not to be found. Whether he has committed suicide or left for other parts is not known, but the latter is more probable.

Seeing the above in this morning's Raleigh News and Observer, we phoned to Ayden for further particulars and learned that a brother of Mr. Lilly received a letter from him Tuesday night written from Norfolk. Mr. Lilly assigned no reason for leaving Ayden, but stated in the letter to his brother that he might return any time.

Certain Care for Gapes in Chickens.

That vermin is the cause of more loss to poultry raisers than any other enemy to fowls is admitted. It does not seem to be known that gapes is caused by vermin in young chickens, but such is the case. The vermin enters the nostrils of the young chicken and lodges in the "slot" in the roof of the chicken's mouth, and there is changed to a worm, that is lodged in the throat of the chicken causing what is termed "gapes." The cure is to mop out this "slot" in the roof of the chicken's mouth at the age of about two weeks with a mixture of two-thirds kerosene oil and one-third spirits turpentine, repeating the mopping again in two weeks. Not only does this prevent and cure the gapes but the young chickens will be benefited by the mixture and grow faster.

Bailey, N. C., May 2.—The Rock Spring school closed last night with a splendid program, but when the little concert was about half over a rough crowd from the Mt. Pleasant neighborhood, about three miles from here, broke it up. It was a shame and a disgrace, for the teacher, Miss Susie Finch, had worked very hard and faithfully.

Acting upon information furnished him, Sheriff A. D. Warren, of Greene county, and a posse, Monday afternoon, captured a brand new moonshine outfit, about five miles from Snow Hill. The officer and his men went to the still and secreting themselves, awaited developments. Soon Fred McKeel arrived and was promptly placed under arrest. Later Z. V. Barrow came and was also arrested. Both men were taken to Snow Hill and given a hearing before a justice of the peace who bound them over to the Superior court. —Kinston Free Press.

Mr. W. B. Dorton has received a letter from his patent attorney notifying him that he has been granted the privilege of manufacturing and selling a drink vending machine he recently patented, and that his patent will be secured in a short time. There is a small contrivance in the slot of the machine that will bend a lead nickle whenever it is put into the machine. Mr. Dorton has already received numerous offers for his patent. —Concord Times.

Beautiful Spanish Dancer Gives Praise to Pe-ru-na.

NERVOUS prostration is usually the result of a reaction which requires a continual strain on the nervous system. In such cases it would be wise if a change of location could be made. But this is not always possible and a good tonic becomes a necessity. Peruna is a tonic that invigorates without producing a drug habit.

Peruna is not a beverage nor a bitter, but an honest, straightforward tonic that increases the appetite and encourages digestion. There is a great demand for tonics during the depressing heat of summer, and especially in countries where hot weather is very prevalent. Such a demand is exactly met by Peruna.

Lightning Blows Out Lamp. A bolt of lightning, which struck the home of Martin Baber, Jr., near York, Pa., Tuesday, while the family was at supper did a few unappreciated stunts that took the appetite of the diners. Except for fright, no one was injured.

The bolt struck the chimney, tearing off part of the roof. It followed the course of the chimney, leaving well defined marks, and entering the kitchen, put out the light in the centre of the table. When another light had been procured it was found that the family was all there and unhurt.

A HAPPY HOME

Is one where health abounds. With impure blood there cannot be good health. With a disordered LIVER there cannot be good blood.

Tutt's Pills purify the torpid LIVER and restore the natural action. A healthy LIVER means pure blood. Pure blood means health. Health means happiness. Take no Substitute. All Druggists.

A Favored Region. While no doubt the cold snap has injured crops somewhat in this vicinity and throughout the eastern part of North Carolina, it is probable that the damage has been slight. The Wilmington district reports no special damage to truck and shipments of the same go on at regular intervals. This condition is in striking contrast to that of our neighbors of the middle west, farther south. We can sympathize with them in their losses and deplore the same, but our own fortunate condition after the storm's passage should fill us with thankfulness. Indeed Eastern North Carolina has experienced a season so far this year that is almost ideal. The weather as a rule, from the very first of the year, has been open so that out-door work could be done at will. And our farmers went right in and took advantage of their opportunity with the result that the present condition of their crops is very good indeed. Without gloating over the misfortunes of others our people can truly say that their lot has fallen in pleasant places and their habitation is indeed "God's country."—Kinston Free Press.

The Call of the Blood for purification, finds voice in pimples, boils, and low complexion, a jaundiced look, moth patches and blotches on the skin, all signs of liver trouble. But Dr. King's New Life Pills make rich red blood; give clear skin, rosy cheeks, fine complexion, health. Try them. 25c. at all druggists.

The property was owned by Tom Wiggins and the Farmers Union. The two stores were occupied by L. H. Everett and Chas. Evans. Loss was partly covered by insurance.

FIGHT AGAINST TUBERCULOSIS.

Interest the People and the Danger is Lessened. Raleigh, N. C., May 9th.—"Nearly all the people know, or think they know, quite a little about tuberculosis or consumption. But the most of what most folks think they know about this disease is not knowledge at all. The greater part of what the average man thinks he knows is purely tradition, inherited misinformation, so-called information which they have heard as children."

This situation is a chief argument for the tuberculosis exhibition is the contention of Dr. W. S. Rankin, State Board of Health, who says that the people generally are a full twenty years behind the medical profession in an understanding of the nature of this disease which ought not to exist in this country at all. "The situation is marvelously complex simply and solely because of the difficulty in convincing the people of the real facts and in getting them to act in the light of those facts. Tuberculosis is not a mysterious disease at all. The mystery is in the difficulty in getting usually well informed people to discard the traditions of ignorance and accept the unquestioned pronouncements of science. Just as quickly as we can get people informed and interested in living according to that information that soon will be this chief cause of disease become a matter of history.

"We must inform and interest people before the board of health will be able to do all that it ought to do and would like to do. We must inform and interest the people before the board of education can do all that the schools are seeking to do for the health of the children. We must inform and interest the housekeeper so that our homes may be more conducive to health. We must inform and interest household servants that they may do their part. We must inform and interest all sorts of people before the big, concrete undertakings can be launched. The exhibition is an agency for doing the largest amount of this educational work in the shortest possible time."

Horse Falls in Streets. Tuesday a horse belonging to Mr. W. S. Moye, driven by a negro, got rather gay on the street and began plunging about. Instead of trying to quiet the animal the negro whipped him with the ends of the reins, which only made the horse more excited. The animal slipped on the paved street and fell, and could not get up until the buggy was unhitched and pulled out of the way.

Rev. E. L. St. Claire Coming. On Wednesday night, May 18th, Rev. E. L. St. Claire, a noted Free Will Baptist evangelist and lecturer, will preach at Delphia Moye Chapel. Dr. St. Claire is an eloquent speaker and his sermons are indeed helpful to all. We extend a cordial invitation to all and would be very glad to see the other churches well represented. Don't forget the date and let every one who possibly can attend the meeting.

PRICES THAT SHOCK WOMEN.

It is The Shopper Who Discovers That The Cost of Living Has Gone Up. So much has been said about the rise in the cost of living that a few facts about summer prices of women's clothing may be used to illustrate just how high prices have soared. A woman's ready-made suit has cost \$3 and upward more this spring than last, for the same quality. She can still buy the suit alluringly marked "\$9.49 cut from \$15.00," but it has so deteriorated in quality that it has ceased to be a "bargain" at any price. Acusly the suit that is marked \$25 today is of the quality that sold four years ago for \$10. The woman who bought a pattern and made her own spring suit had to pay \$1 a yard for common blue serge that she bought last year at 75 cents, or for broadcloth \$1.50 a yard for what was formerly \$1.25. Gloves that were a dollar are now \$2.25. Stockings that were a while ago 25 cents are now 35. Shoes have just been marked up. The National Boot and Shoe Manufacturers say it's not their fault. It is because the public that found meat too expensive reduce their consumption of that article of food. Therefore there are fewer hides on the market, which has increased the price of leather in the last three years from 17 to 32 cents a pound. Therefore shoes that were formerly \$3 a pair are now \$3.50. Women's sandal rubbers that were 25 cents a pair a few years ago are now 75 cents, and men's rubbers are \$1.25. The manufacturers say one reason for it is the automobile, the tires of a single machine using a supply of rubber that would have made more than a hundred pairs of footwear.

The kitchen broom that once was 25 cents is now 40 cents, and a purchaser who recently objected to the price was cheerfully advised by the dealer: "Better buy now. They're likely to go \$1 before the end of the year." Even a kitchen apron cost more than it ever did before with gingham, which many a housewife has purchased for 8 cents a yard, now retailing at 10 cents. Staple cotton cloth once 7 cents is now 12 1/2 cents a yard, and standard sheeting has moved up from 9 cents to 15 cents a yard. The cheapest woollen blankets have gone from \$5 to \$7 a pair under the operation of a protecting tariff.—Mabel Potter Daggett, in The Delineator for June.

To Learn Linotype Machine. C. F. Piley, one of The Reflector young men, left this morning for New York. He goes to enter the Mergenthaler Linotype factory instruction room to learn how to set up and operate the type setting machine for which The Reflector has placed an order. A letter from the manufacturers advises that the machine will be ready for shipment between the 1st and 10th of June, and if there is no delay in plans our readers may look for some interesting changes for the better in The Reflector about the 1st of July.

Nice Printing. The commencement invitations for Winterville High school and of East Carolina Teachers Training school were both the product of The Reflector Printing House, and it is work that we can feel proud of. The plant is in better shape for turning out nice printing than it has ever been.

PRESENTED WITH PURSE.

Methodist Baraca Class Shows Appreciation of Rev. J. H. Shore. Rev. J. H. Shore, teacher of the Baraca class of the Methodist Sunday school, was presented with a check Sunday on behalf of the class by Mr. J. E. James, president, who said in part: "Mr. Shore, I believe you have an appreciative class, a class that recognizes your efforts and is fully conscious of the inestimable benefits received at your hands. Many things are taught by example, but none so much as traits of character, as truth, purity, loyalty and devotion to high ideals. You possess those which in my opinion are the crowning virtues of life. Your example has been faultless, it has meant much to us, your teachings have imparted a germ of goodness and purity. Often an occasion asserts itself, where by we are enabled to express our appreciation of your service so willingly and faithfully performed, and acknowledgement of the example you have made. You are now on the eve of taking a trip, the pleasure of which you have anticipated some time and anticipated greatly. We wish you much happiness and this little remembrance is from your class and members of your congregation and is given in token of their esteem, their love and their respect, and as a member of your class, as a member of my class, and as a member of my class, it affords me very great pleasure to present this little sum."

Rev. Mr. Shore responded with much feeling. He left this morning for Asheville to attend the general conference of the M. E. church, South, and will be absent about ten days.

GRADED SCHOOL COMMENCEMENT. Exercises Will be Held May 15th and 16th. The annual commencement exercises of the Greenville graded schools will be held on the evenings of May 15th and 16th. On the 15th, in the Jarvis Memorial Methodist church, a sermon will be preached before the graduating class by Dr. J. C. Caldwell, president of Atlantic Christian College, Wilson. The pastors of the various churches will not have the usual evening services, and the entire community is invited to worship in the Methodist church in a union service. The school was fortunate in securing Dr. Caldwell, as he is an unusually strong preacher. On the evening of the 16th at 8:30 o'clock, in the auditorium of the Training school, the graduating exercises will be held. The school will have six pupils to complete the high school course, and four to finish the music course this year, as follows: High school, Misses Estelle Greene, Agnes Spain, Sadie Exum, Nannie Bowling, Hilda Critcher, and Mr. Alfred Schultz, in music, Misses Estelle Greene, Agnes Spain, Hilda Critcher and Lillian Carr.

The programme for the graduating exercises will be made of reading three of the senior essays, several numbers of music by the graduates in music, and of the annual address by Prof. E. C. Brooks, of Trinity College. It is needless to say that the entire community has a most cordial invitation to attend these concluding exercises. The graded school is the town's school, and it is hoped that our people will make an effort to attend its commencement.

CONFEDERATE MEMORIAL DAY. The Veterans Have Annual Reunion and Enjoy the Day. Once more Memorial day has come, and with it the annual reunion of the survivors of the Confederacy. There are not many of the gallant old warriors of the gray still with us, and it is indeed a pleasure to see them come together on these reunion days. Not only is it a joy to them to meet their comrades in arms once more and talk over again the thrilling and trying scenes through which they passed back in the sixties, but it is also a joy to those who are younger—those who know not of those days of warfare except as it was told them by their ancestors or learned through history—to mingle with the gallant heroes. It is a pleasure to greet them. It is an honor to honor them. Theirs was a noble cause, and they defended it bravely. The sacrifices they made, the hardships they endured, makes them indeed heroes worthy of all honor and praise.

The committee in charge of the program of arrangements for the day, deemed it best because of the feeble condition of many of the old soldiers, to omit the march to the cemetery to witness the decorating with flowers of the graves of their comrades who had "passed over the river," and this part of the exercises of the day was left with the Daughters of the Confederacy. These met together and proceeded to the home of the dead to place their tribute of love and honor upon the graves of the departed heroes.

The old soldiers assembled on the court house square at 10:30, and at 11 moved in column down Evans street and out Dickinson avenue to the Star warehouse, where a large crowd awaited them. The assemblage was called to order by Maj. H. Harding, commander of Bryan Grimes Camp, who turned the exercises over to R. W. King, master of ceremonies, who announced the following program: Invocation by Rev. B. F. Huske. Song, "America," by a class of the 6th and 7th grades of the graded school. Words of Welcome, by F. C. Harding, representing the mayor of the town who was prevented being in attendance. Song, "The Old North State," by graded school class. Introduction of orator, by D. C. Moore. Memorial Address, Plato Collins, of Kinston. Song, "Tenting on the Old Camp Ground," by quartette. Benediction, by Rev. D. W. Arnold. Song, "God be with you 'till we meet again" by quartette. Mr. Collins took for the subject of his address "The Women of the Confederacy." To the women he paid a most beautiful tribute, picturing the privations, the hardships, the suffering they endured while fathers, sons, brothers and lovers were at the battle's front. He gave a number of illustrations of the noble deeds of heroism of women during the great struggle. Just before the last song and benediction the veterans, led by Maj. Harding, gave the Rebel yell with enthusiasm and were loudly applauded. At the conclusion of the exercises the veterans marched to the Gum warehouse where a bounteous dinner was served. As they were dispersing they several times raised "three cheers for Greeshville."

GRIFTON GRADED SCHOOL. Classes With Brilliant Exercises and Bounteous Dinner. Hanrahan, N. C., May 10.—We had the pleasure, and it was indeed a pleasure, of attending the commencement at Grifton. By 10:30 the academy was well filled, and before eleven it was filled to overflowing by those anxious to hear the address by Prof. Carlie. The
