

State Federation of Women's Clubs In Session at New Bern

President Mrs. R. R. Cotten Delivers Annual Address

200 VISITING DELEGATES

In Attendance At Opening Day. Several New Bern Men Make Interesting Speeches, Including Judge Gulan

NEW BERN, May 6.—The eleventh annual meeting of the North Carolina Federation of Women's Clubs convened in this city this morning at 10:30 o'clock. More than two hundred visiting delegates are in this city to attend this meeting and it promises to be one of the most successful ever held in the state.

Following the first business meeting held at 10:30 o'clock, luncheon was served the visitors at the home of Mrs. S. L. Dill, Jr. At four o'clock the board of directors held a meeting in the Elks' Temple. Then most important meeting of the day was held in Griffin auditorium to hear the address by Judge Walter Clark on the Legal Status of Women in North Carolina. This will be followed by a discussion led by Miss May Hendren of this city. The chorus "Lost Chords" and the "Angels Song" will be rendered by the music department and selections will be played by the orchestra. After this program the reception at the Elks club will be tendered by the Chamber of Commerce will take place.

AYDEN ITEMS. Thursday night was elected without opposition. The citizens of Atlantic in Carteret county, have undertaken to deepen one of the famous of the smaller bodies of water in the sound section of East Carolina, "The Thoroughfare." The Thoroughfare is an inlet several miles in length connecting Neuse river near its mouth with Core sound and traverses Hunting Quarter township in Carteret. It is known to every navigator of Core and Pamlico sounds as a not only safe passage but a very convenient one.

Brief News From Over The State

ASHEVILLE, May 6.—Western North Carolina lumbermen are preparing to register against the recently increased freight rate of the Southern Railway Company, applying to certain grades of lumber. Already, the lumbermen are beginning to take the matter up with the various lumbermen's organizations to which they belong and it is expected that the matter will be taken to the Interstate Commerce Commission.

The lumbermen claim that their outstanding contracts were made with the belief that the rates would be continued and it is their contention that in raising the rates on different varieties of lumber without notice, the company has made it necessary for the timber men to fill certain orders at a great sacrifice.

HENDERSON, May 6.—The Seaboard Air Line building, which has just been enlarged, has been twice the former size, sheds, walks and many other conveniences added. The carpenters and brick masons have turned it over to the officials and handsome furniture has been ordered which will soon be in place. It is a handsome, commodious and conveniently situated.

WINTERVILLE ITEMS

WINTERVILLE, May 5.—Misses Vivian Robertson and Pannie Belle Robertson came in Wednesday to attend commencement. A new lot of shoes and slippers at W. A. Ange and Co. Miss Maude Dawson came in Wednesday to visit her brother and to attend commencement.

Does the foregoing article copied from the Progressive Farmer appeal to you? If it does not this iniquitous system that has been utterly following for so many years, by voting for the bond issue and good roads. The only way to break up the six days a year on the roads system, is by voting to let every man pay his just proportion of the road tax in accordance with the amount of property he owns. Yes, an itching, burning, raw, irritated skin relieved the moment Zemo touches it. Zemo is a clean, soothing, healing wash, composed of Thymol, Glycerine, Witch Hazel, Boric Acid and other medicinal healing ingredients. Zemo relieves and cures every form of skin and scalp eruption and if you are not entirely satisfied with results from the very first 25 cent bottle, druggists will refund your money. Large size bottle \$1. Endorsed and sold in Greenville by Moy's Pharmacy.

Good Road Column

THE PROGRESSIVE FARMER recently uttered a righteous protest against the ancient, but not time-honored pan—of no length of time an honor such a vicious system—of confiscating a week's work from poor every year for the upkeep of roads, whereas the only correct plan is to have each man pay only in proportion to what he owns. It is an outrageous system that takes a whole week's labor or earnings annually from the poor man, who perhaps owns little or nothing, and who needs the proceeds of his week's labor much more than does some business man earning \$50 to \$600 in a week's time. If the poor man earning \$1 a day must give six days a year to the roads, then the rich man earning \$25 a day should give \$150 to the roads. We are glad to find that valiant good roads fighter, Editor H. B. Varner, of Southern Good Roads, speaking out on the subject as follows:

"There is nothing more unjust than the labor tax. How long will our people submit to it? Any law which taxes the poor man \$3 per year and the man with property, who is able to pay, the same, is absolutely unfair. There is nothing right about it. Not far from where I live I have in mind now a man who owns horses, bugles, and wagons and big farms, who does not even pay one cent towards the upkeep of the roads, because he is more than 45 years old. The chances are that he will continue to use the roads daily for thirty years yet. Every tenant he has on his farms, with the exception of two or three are still subject to the labor tax. They must work six days in the year on the roads. He is worth many thousands of dollars. His tenants are comparatively poor. Where is the justice of it?"

"First in Quality"

in **HARDWARE** and **FARM MACHINERY**

That's the point—"first in quality." It's the quality of our goods and Machines that has won for us thousands of satisfied customers.

You can buy an inferior grade of seed, sow it and reap half a crop.

You can save a dollar or two on the purchase price of some Binders, Mowers, Rakes or Cultivators but you are running just as big a risk as when you buy inferior seed. Why not buy the BEST at first?

Nothing but "First in Quality"

We carry nothing but the "First in Quality" in Farm Machinery and Implements, as well as Hardware, and we know our goods will give you absolute satisfaction. We carry a stock of repairs for the machines we sell and our desire is to give you the best service possible. Let us show you our Mowers, Rakes, Binders, Cultivators, Planters, Weeders, Harrows, Distributors, Wagons, Cutters, etc., and we know you will become one of our satisfied customers.

Best Medicine For Colds

When a druggist recommends a remedy for colds, throat and lung troubles, you can feel sure that he knows what he is talking about. C. Lower, Druggist, of Marion, Ohio, writes of Dr. King's New Discovery: "I know Dr. King's New Discovery is the best throat and lung medicine I sell. It cured my wife of a severe bronchial cold after all other remedies failed. It will do the same for any bronchial, throat or lung cough. Keep a bottle on hand all the time for everyone in the family to use. It is a home doctor. Price 50c and \$1.00. Guaranteed by all druggists."

NOTICE

Notice is hereby given that the Machinery Act of the General Assembly of 1913 amending the Machinery Act of 1911, requires that all property, real and personal, shall be listed during the month of May, making a failure to list a misdemeanor and subject to double taxation. All persons will take notice that this law will be rigidly enforced in Pitt county.

By order of the Board at its regular meeting on the first Monday of May, 1913.

NOTICE OF ELECTION

Be It Ordained, by the board of aldermen of the town of Greenville, its regular meeting, assembled on Thursday night, the 1st day of May, 1913, as is provided by the charter of said town and the various amendments thereto, as follows:

1. That an election be held in the several wards of said town, on Monday, the 2nd day of June, 1913, for the purpose of electing a mayor and five aldermen for said town. The mayor and those persons elected from the 2nd, 3rd and 4th wards of said town shall continue in office for two years from the first day of July, 1913, and those from the 1st and 5th wards for one year from July 1, 1913, or until their successors are duly elected and qualified. The mayor of said town to be voted for and elected by the entire vote of the town, and one alderman to be elected from each of the five wards of said town as aforesaid;

2. That the following named persons are hereby appointed as registrars and judges of the election, to hold and conduct said election in the various wards of said town, to-wit: 1st ward, D. T. Beaman, registrar; Charles Cobb and J. I. Smith, judges of election.

2nd ward, M. H. White, registrar; L. W. Lawrence and W. D. Pruitt, judges of election.

3rd ward, R. A. Tyson, Jr., registrar; W. C. Thomas, J. A. Lang, judges of election.

4th ward, D. D. Haskett, registrar; James Brown and W. M. Moore, judges of election.

5th ward, J. G. Bowling, registrar; D. S. Smith and H. L. Coward, judges of election.

3. That said election shall be held at the various places in said wards, to-wit:

1st ward, at court house.

2nd ward, at J. E. Winslow's stables.

3rd ward, at Centre Brick warehouse.

4th ward, at Munford's store, Five Points.

5th ward, at W. L. Hall's office, near Five Points.

4. That registration books of said town will be open at the various polling places in each ward on Wednesday, Thursday and Friday, May 28, 29 and 30, from 9 o'clock a. m. to five o'clock p. m., as is provided for by the charter of said town.

Three Fine Speeches And A Barbecue Of Thirteen Stock Law Pigs

Farmville, N. C., May 6, 1913.

Editor Reflector:

Last Friday, May 2nd, was a red letter day for Lang's Cross Roads school and Lang's Cross Roads Union, for on that day we were the happy recipients of addresses from Professor Wilson, Representative Clark and Superintendent Ragsdale. At the suggestion for the teachers the Union showed its appreciation of the noble spirit displayed by the two excellent young women who had so cheerfully done their duty as teachers for the district, by giving a barbecue dinner of thirteen pigs. Recollect we are in the no fence district and that all these pigs were obtained from the neighbors.

Every one of the fifteen hundred present was a plenty to eat and seemed to really enjoy himself.

Prof. Wilson made a special effort to be with us and his speech was calculated to be of real benefit to the community.

Representative Clark's speech emphasized the value of cooperation in general and especially did he urge us to cooperate in securing good roads for the community.

Prof. Ragsdale made, some think, the best speech that he has ever made upon such an occasion. His speech was universally voted a splendid one. He emphasized the fact that each one should be desirous of doing all in his power for the general welfare of the community. Mutual help and cooperation should be the watchword.

We have a fine local Union. All of the members seem to be imbued with the proper Union spirit, and we had a good school presided over by Miss Lily Tucker and Miss Annie Tyson, each of whom was raised in the country just across the creek from the school and although home folks they are esteemed by us as fine teachers.

A WOMAN'S BACK

The Advice Of This Greenville Woman Is Of Certain Value

Many a woman's back has many aches and pains.

Often 'tis the kidneys' fault. That's why Doan's Kidney Pills are so effective.

Many Greenville women know this. Doan's Kidney Pills that I am glad to recommend them. My back aches nearly all the time and I could not rest well. The kidney operation caused me annoyance and it was plain to be seen that I was suffering from kidney trouble. Doan's Kidney Pills that I got from the John L. Wooten Drug Co., relieved the aches and improved my condition greatly.

For sale by all druggists. Price 50 cents. Foster-McMillan Co., Buffalo, N. Y., sole agents for the United States.

Remember the name—Doan's—and take no other.

Colored School at Farmville
 Commencement exercises of the Farmville Industrial School, Farmville, N. C., for the training of colored youth, will begin Sunday, the 23rd inst. Dr. A. G. Davis will preach the laudatory sermon. Several interesting programs will be rendered during the week.

Thursday, the 29th will be farmers' day. At 2 o'clock p. m. there will be a round table talk on the "Methods of Farming". The department of agriculture will furnish the principal speakers. The public is cordially invited to attend these exercises.

DO YOU ENJOY EATING

You

Experts declare that the reason stomach disorders are so common in this country is due to hasty and careless habits of eating. Stomach troubles and run-down conditions usually go together.

John Lind, of Onesto, N. Y., says: "I had a bad stomach trouble for fifteen years and became so weak that I could hardly walk or do any work. My appetite was very poor, and it seemed impossible to get any relief. I finally tried two bottles of Vinol. I found that it has already made remarkable improvement in my health, my digestion is much stronger, and I have gained in weight."

Vinol makes weak stomachs strong because it strengthens and tones up the weakened, tired and overtaxed nerves of the digestive organs. Vinol is easily assimilated by the weakest stomachs and is delicious to the taste. Try a bottle if Vinol with the understanding that your money will be returned if it does not help you. Vinol's Pharmacy, Greenville, N. C.

FRIDAY, MAY 16, 1913

WILL STAMP OUT "MOONSHINING"

The Washington City correspondent of the Greensboro News sends that paper an item that will be read with much interest by the large majority of the people in North Carolina who want to see a cessation of the liquor traffic and an enforcement of the prohibition law. The item says:

"Commissioner of Internal Revenue W. H. Osborn told the Daily News correspondent tonight that he is working on plans which will put in operation shortly that will drive every 'moonshiner' out of North Carolina. The commissioner said he is positive this can be done and that he will do it if it takes every revenue officer in the service to accomplish his purpose.

"The state of North Carolina of some thirty to forty thousand majority has decreed that the state shall be dry," said the colonel. "The Webb law and the search and seizure measures are doing excellent work. The federal government will do its part and will see to it that no whiskey is distilled within the borders of the state."

The Reflector is going to throw out a challenge, and if any town in North Carolina wants to take it the proof must be shown before there is a surrender. That is that for a town of five thousand population, Greenville is the best building and loan town in the state. Here is our record: The Home Building and Loan Association has been in existence 7 years has already matured two series, one of them in 328 weeks and has over \$600 shares in force. The fifteenth series was opened May 8rd, and in one week 1129 shares were written for that series with a prospect of it going to 1200. If that record can be beaten we would like to know it.

To hear the expressions of gratitude from the old soldiers here at the reunion Tuesday, was enough to make any one who took part in their entertainment feel good. Many of the veterans were from the Reflector office during the afternoon, and said they had never enjoyed a reunion day more than this one. In addition to the fellowship of their comrades, some of whom had not met in a year, they enjoyed the speaking, the music, the automobiles placed at their disposal, the bountiful dinner prepared for them and the seats arranged for portending of the dinner in comfort and without crowding. They praised and appreciated all that was done for their pleasure, and the people were glad of the opportunity to do these things for the old heroes.

Every citizen of the county should feel an interest in the Confederate monument Pitt county is to erect on the court house square. The movement has been started to raise by popular subscription the \$1,000 necessary to supplement the like sum appropriated by the county, and the money should be raised quickly. Let those who can contribute do so promptly, without even waiting to be asked and thus help to wipe out the long neglect to honor the heroes of the Confederacy with a monument. It is hoped to have the monument erected and ready for unveiling by October and nothing should hinder the plans to do this.

It is not because an accident has occurred that we write this, as it was already in mind to say that the most dangerous places that children can gather to play is around new buildings that are going up. A day or two ago a bunch of boys climbed to the second story of a building in erection and were walking the sleepers with almost as little thought of danger as if they had been on the ground, and the call of a policeman was threatened to make them come down. It is a wonder that many serious accidents do not occur from this cause and children should be strictly prohibited from going about such buildings.

That was a graceful act on the part of the Federation of Women's Clubs at their session in New Bern, in starting a loan fund to aid desiring young women in securing an education. The fund is to be known as the "Sallie Southall Cotten Loan Fund," thus named in honor of Mrs. R. C. Cotten, the retiring president of the Federation. In twenty minutes after the adoption of a resolution to start this fund, the members had subscribed \$1,000, half of this sum being pledged by the Cotten children. Such a loan fund will prove of inestimable value to many young women of North Carolina.

After years and years of neglect waiting Pitt county has at last come to a realization of her duty in honoring the memory of her Confederate soldiers. The last legislature passed a bill giving the commissioners of the county authority to appropriate \$1,500 for the erection of a monument when the people of the county shall supplement this with a like sum. The county commissioners at their April meeting agreed to make the appropriation as authorized, and at the old soldiers reunion today the matter of raising the other part of the fund was given a good impetus. Now, let the work of raising the fund be pushed rapidly so the monument can soon be erected.

Some papers are calling attention to the bad use of words in calling a member of the senate a senator and a member of the house of representatives a congressman, when both the senate and house compose the congress. It is a wrong use of words, to be sure, but long custom has brought the terms into such general use that it will be difficult to break away from them. We expect that even the papers pointing it out will frequently be caught referring to Congressman So-and-So.

The Reflector tried so hard without result to awaken some interest in overhauling the river front into a place of recreation by providing pavilion, bath houses and boat houses that we felt like dropping the subject in despair. But the people of this generation are missing so much pleasure in this neglect that we are mustering up hope enough to mention it once more. Greenville has no park, and the river front could easily be made into one.

The heading an exchange places over a report of the Federation meeting in New Bern, says "State Club Women Spend a Full Day." We don't like that much, but being a woman's meeting the reader will not readily associate the "full day" with New Bern being the chief "boozie" importing town in the state as they would if a man's meeting was there. At any rate the heading might have been more carefully worded.

It has been nearly fifty years since the Civil War closed, but the fighting spirit of some of the veterans still lives. At the reunion in Durham, Saturday, a difference arose between General J. S. Carr and Major J. M. Hamilton in regard to the parade, and they slapped each other's faces. The peace spirit also followed quickly, for no sooner had their hot blood cooled down than they made up and were as good friends as ever.

If the state has no power to compel the railroads to make a just freight rates, as some people are arguing, then the state had as well quit the business of trying to have any control of corporations. But we believe the state has power to act, and should act firmly.

Charlotte is taking on real city airs, fifty plumbers there engaging in a strike. Lucky for the inhabitants that the strike did not come until freezing weather was over.

Something certainly ought to be done to stop so many beggars making the rounds from town to town. Some of them make themselves a nuisance and if no general law will stop it the towns ought to have local laws to protect themselves. Just because people are charitable and ready to help when the object is worthy, is no reason they should be constantly imposed upon by professional beggars.

In Louisburg a two-months old puppy with hydrophobia bit a woman, three children and two servants, all in the same household. Six lives endangered just for one little dog. Yet there are some people who think more of a dog than of the safety of the members of their household. And some cuss The Reflector every time it says a word against dogs.

A man in the western part of the state hung up a vest in one pocket which were \$27 in bills. The next time he wanted to put on the vest it was in its place all right, but not so the money, as a thief had waited off with it. Not such a large sum, but he says, but if it had been put in the bank the owner would know just where to find it.

Oversteering automobiles has come very near causing some serious accidents here recently. It is all right for people to have automobiles who want them and can afford them, but those who seem lacking in judgment to run their cars carefully and not endanger others, ought to have the law slapped right down on them.

The preservation of game and fish is a matter that has been much discussed in recent years, and nearly every legislature passes some law pertaining to it. A correspondent of this paper makes a timely suggestion in regard to destroying fish. Shooting or dynamiting fish in their bedding season is a needless destruction.

Our old (?) red-headed friend, D. J. Whighard, of the Greenville Reflector, has been appointed postmaster of his town and while we have always labored under the impression that his radiance was mostly shed among the females, yet we have no fear but what he will also shine with the mails. Congratulations to the people of Greenville—Wilmington Dispatch.

A young woman missionary recently returned from the heart of Africa, took a look around New York city and declares that "Broadway needs missionaries far more than the savages on the African west coast." We expect she is pretty close to the truth.

A correspondent of the Charlotte Observer describes the North Carolina homestead law as a superfluous useless piece of furniture that ought to be consigned to the constitutional junk heap. It has long since outlived its usefulness and become a hindrance rather than a help.

The Durham Herald notices that the counties that have good roads are the ones that took hold of the matter without waiting for outside help. It is this idea that is taking hold of some sections of Pitt county, to go ahead and build roads for themselves.

A man was in Greenville Monday trying to get a clue on another man supposed to have stolen some \$50 or more from the latter's home. If he had put that money in a bank, instead of keeping it in his home, it would not have been stolen.

Recent press dispatches state that all opposition to Mr. Watts is practically withdrawn and that President Wilson will likely give him an early appointment as collector for the western district of North Carolina.

The declaration that Mr. Hearst is dissatisfied with the Wilson administration, is not disturbing anybody. We do not suppose his advice is being sought as to how the administration shall be run.

City Thronged With Those That Wore The Gray

VERY IMPRESSIVE EXERCISES

Old Soldiers Escorted To Cherry Hill Cemetery By Graded School Children Who Carried Floral Decorations

Tuesday opened beautifully, and at an early hour Confederate veterans and others began coming in to attend the reunion and memorial exercises. The veterans were all decorated with ribbon badges, while some wore their crosses of honor. As they came in they gathered about the square and the Reflector corner waiting for the exercises to begin.

At 10 o'clock Bryan Grimes Camp met in the court house for the annual business session. In the absence of Commander E. A. Moye because of sickness, the meeting was called to order by Capt. J. J. Laughlinhouse who presided. The roll was called.

The camp appointed the following monument committee to look after raising funds for the erection of the monument on the court house square: T. J. Jarvis, W. L. Brown, D. C. Moore, R. Williams, R. L. Carr, J. B. White, A. J. Gorman, A. L. Blow, W. B. Wilcox and Chas. Cobb.

The camp then formed in procession and headed by hundreds of children with flowers marched to the cemetery where the graves of departed comrades were decorated. In the cemetery a beautiful short address was delivered by Mr. J. B. James.

The procession returned to the court house where the memorial exercises were held. Under the direction of Mr. W. L. Brown, chairman of the committee, the program as previously published was carried out.

After an earnest prayer by Rev. C. M. Rock, a class of students of the Training School sang "Carolina". Capt. J. J. Laughlinhouse presented the speaker of the day, Mr. F. C. Harding. His speech was a gem, clothed in beautiful language and brought frequent bursts of applause.

Other courses which Miss Christine Johnson read the last will and testament of the class. The school building and property was solemnly bequeathed to the school board, with the injunction that they erect a high school building for the town at an early date. All the books, papers, subjects, property, belonging to the class were bequeathed to various recipients.

After the will was read and duly accepted, Miss Lella Higgs was called on to break the silence by discussing the class characteristics. Her toast proved to be one of the best of the evening. She told the members who was bashful and who talked too much. She gave the class a rather careful analysis, telling each one of his most striking traits.

Other courses which then served, after which the loving cup was passed around, each member drinking to the welfare of the class of 1913. The toastmaster Prof. Smith brought the happy event to a close with an earnest appeal to the members of the class to be true to their motto, and to be staunch supporters of the public schools. He declared the public schools to be one of the greatest forces at work in American life today and without this force the future would be dark.

NORFOLK, May 12.—As the result of a raid made yesterday morning shortly after 5 o'clock in a lane in the rear of Phillips' bar in Liberty street extended by Officers A. M. Powers and H. L. Mitchell, of the Berkeley police force, a man was taken to his home suffering from two wounds on the head inflicted by a brick thrown from a window.

Both houses have adjourned for the week, and the prospects of the passage of the jury reform legislation at the extraordinary session of the legislature is not bright.

Senior Class Of The Graded School Feast At Banquet

The senior class of the high school department of the Greenville Graded School gathered around the banquet board last night and celebrated this annual event of the classes. The class roll numbers sixteen this year, but owing to sickness, two were absent. Superintendent H. B. Smith was the choice of the class for toastmaster and he served in this capacity.

After the first course had been served, the toastmaster called for the class history. This was responded to by Mr. J. W. Bryan, Jr. He showed the increase in the number of the class in the phonic in the old court house in the fall of 1903, it being the first class to graduate with an entire graded school course.

The next toast was responded to by Miss Fannie Spain, her subject being Class Statistics. She gave in a humorous and happy vein a list of facts about the age and weight of the class, stating who was oldest, who the youngest, who the most popular, who the laziest, etc. Her toast received close attention and lively applause.

After another course had been served, the toastmaster called on Mr. Milton Pugh to read his class prophecy he being prophet of the class. He foretold in no uncertain terms the future of each member. The class poem was then read by Miss Eravine Forbes, after which Miss Christine Johnson read the last will and testament of the class. The school building and property was solemnly bequeathed to the school board, with the injunction that they erect a high school building for the town at an early date.

After an earnest prayer by Rev. C. M. Rock, a class of students of the Training School sang "Carolina". Capt. J. J. Laughlinhouse presented the speaker of the day, Mr. F. C. Harding. His speech was a gem, clothed in beautiful language and brought frequent bursts of applause.

Other courses which then served, after which the loving cup was passed around, each member drinking to the welfare of the class of 1913. The toastmaster Prof. Smith brought the happy event to a close with an earnest appeal to the members of the class to be true to their motto, and to be staunch supporters of the public schools. He declared the public schools to be one of the greatest forces at work in American life today and without this force the future would be dark.

Smithtown Sociable Club Entertains

SMITHTOWN, N. C., May 12, 1913.—A most delightful reception was given by the Smith Town Sociable Club to about 50 of their friends last Friday evening at Smith's School House. Misses Nannie and Carrie Belle Smith were the hostesses.

The guests were met at the door by Misses Carrie Belle and Anna White, and Misses Jessie Smith and Carrie Belle. Several farmers were also added to the posse which numbered more than twelve. The negro was overtaken and fired upon at the Norfolk and Western railroad, but he again escaped.

Officer Powers' injuries, although very painful, are not serious and he will be out again shortly. The chickens are being held at the Berkeley police station for identification, but as yet no person has called for them.

Mr. M. A. Jarvis Dead
Mrs. Martha A. Jarvis passed away about 3 o'clock Tuesday morning, at her residence on Second St., after an illness of three months. In her death a sweet spirit passes from earth to the home of peace and rest.

Mrs. Jarvis was a daughter of Richard and Sophia Parker and was born August 17th, 1850, making her in her 63rd year. The place of her birth was near Greenville, her parents moving to town in her infancy. She was one of our citizens who spent all her life in Greenville. In her youth she was converted and united with the Baptist church and the church never had a more faithful and devoted member. In those days the church was weak and poor, and for many years she served as organist, a leader in the Sunday school and even saw that the church had a good non-professional choir.

After the will was read and duly accepted, Miss Lella Higgs was called on to break the silence by discussing the class characteristics. Her toast proved to be one of the best of the evening. She told the members who was bashful and who talked too much. She gave the class a rather careful analysis, telling each one of his most striking traits.

Other courses which then served, after which the loving cup was passed around, each member drinking to the welfare of the class of 1913. Replicans Voted Strong Against Jury Reform Measure

TRENTON, N. J., May 13.—The senate today defeated the jury reform bill passed yesterday by the house. Attached to it was an amendment providing for referendum and the statement was made that the bills as amended had been approved by Joseph P. Tumulty, President Wilson's private secretary. Today the Republican senators voted solidly against it. The Democrats could muster only ten votes in its favor, eleven being necessary to pass the measure.

Previously the Jury reform bill favored by the Republicans was defeated, the Democrats all voting against it. Both houses have adjourned for the week, and the prospects of the passage of the jury reform legislation at the extraordinary session of the legislature is not bright.

My Doctor Said

"Try Cardui," writes Mrs. Z. V. Spell, of Hayne, N. C. "I was in a very low state of health, and was not able to be up and tend to my duties. I did try Cardui, and soon began to feel better. I got able to be up and help do my housework. I continued to take the medicine, and now I am able to do my housework and to care for my children, and I feel as though I could never praise Cardui enough for the benefits it has received."

Cardui is successful because it is made especially for women, and especially on the woman's constitution. Cardui does one thing, and does it well. That explains the great success which it has had, during the past 50 years, in helping thousands of weak and ailing women back to health and happiness.

If you are a woman, feel tired, dull, and are nervous, cross and irritable, it's because you're a woman. Why not try Cardui? Cardui builds, strengthens, restores, and acts in every way as a special, tonic remedy for women. Test it for yourself. Your druggist sells Cardui. Ask "X."

Write to: Ladies' Advisory Dept., Chapman Medicine Co., Chattanooga, Tenn. For special instructions, and 64-page booklet, "How Treatment for Women," send 10c.

AS FATE HAD DECREED HER FRIENDLY HELPER

"Why did you, who seem to be a woman of education, choose such mental employment as nursing?" There was a sneer under the smooth words of the man who had just asked Julia Dayton bite her lips to keep from answering hastily. Finally she replied quietly: "I nursed my father when he was laid up with a fever, and when necessity arose I chose the career of a professional nurse because I believed that I was well fitted for it."

"And you chose wisely," said Doctor Orme, who had entered his sister-in-law's room unannounced. Miss Dayton made no reply, but that about her work preparing something for her charge's comfort, trying to appear unconscious that two pairs of eyes were watching her closely. Mrs. Orme watched her because she felt sure that just picking up and putting her little boy's straw hat and draping her veil over it! It is all easy and simple looking.

"So when this friend said she'd help me with my spring hat, I was duly grateful. I was just itching for a nice looking hat, covered with daisies, and she said she'd make one. So I went into a store and bought a couple of bunches of daisies and a nice cheap frame.

"My friend smiled a 'too bad' smile when she saw my purchase, and said the shape was impossible, but added that she'd go with me to select a frame. Accordingly, we took back my choice and bought a \$5 frame that was very similar to the other, but had more artistic lines, my friend explained.

"So I went and ordered two more bunches. My friend was quite amused when I brought them back. She had pinned the daisies on. Then she stood up and said: 'Oh, she said, 'you've not got nearly enough daisies! You'll have to get lots more!'"

"So I went and ordered two more bunches. My friend was quite amused when I brought them back. She had pinned the daisies on. Then she stood up and said: 'Oh, she said, 'you've not got nearly enough daisies! You'll have to get lots more!'"

BASEBALL CHATTER

Now that Catcher Johnny Kling has joined Cincinnati, Manager Tinker believes that the Reds will be heard of soon.

Now the New York fans are roasting Hal Chase. They claim that Hal has not been doing his best for Frank Chance.

Manager Wild Bill Donovan, of the Providence team, has gathered a nifty bunch of ball tossers for the International League campaign.

Hall Caine, famous novelist and playwright, 60 years old today.

Washington, May 12.—Senator Penrose's plan to conduct an extensive filibuster in support of his proposal to hold open tariff hearings before the Senate Finance Committee will not receive the unanimous following of his fellow Republicans when it comes up tomorrow, according to the opinion of the leading members.

Republican senators do not believe it wise to fire their tariff guns in the preliminary fight over the question of hearings. They are willing to put the question to a vote and rest content with that. They argued that Republicans should delay until the bill is before the senate and that then their efforts should be directed toward showing the country what the party thinks of it.

Several Republicans indicated that they would vote against the Penrose amendment to make the committee hold hearings.

Persistent reports about the senate say, however, that several Democrats will be found voting with the majority of the Republicans for the Penrose amendment, and the vote in consequence is likely to be close.

Democrats on the Finance committee were skeptical of a report that an agreement had been signed by seven western Democrats who are opposed to free wool to vote against that provision of the bill in the proposed conference. The conference is still several weeks away, but Democrats who keep in close touch with every phase of the situation did not believe that any such agreement has been made or is likely to be made. They declared that they expected the Democrats of the committee to present the bill to the senate with both the wool and sugar schedules as they were left in the House bill.

The committee to which it was assigned several weeks ago met tonight with Chairman Simmons.

D. J. Whighard, the editor of the Greenville Reflector has been appointed the postmaster in Greenville. We extend our heartiest congratulations and the one sad item of the whole matter is that we won't have the distinguished in fact very easily distinguished on account of his being a brother of the law. We borrow the expression of Marse Henry Watterston, "down in the trenches." The ranks of the red headed editors in Eastern Carolina is depleted and our friend James Cowan now becomes the whole cheese from Exalted Ruler of the order of the Sanctum Sanctorum. Mr. Whighard, we are well aware, was one of the "Original Wilson Men", for how well do we remember when watched his paper for the release dates on the cartoons sent out by the original Wilson committee. A fight about party lines makes me think of the recognition Greenville hasn't a more deserving citizen.—Rocky Mount Telegram.

Farmers Union and Picnic at Lang's Cross Roads

Some days ago your correspondent had the pleasure of attending a delightful picnic given jointly by Lang's school and the Farmers Union. The occasion was the closing of the school for the summer and the farmers being greatly interested in the school and all that takes place there decided to offer their assistance in arranging a rally day and picnic.

There were present on the school and picnic grounds probably fifteen hundred or two thousand people, and many of those heard excellent speeches by our Superintendent and Prof. W. H. Hagdale, and also some short talks by others present. The speakers were happily introduced by Mr. Turnage in a few well chosen words while in the garden.

It is but to say that a picnic was given in the vicinity of Lang's cross roads, for the impression in the way of edibles that once appetite could desire, was spread before those two thousand happy people.

We have always known that Pitt was a great city and that Farmville township was one of the best, but one could never know without attending a picnic such as was given at Lang's cross roads, what a high class of citizenship we really have.

Of course, in the country where the same are found in the larger towns, are not to be had, one hardly expects to see the styles and refinement that the city affords, yet if in the neighborhood of Lang's cross roads it is to be judged by the stylish cut, the pretty girls and well dressed nice looking men who gathered at the picnic, no community can boast of being in advance of it.

Such an example of friendly social intercourse might well be followed by some of the townships and especially high cultured cities where all opportunities are to be had. And the question might well be asked, what has done all of this for a community. The answer is the simple word, Education.

If we are not proud of the East Carolina Teachers Training School and what it is doing for Pitt county and Eastern Carolina, we are hopeless ingrates. When one sees the advantages and the beautiful results that has come from the efforts of Miss Lillie Tucker and Annie Tyson at Lang's school and hundreds of other training school girls through out Eastern Carolina, they can then realize in a small way what a great work this institution is doing.

It is a great pity that the legislature before making its appropriation could not have visited one of these schools and seen for itself what the institution is giving in the way of efficient teachers. The Training School needs more money and the legislature should get it not hampered in its work of supplying capable teachers. The demand is great and Lang's school is quite fortunate in obtaining the services of two young ladies who have been made more efficient by courses at the Training school.

We hope the day is not far distant when every section of our state will be able to boast of good schools taught by teachers who are trained to teach, good roads, and an elevated cultivated citizenship. It is interested in its community, its county and its state.

J. R. & J. G. MOYE

GENERAL STORE PAINTS OILS

When You Paint

Use PURE PAINT and use PURE LINSEED OIL to add to it at one-half the cost of Paint.

Use PURE PAINT made with WHITE LEAD, ZINC and LINSEED OIL the way the L. & M. SEMI-MIXED PAINT is made.

But ALL the OIL needed to make the L. & M. PAINT ready for use is NOT put into the Paint when it is prepared for the Consumer who buys it.

The ADDITIONAL quantity of OIL is put into the Paint by the CONSUMER, as by so doing he SAVES MONEY. Therefore—buy 3 gallons of LINSEED OIL, with every 4 gallons of L. & M. PAINT and MIX the OIL with the PAINT.

If the Paint thus made costs more than \$1.00 per gallon—if the Paint as you use it is not perfectly satisfactory—then you have not used the ALL you could. Buy 3 gallons of it, and besides, the money you paid to the Painter.

Resolution

Adopted by the Democratic Committee of the town of Greenville, to be held for the purpose of nominating a Democratic candidate for mayor of the town of Greenville.

Resolved, by the Democratic Executive Committee of the town of Greenville, that a Democratic primary be, and the same is hereby called, to be held for the town of Greenville, on Monday, the 26th day of May, 1913, for the purpose of nominating a Democratic candidate for mayor of the town of Greenville, under the following provision:

1. That the polling place for said primary shall be at Jos. Hatem's store at Five Points, in said town of Greenville.

2. That the polls shall be opened at 6 o'clock a. m. and remain open until sun set on Monday, May 26th, 1913.

3. That the poll holders shall be chosen from the friends of the candidate for mayor, and each candidate is requested to recommend to the executive committee one name each and the two poll holders shall be selected from those recommended by said candidates and appointed by the executive committee.

4. That immediately after the closing of the polls at sun set on Monday, the 26th day of May, 1913, the two poll holders appointed by the Democratic executive committee shall count all the votes cast at said primary and make a report thereon to the chairman of the Democratic executive committee of the town of Greenville, who shall immediately upon receiving the returns declare the same and cause the same to be published in some newspaper published in the town of Greenville.

5. That the candidate receiving a majority of the votes cast at said primary shall be declared the Democratic nominee for mayor of the town of Greenville.

ASK YOUR DRUGGIST ABOUT IT
There is a New Remedy That Takes the Place of Calomel. Recommended and Guaranteed By The Druggists.

Basnigh's Pharmacy never sold a remedy that gave more complete satisfaction than Dodson's Liver Tonic—a mild vegetable remedy for constipation, sour stomach and liver izer.

Folks who have suffered for years rather than resort to dangerous calomel have found after one trial that this pleasant tasting vegetable liquid gives them a long sought relief without bad after effects.

BASEBALL CHATTER

Sunday ball is being played in the Connecticut town of the Eastern Association, which means nice money for the clubs in Jim O'Rourke's circuit.

The new Georgia-Alabama League, with clubs in Anniston, Talladega, La Grange, Norman, Gadsden and Opelika, takes the place of the old South-eastern League.

Even if they do try to get away with that protested game wrinkle now and then, the Phillies are playing excellent ball and will bear watching.

Miller Huggins has the Cardinals up on their toes and fighting every inch of the way. The cards are liable to cease the Giants, Cubs and Pirates leaps of trouble before the curtain falls.

The way Bill Dahlen's Superbas has been performing of late, shows that William intends to worry the National League teams not a little before the pennant is won.

The costly bobble of Fred Snodgrass in the world's series last fall must have caused Fred to brace up a bit. He is playing great ball for the Giants this season.

The work of the Boston Braves' kid battery, pitcher James and catcher Whaling, is a delight to one George Stallings. The former Northwest-ern league stars have shown regular big league stuff.

ALL EXPENSE TOUR TO WASHINGTON, D. C.

NORFOLK SOUTHERN RAILROAD
and
Norfolk & Washington S. B. Co.
Leaving Raleigh, Goldsboro and Intermediate stations May 26, 1913

Prof. Ragdale Hurt By Runaway Horse

Prof. W. H. Ragdale narrowly escaped serious injury at Bethel Monday night when he had gone to attend the finals of the graded schools of that town.

At the conclusion of the exercises as he was preparing to leave the school grounds he was struck by a runaway horse that had been tied on inside of the high fence that enclosed the school property and was thrown for a distance of several feet.

It was not until Mr. Ragdale had nearly reached Greenville on his return that he realized that he was injured other than a few scratches on his wrist, when he began suffering with his left side, and upon reaching home and being examined by a physician it was discovered that he had been considerably bruised on the side and shoulder.

Today he is confined to his bed from the accident, but expresses belief he will be out in a few days.

ELIZABETH CITY, May 9.—W. O. Saunders, editor of the Independent, a newspaper published here, was convicted criminal libel this morning in a trial justice court and was sentenced by Judge R. W. Turner to six months on the county chain gangs. The defendant's attorneys served notice of appeal and bail was given for Mr. Saunders' appearance at the September term of superior court when the case will be tried again.

The trial this morning was the result of an article that was published in the Independent several weeks ago, making statements concerning Mr. Adlyett which Mr. Adlyett alleges are libelous and defamatory. He made demand upon the Independent to retract these statements and Mr. Saunders, it is alleged, refused to do so and challenged Mr. Adlyett to have him arrested.

This morning Mr. Adlyett swore out a warrant against Mr. Saunders, charging him with criminal libel, and it was served by Chief of Police Thomas.

FEEL HONOR OF THE NATION IS INVOLVED

Japan Attempts Difficult Task of Pacifying Public Opinions

GHINDA MAKES STATEMENT
It is understood and made it clear that his government is relying upon the Federal Authorities

WASHINGTON, May 20.—Representative Barthold, of Missouri, announced today that he proposed to introduce next Friday a resolution to empower Congress to legislate exclusively on all questions affecting the rights of aliens residing in the United States.

The purpose of the measure would be to prevent individual states from passing laws which might cause friction with foreign countries. Lack of federal control, he said, affecting the ability of the government to carry out a treaty in its integrity was a palpable defect.

TOKIO, May 20.—The news that the California alien land ownership bill has been signed by Governor Johnson was received here with regret, although it had been discounted in official and non-official circles.

It is topped up to the last moment the newspapers published extra editions with the announcement that the bill had been signed.

The efforts of the Japanese government are concentrated at present on pacifying public opinion but the task is regarded in many quarters as a more difficult one than at the time of the California school controversy, or even a year ago.

Flagler Dies In Florida

WEST PALM BEACH, Fla., May 20.—Henry M. Flagler, aged 83, capitalist and railroad magnate, died at his winter home here this morning after an illness of several weeks.

Mr. Flagler recently fell down a flight of steps in his home and because of his advanced age his recovery has not been anticipated.

Mr. Flagler was for many years one of the principal stockholders of the Standard Oil Company and distinguished himself in the railway and financial world by linking the Florida Keys with the Florida and East Coast Railroad, a gigantic undertaking.

Mr. Flagler built the Ponce de Leon and Alcazar hotels at a cost of \$3,000,000. His greatest achievement was the extension of his railroad from Miami to Key West.

For many years his plan was ridiculed as impracticable and was called "Flagler's Folly". The opening of this "over-seas" line is regarded as one of the engineering triumphs of the age.

The Carolina Home and Farm and The Eastern Reflector

Many Amendments to The Underwood Bill Nab Train Wrecker

Such to be Offered Freely by Republican Senators

WASHINGTON, May 20.—That Republican senators plan to insist upon amendments to nearly every item in the Underwood tariff bill when it comes before the senate for general discussion became evident today when Senator Penrose, former chairman of the finance committee, declared that every member of the minority would have amendments to propose.

Senator Penrose told the senate he knew of no concerted effort to be made purposely to delay the passage of the bill, but said he was assured that the minority would offer many amendments to the schedules offered by the Democrats. Senator Smoot also announced that the introduction of amendments would begin as soon as the bill came from committee, and that many roll calls would be demanded. If this plan is pursued systematically the journey of the bill through the senate is certain to be prolonged.

Senator Simmons has called for tomorrow the first meeting of the full membership of the finance committee to consider questions relating to the tariff. One matter to be determined will be the list of questions on which the finance subcommittee Senator Penrose of Michigan, engaged in a colloquy with Senator Simmons relative to the alleged threats of manufacturers to reduce wages and the counter intention of the advertisement of the bureau of corporations to investigate concerns which might reduce wages following tariff reductions.

"Is the senator aware," asked Senator Townsend, "of any condition existing which will make possible this proposed coercion on the part of the government, as indicated by the secretary of commerce?"

"Remarks of the secretary relating to investigations of manufacturers," replied Senator Simmons, "have forced me to stand there all night. I can refer the senator to the hearings before the ways and means committee where statements were repeatedly made by manufacturers that if duties were reduced, they would be forced to and would cut wages. I would also refer him to the briefs filed with the finance committee, which are full of such statements.

PHYSICIANS SAY BANKER MAY YET RECOVER

Georgia Financier May Win Fight Against Death
SWALLOWED DEADLY DRUG

MACON, Ga., May 20.—The case of B. Sanders Walker, the young banker, who last Wednesday swallowed a seven grain bichloride of mercury tablet, mistaking it for a headache remedy, is puzzling his physicians.

Mr. Walker early today was reported to be holding his own, and his physicians stated here, sermons will be preached at two points in that part of the city each Sunday afternoon. At the initial services, held on street corners, large audiences of the mill workers heard the minister.

Until yesterday Mr. Walker did not feel that he was going to die, and repeatedly declared that he was going to get well. However, when he was advised to expect the worst, he calmly resigned himself to what seemed to be his fate. Now he is making a determined fight to live.

It was feared that Mr. Walker's kidneys had been affected by the poison, that they were permanently paralyzed, but there was a manifestation which leads the doctors to think that there is a chance for him. In practically all of the churches of Macon, Catholic and Protestant, prayers were said for Mr. Walker's recovery.

Police Raid Gambling Dive and one Negro is Shot Through Back
PAYETTEVILLE, May 20.—John Black, a negro, was shot in a gun fight with officers of the law last night when police raided a negro gambling house in the coal chute district. The raid was made by a squad headed by Chief Britt. A couple of the roudmen were sent to the rear of the house and Chief Britt and Deputy Monaghan went to the front and threw themselves against the door. It gave way and the four officers entered a room in which ten or a dozen negro men were seated on the floor gambling. One big negro, who had a pistol lying by him, leaped to his feet and opened fire on the raiders. They returned, and while the revolvers were cracking the light went out. When the smoke cleared away John Black was down on the floor, a bullet through his back. The other gamblers had fled. Chief Britt had been hit on the hip with a bottle, otherwise the raiding party suffered no injury. Black was taken to the Highsmith hospital, where the wounds were dressed.

Make your own Paint

THIS WAY

You can make, or have your painter make, seven (7) gallons of Pure Lead Zinc and Linseed Oil Paint, by adding 3 gallons of Linseed Oil at the price of Linseed Oil, to 4 gallons of L. & M. Semi-Mixed Real Paint.

The 3 gallons of Oil cost about \$ 1.95
The 4 gallons of L. & M. Paint cost about 8.00
The 7 gallons of paint then will cost \$ 9.95

THIS WILL BE ABOUT \$1.42 PER GALLON.

If you only need a few gallons of paint, then buy 3 quarts of Oil to add to each gallon of the L. & M. Semi-Mixed Real Paint.

YOU SAVE ABOUT 60 CENTS A GALLON.
