should have one Senator and the west the other Senator. We recognize the fact, of course, that the senatorship this time belongs to the east, and that we will select the Senator two years hence. Our people of the west, therefore, are disposed to favor and support at this time that man from the easts whom the majority of the castern Democrats prefer. We feel that this would be the proper course. It is the course we should expect the senators while the truth gets himself into an awful lot of hot water.

The woman who marries for revenge is not always sweet.
