THE GREAT SPRING MEDICINE.

JOHNSTON'S SARSAPARILLA as a Blood Food and Nerve Energizer, is the
greatest SPRING MEDICINE ever discovered. It comes as a rich blessing from
heaven to the "worn out," the run down, the overworked and debilitated. That "tired
heaven to the "worn out," the run down, the overworked and debilitated. That "tired feeling," those "sinking spells," the languor and despondency which arise from badly nour-taked nerves, from thin, vitiated blood and an underfed body, vanish as if by a magic specially, it is almost a specific. It furnishes the very elements to rebuild work-out fits use. It feeds brain, nerve centers and nerves, calming and equalizing their actions with the spring-time and the heat of summer, are conquered and banished at once. For every form of neurasthenia, and all allments of the brain and nerve, insomnia, hysteria and nerveunces generally, it is almost a specific. It furnishes the very elements to rebuild work-out nerve tissues. It feeds brain, nerve centers and nerves, calming and equalizing their action; it makes rich and horses block. makes rich, red, honest blood. Newness of life, new hope, new strength follow its faith-

ful use. It makes the weak strong, and the old young again.

It was the antiquated (but now happily exploded) method in the good old times, to
treat Salt Rheum, Scrofula, Cancer and other troublesome discretes arising from
BLOOD TAINT with powerful alteratives, such as mercury, arsenic and other mineral
BLOOD TAINT with powerful alteratives, such as mercury, arsenic and other mineral agents. It was expected by this treatment that the poison could be killed while the blood springtime ter hide all de graves was left to course through its channels holding in its circulation the specific geams of the disease. But in this way, every part of the body became more or less diseased. Nothing on no fault at all wid dis worl'. born in the United States, and every male person who has been naturalized, twenty-one years of age, and possessing the qualifications set out in this article, shall be entitled to yote at any election by the people in the State, except the courthouse, and Dee Recept the serious set out in the State, except the courthouse, and Dee Recept the serious set out in the State, except the courthouse, and Dee Recept the serious set out in the State, except the courthouse, and Dee Recept the serious set out in the State, except the serious set out in this article, shall be entitled to yote at any election by the people in the State, except the serious set out in the serious set out in this article, shall be entitled to yote at any election by the people in the State, except the serious set out in the secks out the nerves and set of the solow set in the secks out the nerves are spinal cord, and again it will bring death to some vital organ, as the kidneys, lever or stomach. There is only one section the different structures of the body, but many times the bones are honey-combed and destroyed. It often seeks out the nerves and set of the secks out the nerves and set of the blood taint. F. M. SIMMONS. Chairman. mington Messenger. Folks who dont want to be hum

"Strange as it may appear, smoking tobacco is practically unknown in Caba or Puerto Rice," observed an Ordinance Corps who has recently returned from thos islands, "though, as well known, tobacco is the principal crop and every one uses it. They regard it as so much time lost to use tobacco in a pipe. Even if they wanted to use pipes they cannot get them, for the simple reason there is no pipes for sale. The natives content themselves with eigars, cheroots and eigaretts, and many of them did not know until a couple of years ago that there was some benighted people who supposed that smoking tobacco in a pipe was enjoyable and endulged in to any great exity.

Folks who dont want to be humbugged should beware of people who dont want to be humbugged should beware of people who dont want to be humbugged should beware of people who dont want to be humbugged should beware of people who has recently returned from thos islands, "though, as well known, to be humbugged. They just can't live without it.

A few days ago a citizen who represented himself to be a brother of Rev. John Wakefield, of Sa'is bury, went about town and sold spectacles to various unsuspected ladies at a vety high price. Some of them bought from him because he was supposed to be Rev. John Wakefields brother—the latter is Presbyterian minister of Salisbury—and they thought that the broterof a preacher must necessarily be a good man. Alas for human to be humbugged should beware of people who dont want to be humbugged. They just can't live without it.

SEVEN RUNNING SORES

Johnston's Sarsapai QUART BOTTLES.

THE GREAT SPRING MEDICINE. JOHNSTON'S SARSAPARILLA as a Blood Food and Nerve Energizer, is the greatest SPRING MEDICINE ever discovered. It comes as a rich blessing from heaven to the "worn out," the run down, the overworked and debilitated. That "tired

sonstitution of North Carolina be united States, or corruption and all bilious diseases.

TUTT'S Liver PILLS feeling." those "sinking spells," the languor and despondency which arise from badly nour-shed nerves, from thin, vitiated blood and an underfed body, vanish as if by a magic malpractice in office, unless such person shall be restored to the rights of citizenship in a manner possibility that the contraction of the property of the languor and despondency which arise from badly nour-shed nerves, from thin, vitiated blood and an underfed body, vanish as if by a magic spell. The weariness, lassitude and nervous prostration which accompany the spring.

The property of the languor and despondency which arise from badly nour-shed nerves, from thin, vitiated blood and an underfed body, vanish as if by a magic spell. The weariness, lassitude and nervous prostration which accompany the spring.

The property of the languor and despondency which arise from badly nour-shed nerves, from thin, vitiated blood and an underfed body, vanish as if by a magic spell. The weariness, lassitude and nervous prostration which accompany the spring.

The property of the languor and despondency which arise from badly nour-shed nerves, from thin, vitiated blood and an underfed body, vanish as if by a magic spell. The weariness, lassitude and nerves, from thin, vitiated blood and an underfed body, vanish as if by a magic spell. The weariness, lassitude and nerves, from thin, vitiated blood and an underfed body, vanish as if by a magic spell. The weariness, lassitude and nerves, from thin, vitiated blood and an underfed body, vanish as if by a magic spell. The weariness, lassitude and nerves, from thin, vitiated blood and an underfed body, vanish as if by a magic spell. The weariness are spelled. The property of the languor and despondency which arise from badly nour-spelled. generally, it is almost a specific. It furnishes the very elements to rebuild worn-out nerve tissues. It feeds brain, nerve centers and nerves, calming and equalizing their action; it makes rich, red, honest blood. Newness of life, new hope, new strength follow its faith saddle' are fortunate. Some of fuluse. It makes the weak strong, and the old young again.
'em are only too willing to go it It was the antiquated (but now happily exploded) method in the good old times, to

treat Sait Rheum, Scrofula, Cancer and other troublesome disorders arising from BLOOD TAINT with powerful alteratives, such as mercury, arsenic and other mineral Baseball magnates are not the when the office wants the man it agents. It was expected by this treatment that the poison could be killed while the blood only people who can be depended dosen't have to advertise for him. He's always right where it can disease. But in this way, every part of the body became more or less diseased. Nothing can be more terrible than a horribly destructive blood taint. It not only attacks virulently the different structures of the body, but many times the bones are honey-combed every male person who has been men who work in banks may han takes only a little bit of sun-shine to make this old world smile. cay and death to some vital organ, as the kidneys, liver or stomach. There is only one scientific method for the cure of blood taint. That is, PURIFICATION! Every particle of the blood must be removed through the execretory channels, the lungs, kidneys, bowels, liver and skin. "First pure, then peaceable." The great restorative, reconstructive and vitalizer of the blood, JOHNSTON'S SARSAPARILLA, not only radically and exhaustively removes the taint, but also removes all mercury, calomel and other minerals, and fills the veins and arteries with the ruby, glowing current of vitality. "The blood is the life." Good health means pure blood. The old and reliable remedy, JOHNSTON'S Probably men are generally so SARSAPARILLA, is universally regarded as the greatest Blood Purifier ever discov-
