WHO HAS THE MOST BEAU. TIFUL OR POPULAR BABY 6 19 3m

Since the baby show and voting Gures Old Sores, Other Remedies Wen't Cure exhibited each night has been a great | 'am and licals at the same t feature and the parents as well as the little ones have been working hard trying to secure the two prizes offered by the management.

Each night new photographs of the little tots are displayed and numbers o fthe contestants appear on the slides for which you mark the vote for your favorite and deposit at the

This week closes the contest and the last vote will be made Saturday night at ten o'clock for which the final count will be made and the prizes awarded.

Those who attended last night r port the programme a very pleasing one and the voting was one of the most important features. The class of motion pictures that are now shown at the Gajety are very creditable ones and are fast making a reputation o high merit for this place of amuse ment.

Today's programme offers anothe feature class of pictures and ones that are very entertaining and pleas ing to the mind.

Negro Should Have The

Preference Over Alien CUTHBERT, Ga., Aug. 13:- The Georgia State Agricultural Scelety the oldest organization of its kind in the south, began its sixty-eighth aunual meeting here today with a large nnd representative attendance. President John T. Williams called the gath ering to order and presided over th opening session.

The principal address of the morn ing was delivered by Dr. David C Barrow, chancellor of the Universit of Georgia. Dr. Barrow spoke on the subject of "The Negro," He expres ed regret at the tondency of the white man to give foreign laborers employ ment in preference to the negro Much of the South's future, he declared depends on the white man being able to make - faithful and efficient worker out of the negro.
