Gave Up Hope

"I suffered five years, with awful pains, due to womanly troubles," writes Mrs. M. D. McPherson, from Chadbourn, N. C. "They grew worse, till I would often faint. I could not walk at all, and I had an awful hurting in my side; also a headache and a backache.
I gave up and thought I would die, but my husband urged me to try Cardui, so, I began, and the first bottle helped me. By the time the third bottle was used, I could do all my work. All the people around here said I would die, but Cardui relieved me."

Roosevelt in Mercy's Hospital
Chicago, Resting Easy, Wound is Pronounced Serious by Physicians
With Complete Rest the Ex-President Will Recover Completely in Two Weeks—Fear That Bullets Sent to Destroy Roosevelt's Life Might Have Been Poisoned
All Plans For Third Party Campaign Have Been Abandoned by His Managers
GREAT THROG GATHERS ABOUT HOSPITAL

"Condition Hopeful is State- ment Made by Physicians
Chicago, Oct. 15.—The following official statement was issued by the surgeons attending Colonel Roosevelt:
"Colonel Roosevelt's hurt is a deep wound in the chest. The wound was not probed. The point of entrance was to the right of an inch below the level of the right nipple. The range of the bullet was upward and inward, distance of four inches deeply in the chest wall. There was no evidence of the bullet penetrating the chest wall."
Pulse 90; temperature 99.2; respiration 20; leucocyte count 82 at 10 a. m. No operation to remove bullet is indicated at present time. Condition hopeful but wound so important as to demand absolute rest for a number of days.
(Signed)
"DR. JOHN B. MURPHY,
"DR. SCURRY L. TERRELL,
"DR. ARTHUR B. BEVAN,
"DR. R. J. SAYLOR."

Medical men when shown the official statement issued by the surgeons attending Colonel Roosevelt seemed to think conditions most favorable.
CHICAGO, Oct. 15.—Col. Roosevelt's wound is not a mere flesh wound, but is a serious wound in the chest said the bulletin issued this afternoon by physicians at Mercy Hospital.
Chicago, Oct. 15.—Colonel Roosevelt, shot by John Schrank, an assassin, in Milwaukee, last night, lies today in Mercy Hospital, "resting easy."
Half a dozen of the most noted and skilled surgeons in Chicago led by Dr. John B. Murphy, made X-ray examinations of the Colonel's wound and announced that the bullet did not pierce the lung, but had lodged in the chest. They have no planned to operate today.
Schrank was taken to the District Court in Milwaukee this morning for preliminary examination.
The action was taken on recommendation of District Attorney Zabot, who issued a warrant charging Schrank with shooting Colonel Roosevelt with intent to kill.
Judge N. B. Neelen, of the Milwaukee District Court, immediately after the arraignment of Schrank, ordered Professors E. W. Somer, head of the Chemical Department of Marquette University, to make a chemical examination of the bullets remaining in the would-be assassin's revolver.
Judge Neelen announced that this action was taken to determine immediately if the bullet which entered Colonel Roosevelt's body had been poisoned. The judge said that his

action was prompted by memories of the bullet which killed President McKinley and also by a personal desire to give the surgeons at Chicago ever personal aid in treating Colonel Roosevelt's wound.
Eager for news of the Colonel's condition a large crowd gathered in front of the hospital soon after the presidential candidate entered. In spite of its size the throng was quiet.
Managers for Colonel Roosevelt announced early in the day that all plans for continuing his campaign had been cancelled. Even his private car, which he has used since the start of his trip has been released.
Medical men after reading the official statements issued by surgeons attending the former president were of the opinion that he would be able to leave the hospital within 12 or 15 days. With the bullet removed they said, the Colonel would require absolute rest for that period to insure recovery.
The hero of the attempted assassination, the man who is given credit for having prevented Schrank from firing the second shot for which his finger was straining at the trigger, is Elbert E. Martin, the Colonel's stenographer. All through the present hour Martin was at the Colonel's elbow.
More than once Colonel Roosevelt has reproved him for being "too rough." In Saginaw Mich., when Martin threw himself against a man who was pushing forward and shoved him into a gutter he was rebuked by Colonel Roosevelt. Martin declared that the man at Saginaw and Schrank are the same. Last night in Milwaukee, Martin was at the Colonel's elbow. "No, you go first," replied the Colonel.
Schrank was within seven feet of the Colonel when he raised his hand with the gun in it and leveled at Col. Roosevelt's breast. He fired and an instant Martin leaped on him and hurled him to the ground with one of his arms twisted around the assassin's neck.
"I saw Martin leap on the man like a wild animal," said Cochems, who was also with Col. Roosevelt and Martin.
"He grasped the revolver around the hammer so the weapon could not be fired."
Martin is a former foot ball player and Schrank was no match for him. He tried desperately to pull the trigger of his weapon but could not and Martin held the barrel pointed harmlessly toward the sky. Cochems and a special policeman wrenched the gun away from Schrank and then the crowd surged forward merrily bent on having the man's life. Martin and Cochems joined in dragging the man to safety under Col. Roosevelt's protection.
"Don't hurt the man; don't let any one hurt him," cried the Colonel, and his orders were respected.

Passengers said that a man resembling Coupe was in the second cabin, but all the officers denied that either was aboard. Possibly Coupe is traveling disguised as a woman or a foreigner.

Value of Late Col. Astor's Real Estate in N. Y. \$77,800,000
NEW YORK, Oct. 15.—The total estate of the late Colonel John Jacob Astor will appraise at many millions less than has been supposed. This was indicated when a messenger from the office of Carter, Ledyard and Milburn, attorneys for the executors, went to the State Comptroller's office at Albany with a check for \$2,150,000 representing the transfer tax as computed on the present estimate of the value of the estate by the executors.
This amount of tax indicates that the executors have computed the net value of the estate, after all debts, commissions of executors and other deductions have been eliminated, at \$77,826,000. Previous estimates of the value of the estate have ranged from \$75,000,000 to \$150,000,000, with the Astor real estate frequently appraised at \$100,000,000.

SENATOR SIMMONS GIVES "THE REASON"

Why Newspaper Articles Are Inspired Against Him Three Thousand Miles From Home—A Contribution to the Woodrow Wilson Fund.

Before leaving the city yesterday Senator Simmons stated in substance with reference to the article from the Helena (Montana) Independent, reproduced by Mr. McNinch in The News and Observer Thursday: "Evidently the articles appearing in the political advertisements of the News and Observer from far away papers within a few days after they appeared in these distant journals are syndicated articles."

"Before leaving Washington two different parties approached me and represented that they wrote articles for a number of papers and for a consideration would boast me in a paper, suggesting that they might be used as campaign documents in my home papers."

"It has been stated that Gypson Gardner represented a number of papers in different parts of the country, and I have no sort of doubt that these articles, taken from these obscure papers published in different parts of the country, were inspired against me for the purpose of this campaign."

"The article from the Helena paper today contained internal evidence that the writer had been FURNISHED WITH DATA AND HAD GOTTEN IT MIXED UP AND CONFUSED, as was shown in his statement that I (Senator Simmons) had voted 19 times for the Payne-Aldrich bill, whereas I voted against the bill and made a two hour speech against it. The data sent him probably referred to the reciprocity bill. The article appearing in this paper, published at Helena, Montana, about 3,000 miles away, on October 4th, appeared as an advertisement in the News and Observer on the 10th and the Gardner story appearing in a Denver, Colorado, paper made about as close connection."

Senator Simmons declined to put up the money to have himself boosted in far away papers for use in his campaign back home.

Our Citizens Demand

Fully Complied With—A Greenville Resident Furnished It.

There are a few items which appear in this paper more important to Greenville people than the statement published below. In the first place, it is from a citizen of Greenville and can be thoroughly relied upon. In the second place, it indisputably proves that Doan's Kidney Pills do their work thoroughly and not temporarily. Read this carefully:

Mrs. E. G. Worthington, Washington street, Greenville, N. C., says: "I have been so greatly benefited by Doan's Kidney Pills that I am glad to recommend them. My back ached nearly all the time and I could not rest well. The kidney secretions caused me annoyance and it was plain to see that I was suffering from kidney trouble. Doan's Kidney Pills, which I got from the John L. Wooten Drug Company, relieved my aches and pains and improved my condition greatly. I cannot praise this remedy too strongly."

For sale by all dealers. Price 50c. Foster Milburn Co., Buffalo, New York, sole agent for the United States. Remember the name—Doan's—and take no other.

Mr. J. C. Tyson's Anniversary. City Clerk J. C. Tyson celebrated his 46th birthday Monday. He had with him for supper at his pretty home on Greenville Heights the pastor, clerk and deacons of the Baptist church, he being a faithful member of the board. The brethren greatly enjoyed the evening and in departing wished many more happy anniversaries for the clever host.

Month, Not Week. The Reflector had a squib Monday reading "Just a week to the county fair". Whether we wrote it that way inadvertently, or whether the typo slipped in the wrong word, it too late to look into now. At the rate what we intended to say, at Monday was the 13th day of the month, that it was just one month to the county fair, November 14th and 15th are the dates set for the fair and everybody should keep those dates in mind.

Turks Cross Serbian Frontier. Belgrade, Serbia, October 14.—A body of Turkish troops crossed the Serbian frontier near Vranjska at 5 o'clock this morning and attacked the Serbian garrison there according to an official dispatch from the Serbian general in command. Pains All Over!

"You are welcome," says Mrs. Nora Guffey, of Broken Arrow, Okla., "to use my letter in any way you want to, if it will induce some suffering woman to try Cardui. I had pains all over, and suffered with an abscess. Three physicians failed to relieve me. Since taking Cardui, I am in better health than ever before, and that means much to me, because I suffered many years with womanly troubles, of different kinds. What other treatments I tried, helped me for a few days only."

TAKE The CARDUI Woman's Tonic

Don't wait, until you are taken down sick, before taking care of yourself. The small aches and pains, and other symptoms of womanly weakness and disease, always mean worse to follow, unless given quick treatment. You would always keep Cardui handy, if you knew what quick and permanent relief it gives, where weakness and disease of the womanly system makes life seem hard to bear. Cardui has helped over a million women. Try it. MRS. THOMAS R. MARSHALL
Wife of the Democratic Vice-Presidential Nominee. Honorary Vice-President
Woman's National Democratic League.

Mrs. Thomas R. Marshall, wife of the vice-presidential nominee of the Democratic party, is a keen student of affairs and as the constant companion of her husband has had an exceptional opportunity of specializing on human nature. A very practical and far-reaching result of this peculiar interest in the larger family of the state—she has no children of her own—is found in the long list of humanitarian bills passed by the Indiana legislature during her husband's regime as governor. A bill to curtail child labor heads the list, which numbers twenty, and includes almost every legal correction for the immediate relief of labor, especially for that pertaining to women and children.

The Marshall home, like that of the Wilsons, is a home of books, and yet one does not feel "bookish" within its walls. On the contrary, one feels very much at home there the moment Mrs. Marshall appears upon the scene, and, if possible, more so when Mr. Marshall comes in.

They are such chums, this "tender-hearted" governor and his wife, and where one is the other is pretty sure to be found. They have traveled all over the country together, and if the Woman's National Democratic League has anything to do with it they will soon be going to Washington together. Mrs. Marshall is honorary vice-president of the league and is keenly interested in its work, not because it is part of the campaign, but because she recognizes the permanency of the movement to educate women in the principles of Democracy.

MRS. CURE JOHNSON

One of the Vice-Presidents of the Woman's National Wilson and Marshall Organization.

Mrs. Cure Johnson, one of the vice-presidents of the Woman's National Wilson and Marshall organization and president of the Wilson and Marshall Women's organization in Texas, is in New York, where she will remain during the rest of the presidential campaign in connection with the work of the national organization at the headquarters in the Fifth Avenue building. Mrs. Johnson came east with her husband, who is one of the most prominent politicians, most successful lawyers and most brilliant orators in Texas, to attend the Baltimore convention. Mr. Johnson was chairman of the Texas delegation which, as is well known, was sold for Governor Wilson throughout the famous Baltimore sessions. He will actively participate in the campaign, delivering a number of speeches for the ticket. Mrs. Johnson has been spending the summer in the east and will remain here to do all in her power for the advancement of the Democratic cause and the election of Wilson and Marshall.

WANTED TO FRAME UP LIEUT. BECKER

Witness For Defense Is Admitted to Chair
BOTH SIDES THROUGH CASE

Summing up Will Take All Day Today, Case Going to the Jury Probably Sometime Tonight

New York, Oct. 22.—The defense in the case of Police Lieutenant Becker charged with the murder of Herman Rosenthal signified that it rested at noon today, but Justice Goff taking it into his own hands reopened the testimony and recalled to the stand "Jack Sullivan" who had previously testified for the defense.

"There were certain questions put by the defense to this witness which I excluded before. I now permit you to put those questions," he said to John F. McIntyre, Becker's chief counsel.

Mr. McIntyre said he declined to put the questions now, as he preferred to let the case stand as it was.

"Then I direct the District Attorney to ask the witness those questions," said Justice Goff, "in the interest of the defense."

Mr. McIntyre's vigorous objections were disregarded.

The action of the defense in announcing that it desired to rest was sudden and unexpected. Mr. McIntyre had said less than an hour before that he expected to call Becker to the stand.

The morning session had been taken up mainly with testimony introduced to sustain with testimony of the defense that the informers, Rose, Webber, Vallon and Schepps, had "framed up" Becker to save themselves. Character witnesses were then called and Mr. McIntyre announced that he was through.

By the court's direction "Jack Sullivan" was recalled.

"What did Rose say to you in the Council room," asked the District Attorney of Sullivan.

"He said 'self preservation is the first law of nature; I had to testify against Becker to save my life.'"

"What did Bridgell Webber say?"

"He said, 'I am the happiest man in the world. That Rosenthal is dead and I don't have to worry about his getting me now. Now, Jack, it's all been fixed up by the District Attorney for you to corroborate us when we testify. We are all Jews and what do we care about that Dutch — Becker, anyhow?'"

"Did Rose say anything else to you?"

"Yes he said that he and Webber and Vallon and Schepps were going to 'frame up' Becker, and I said 'Why you bald-headed —, what do you mean by this?' He said, 'Well, you know, self-preservation is the first law of nature.'"

Sullivan said he took no part in the assassination of Rosenthal nor in the alleged conspiracy of Rose, Webber, Vallon and Schepps to assassinate the gambler.

"Bridgell Webber said to me, 'The only way you can get out of it is for you to do as Mr. Whitman says and swear you saw Becker at Forty-second street and Sixth avenue a few hours after the murder. If you do that you will get out like we will, after the trial. If you don't, you'll be indicted and spend six months in jail.'"

"Did Webber offer any money to corroborate him?"

"Yes he said, 'For God's sake, Jack, say that you saw Becker as we will go to jail.'"

COLONEL ROOSEVELT BACK IN HIS SHELL

EX-PRESIDENT REACHES HOME AT OYSTER BAY, AND IS IN FOR SOME DAYS OF REAL REST

PROBABLY TAKE UP CAMPAIGNING

OYSTER BAY, Oct. 22.—A week of absolute rest is all that is required, in the opinion of his physicians, to put Colonel Roosevelt in the best of condition.

At the end of that time if he follows the strict regime which has been planned for him, it is expected that he will be able to take up the campaign in the closing days.

The Colonel reached Sagamore Hill from Chicago shortly after 10 o'clock today and walked unassisted up the stairs and went to bed, expecting to remain there most of the day. When the automobile carrying Colonel Roosevelt reached the house, the colonel stepped out, declining assistance.

"It's mighty good to be home again," he said.

While a week was set as the period of absolute rest it was explained that for a considerably longer time Colonel Roosevelt must avoid hard work and will be impossible for him to attempt to make many speeches.

Several weeks will be required for the complete healing of the wound and the knitting of the fractured rib.

The home was formerly located at Boone, but it was destroyed by a fire last spring. Boone is making a strong effort to have it rebuilt there, while Marshalltown and Cedar Rapids are offering strong inducements to secure the institution.

Turks Fleeing in Panic

Athens, Greece, Oct. 22.—The Turkish army is fleeing in panic from Dhisakata on the way to the Turkish town of Servia in the north, according to a semi-official statement issued here today. The Greek troops are said to be pursuing them vigorously.

When the Turks precipitately abandoned the town of Ellassona, it is said, they left behind them their staff maps and a million cartridges. They also dropped during their retreat much of their clothing and most of their engineering implements.

The total losses of the Greeks during the first day's engagement are given as one captain, two sub-officers killed and several wounded.

The Turkish artillery fire upon the heights of Grimbova was without material effect which point they bombarded heavily.

"If you want any money, I'll give you \$1,000 now and when you get out we will go into the hotel business. I'll put in \$25,000 and we'll divide the profits evenly. All you have to do is to lie for me; if you lie it's all right. If you don't, you'll go to jail."

THE MAGNET

Uncle Sams Post Office Men Frame Law on Paper Circulation

From Now on no Subscriber Owing a Publisher Over a Year's Subscription Will Not Be Able to Receive Paper Without Getting the Publisher in Trouble

NO LOOPHOLE LEFT, PAPERS MUST CLEAN LISTS

Now and then of late The Reflector has asked its readers to look at the date after their name on the paper and if it showed them in arrears to send in a remittance, to bring up their subscription. It has become necessary for us to call attention to this again, especially those subscribers as much as a year in arrears and give notice that the paper will have to stop going to them unless they pay at once.

We have just received a notice from the Third Assistant Postmaster General which says: "The right of publishers to extend in good faith credit on subscriptions is recognized and will not be abridged, and although all subscribers are regarded as expiring with the period for which they were obtained, nevertheless, in order to give an opportunity to secure renewals, copies of their publications will be accepted for a period of one year from the date of expiration; but copies sent to persons after one year from the date of the expiration of their subscriptions unless such subscriptions be expressly renewed for a definite time, together with an actual payment of subscription or a bona fide promise of payment, will not be accepted at the pound rate, but will be accepted at the transit second class rate of one cent for each four ounces or fraction thereof, prepaid by stamps affixed."

In order to bring the Reflector list up to a compliance with this law, which cannot be disobeyed, we are mailing a letter to every subscriber who is as much as a year in arrears, with a request for immediate payment. We do not believe any subscriber wants us to violate the postal law, so we ask every one to respond to the letter with a remittance just as soon as it is received. If the letter fails to reach you, look at the date after your name on the paper and send on a remittance. It is not a matter that can be put off, as we must comply with the law, and unless your date is brought up at once the paper will have to stop going to you.

President Taft Must Resume Duties, His Vacation Now Over

BEVERLY, Mass., Oct. 22.—President Taft will return to Washington for the winter next Sunday. Mrs. Taft will remain in Beverly until November the fourth.

The President will go back to the capitol by way of Cambridge Springs, Pa., where, on Saturday, he has a speaking engagement. He will visit Newark, N. J., November 2 and may go from there direct to Cincinnati where he will cast his vote. Although plans are indefinite it is expected the President will go back to Washington after the election and spend the time remaining before Congress convenes writing his annual message.

PENN. DEMOCRATS IN LIVELY CAMPAIGN

TO WREST LEADERSHIP FROM THE PROGRESSIVE PARTY IN KEYSTONE STATE, IT IS PROPOSED

BOSS FLYNN STRONG BULL MOOSE

NEW YORK, Oct. 22.—Campaign managers are revising plans and altering arrangements for the wind-up of the presidential fight.

The inquiry to Colonel Roosevelt, the voluntary withdrawal of Governor Wilson from the stump and the fact that neither President Taft nor Vice-President Sherman have taken part in the active work of the campaign have resulted in changing plans in all three of the chief political camps.

The ensuing two weeks will witness a concentration of activity in the sections where the respective campaign managers believe the outlook is most favorable for the capture of disputed ground. Governor Johnson, Progressive vice-presidential nominee, is to fill in most of Colonel Roosevelt's proposed engagements in the East and the Democratic leaders are rushing a number of their chief speakers into Pennsylvania and New York to take up the work planned originally for Governor Wilson.

The Democratic campaign will center in Pennsylvania from this time forth according to statements made here.

Black Pugilist Now Has to Face Representatives of Uncle Sam

CHICAGO, Oct. 22.—The Federal grand jury today began its investigation into the Jack Johnson-Lucile Cameron affair with a view to learning whether the negro pugilist has violated the Mann act by causing the Cameron girl and other young women to be brought to this city for illegal purposes.

The first witness to be questioned was Mrs. Cameron-Falconnet, of Minneapolis, the girl's mother, who has been waging a fight to induce her daughter to quit Johnson.

Lucile Cameron, who has been held in the Rockford, (Ill.) jail, in default of \$25,000 bonds, and her mother appeared at the Federal building and while they waited to be called into the jury room the mother again pleaded with the girl to give up the negro pugilist and also to tell the jurors all she could regarding her relations with him.

Jack Curley, fight promoter, who was wanted in connection with the case, appeared at the Federal building and said he was ready to tell all he knew of the affair.

A search was made for him yesterday, but he could not be located. Curley said Johnson and the Cameron girl had been at his home only twice. The first time to meet her mother, he said, and the other time when the champion came to ask him to look after his planned fights in Australia.

Lucile Cameron will, according to present plans, tell her story of her relations with the negro immediately after her mother has completed her testimony.

Mayor Harrison today ordered the chief of police to have all the music and other forms of entertainment in the negro pugilist's cafe on the south side immediately stopped.

ALLIED ARMIES CROWDING TURKS

Guerrilla Warfare to be War's Feature

ARMED PEASANTS TAKE PART

147 Peasants of the Bulgarian Village of Girsova Are Massacred by the Turkish Soldiers

LONDON, Oct. 22.—The armies of Servia, Bulgaria and Greece continue to clear their way to their main objective points the Turkish fortresses of Uskup, Adrianople and Servia, the last a town on the Grecian frontier.

Greek armies have crossed the Turkish frontier at two points. In Epirus, at the western end, they have occupied the heights of Grimbovo, while at the eastern end they are pursuing the Turkish troops to their base at Servia where an important battle is expected to be fought and the taking of which by the Greeks would carry them apparently nearer the Monastir and Salonika road.

The Servian armies are probably having the hardest fighting at the present moment. They are operating toward Uskup and Prishtina and further north in the district of Novipazar and have on content not only against Turkish regulars but also against the Turkish ragnants who are fierce fighting Arabian tribesmen. One of their armies has advanced as far as the outskirts of Kuanovna, the principal town between the Servian frontier and Uskup.
