Watch The Tobacco Bug To the Editor: I want to say a fe words in regard to the tobacco bug, DIAMOND IN THE ROUGH as the farmers of Pitt county hav bren blessed this year by not having any tobacco worms. I hope they will watch for the bug. These bugs ar t work on our crops now, but few d us realize the fact. He first start uzzing through the country with : leasant smile over his face, telling good. Then he will buzz around nature which left nothing to be de gain and want to know how much sired. We were boarding at the farm you have planted, and if it is a good house of William Simpkins-popularop, and as soon as he is gone he ly known among his neighbors as will pull out his book and pencli and Then he will buzz on to the next are not satisfactory to the farmers, mit in between ourselves. Then he will tell you how much th your packhouse, and if you will lis ten to him and will only agree will light on your crop at what savs is a high price for it, and you wont allow him to light on yo

Sam Gray, and ld mention. And mge made in selling tobacco, and an stop these bugs which are worse than the humbus if we will not shelter them nor take up any time in talking to them. Renember we have them to pay. JERRY. Pactolus, R. F. D., July 24, 1913.

Railmay Business For May During May the railways of th United States received for their services to the public an average o \$3,230,000 a day; it cost to run their trains and for other expenses of opat the rate of \$8.93 for each mile of line for each day. Thus for every gix dollars of their earnings which remained available for rentals, inbetterments, improvements and new railways had to pay more than one dollar in taxes.

All of these amounts are substan tically greater than the similar returns for May, 1912. They are from the earnings and exby the Bureau of age and earnings of all the railways of the country.
