well known throughout the country, says:

"I was badly troubled with rheumatism, catarrh and neuralgis. I had liver complaint and was very billious. I was in a bad condition; every day I began to fear that I should never be a well woman; that I should have to settle down into a chronic invalid, and live in the shadow of death. I had JOHNSTON'S SARSAPARILLA recommended to me. I TOOK FOUR BOTTLES AND IT CURED ME, and cured my family both. I am very glad that I heard of it. I would cheerfully recommend it to every one. I have taken many other kinds of medicine. I prefer JOHNSTON'S to all of them."
