Reasonable and Right.

If our prices are reasonable then they are bound to be right. If ur merchandise is right then it is bound to be reasonably priced. Fair pricing is a basic principle in this store. To buy the right thing at the reasonable price is better, far better and more economical than he wrong thing at most any old price. The poorly priced is meanly made, got a wrong twist in it somewhere, you can't depend upon it.

When you want good dry goods you don't want to be shown makeshifts apologies for good dry goods. We cannot too strongly emphasize the goodness, the reasonableness of the following items:

MEN & LADIES' VESTS. Some right good values in Will cut the price more than half to push out some of these goods. They were \$1.00 now 60c, 1.25

MUNFORD'S BIG NEW STORE.

Well may the good people of Greenville and surrounding country be thankful and proud of their Big Store and the wonderful bargains that come from that great institution. For the third time this season has the buyer been north, picking and scouring the New York, Boston and Philadelphia markets and quickly snapped up all the "Juicy Plums." This was securing a leading manufacturer's fall shipment of fine clothing for men and boys intended for a clothier in Galveston, Tex., but which was countermanded on account of the flood. The result is, we can offer mens and boys highest grade clothing at just onehalf the old time clothier's price. They will be ready and placed on

J. F. Evans in the grocery busi- IMPORTANT LAND SALE. curse are also out of ter of male estimates of women."

She conquered a refractory button on ber gleve before she continued: "But that woman who passed us is, without doubt, the most dress crazy woman I have ever met. She knows no topic save-dress—ann speak of no other subject. She spends one half of her time at her dressmaker's, and the other half is used in exploiting the handleraft of the modiste. Goodness only knows when she manages to get anything to cat. She's dead to every feeling, I better, encept that which has to do with dress. And what do you think she said Saturday? I met her as we were going out of a honse of mourning. A young woman whom we beth knew had died, and we had been at the funeral. Coming down the steps I noticed my friend, but the feeling of sorrow was too fresh upon me to pernit anything more than the first dealing of sorrow was too fresh upon me to pernit anything more than the first dealing of sorrow was too fresh upon me to pernit anything more than the first dealing of sorrow as too fresh upon me to pernit anything more than the first dealing of sorrow as too fresh upon me to pernit anything more than the first dealing of sorrow as a feel of the first dealing of sorrow as too fresh upon me to pernit anything more than the first dealing that of the first dealing of sorrow as too fresh upon me to pernit anything more than the first dealing of sorrow as a feel of the first dealing that and first dealing that did can be the first dealing that the first dealing that the first dealing and honest goods.

J. F. Evans in the grocery business heretofore conducted by us, I wish to announce that I will continue the business at the same stand on Five Points. I desire to thank all who have favored the firm with their patronage and solicit a continuance of the same with me, promising to do all in my power to please every patron with fair dealing and honest goods.

T. F. Christman.

Check No. 19 ages 35, 36 and 37. As Trustee and Commissioner named therein, with fair dealing and honest goods.

cents a pound for cotton | Expeof the farmers, fruit-growers truck rience should have taught us by this time at least that it is both the tarmers, irruit-growers truckers, and all others interested in agricultural pursuit in North Car. this time at least that it is both foolish and dangerous to place our olina, to the fact that the Eutomoltrial Convention, just held in New entire dependence in any one crop.

Let every farmer who reads this

Scarcity of any article increases the demand for that article and increased demand means higher creased demand means higher During this winter the fruit in 1865, with practically no indus

Then farmers don't conclude that all your neighbors are going to cut off their tobacco and cotton crop and you will get rich in one year by doubling yours, because nearly everyone of them have come to the same conclusion that you have and if you do this there will be trouble for you next fall. If farmers would only organize themselves and if they did nothing more than look after keeping the acreage of their crops within the bounds of reason, there is no telling the good that would result from it.

Will be spared to attain this end. During this winter the fruit growers are specially urged to make a careful examination of their trees, and send any insect or suspicious twig to the Department so that the matter may be investigated, if it is of importance. As this office is for the benefit of the people, we hope that they will use it to the best of their ability, by correspondence or otherwise.

An effort is being made to build up a collection of insects for the Agricultural Department and for exhibition in the State Museum.
