

EASTERN REFLECTOR.
GREENVILLE, N. C.
D. J. WHICHARD, Ed. & Owner

WASHINGTON LETTER.
From Our Special Correspondent.
WASHINGTON, D. C., Jan. 4th.

Entered at the Post Office at Greenville, N. C., as Second-Class Mail Matter.
TUESDAY, JANUARY 8, 1901.
Since the death of Chief Justice W. T. Fairchild there has been much speculation as to who will succeed him. The Raleigh Post says it is more than probable that Governor Russell will become Chief Justice. The plan is for him to resign as Governor and let Lieut. Gov. Reynolds take his place for the unexpired term and then the latter appoint Gov. Russell as Chief Justice. There being but a few more days before the Governors change there is a possibility of doubt if such an appointment would hold good, but if this doubt is removed, the above will doubtless be the programme.

BAD MAN CAUGHT.

Secretly Shakedowned to Jail.
Daniel Williams, colored, a notorious burglar for whose capture rewards amounting to \$150 were offered (\$100 by the State and \$50 by R. L. Davis & Bros. of Farmville) has been captured and is now safe in the keeping of Sheriff O. W. Harrington.

Williams was captured Wednesday in Rocky Mount by Chief of Police J. E. Calhoun and S. Robins. Policeman Calhoun says the capture was the hardest fight he ever had. Williams fought savagely for about 15 minutes and cut the officer's middle finger and the right hand nearly off. Mr. Robins going to the assistance of the officer they succeeded in overpowering the negro. They brought Williams to Greenville Thursday evening and turned him over to Sheriff Harrington who shackled him and placed him in one of the upper cells of the jail.

Williams had committed several robberies and burglaries in this section and broke in stores at both Falkland and Farmville. Chief of Police J. T. Smith and C. Hines came near capturing him in Greenville one night, but he shot twice at the chief and made his escape. They got the negro's trunk that contained several suits of stolen clothing and a lot of large keys and tools.

The New Year in Billville.

There is a scarcity of coal and wood in this vicinity, but if we're all going where the preacher says we are, there's fire enough ahead of us.

The first of January passed off quietly. There was a slight hurricane of swearing off, but only two houses were unroofed, and a few heads and jaws broken.

The Treasury Bureau of Statistics is out in a nice little statement to the effect that the United States exceeds Great Britain in its exports of domestic produce. So it does strictly speaking, but the foreign trade of Great Britain is still nearly double that of the United States. Figures don't lie, of course, but they are awfully handy to lie with.

SEEN AND HEARD IN WASHINGTON.

Washington, N. C., Jan. 5, 1901. A party of R. R. R. & Lumber Co. officials were here on the 31st, looking over the situation, and opportunities for terminals, etc. However they may come.

Rumor has it that a young couple made good the adage "love laughs at locksmiths." The friends of the young lady had been keeping close watch on her for a time, and after watching all night, while her brother was gone to the depot to carry her trunk or make arrangements to take her to Norfolk she disappeared.

New Year's Day was quiet here, some places of business closed. Watch meetings were held in some of the churches, while others appeared to think "The Architect" would do about right, even if they did go to sleep and ring no bells in the evening hours.

H. B. Clark is moving to the store formerly occupied by F. V. Rowe. Mr. Siskin to the one occupied by T. B. Carowan.

At the residence of the bride's father, J. B. Hardison, Miss Ada was married to Mr. John Williams, Aug. Latham tying the nuptial knot.

There is an old-time rum running operation here. Senator Foraker has accepted several members of his party of fixing up a conspiracy to put Representative Dick in Foraker's seat at the expense of his own, by a deal with the anti-saloon element and the use of the Ohio Republican Committee, of which Dick is chairman.

The Eureka Lumber Co. on the 31st sent their locomotive back to Falkland and will resume operations at that place. They have been using it at Aurora.

Gen. Miles has a few facts in his possession about embalmers here that have never been made public, but which may be included in the answer that he will make in his new, that ex-Secretary Alger's new attack on him. Speaking of the matter, Gen. Miles says: "Mr. Alger, by publishing a book and by the use of the public press in dealing with facts connected with the Spanish war, has laid himself out to reply by any angry officer who is in any way affected by the statements made. While I have not yet fully decided on the course I shall pursue in the matter, it is very likely I shall at some future time put on record a few facts which it will be impossible to whitewash."

WINTERVILLE DEPARTMENT.

NEWSY HAPPENINGS AND BUSINESS NOTES.
WINTERVILLE, N. C., Jan. 5.

To make a cheap stock fence get our two foot hog fence at 4 cents per yard and put two strands of barbed wire on top. We can supply you with barbed wire. Winterville Wire Fence Co.

We read in the REFLECTOR of a mighty moving in Greenville. We would say our folks have moved some too:

F. O. Cox has moved into his new residence. C. A. Fair now occupies the old home of F. O. Cox. M. G. Bryan is living in the A. G. Cox house. A. D. Cox has moved to the home recently occupied by F. A. Noble; H. F. Keel has moved his family here and can be found in the McLawhona house recently occupied by M. G. Bryan. Where C. A. Fair once called home is now the residence of W. S. Highsmith.

In spite of Christmas and the holiday stir we still have a large lot of wire fence on hand. Winterville Wire Fence Co.

There will be several other changes in homes during the coming week and to find faces and count noses will be a difficult task for a few days.

When you arrange your garden you had best get our chicken and rabbit proof wire fence 5 feet high at 12 1/2 cents per yard. Winterville Wire Fence Co.

Blaney Harper, of Black Jack, and Miss Sarah Cooper, of Roper City, have been visiting the family of J. W. Harper this week.

Miss Mollie Bryan, who has been away spending the holidays returned home last night.

WOMAN
IS LIKE A DELICATE MUSICAL INSTRUMENT

In good music the sweet and lovely and sings like a song on a joyful harmonium string. Out of tune or out of harmony, the discordance and unpleasantness, and as there is no more to all music so there is no key note to health. A woman might as well try to fly without wings as to feel well and look well while the organs that make her a woman are weak or diseased. She must be healthy inside or she can't be healthy outside. There are thousands of women suffering generally all over the world with the most distressing and painful ailments that afflict the female sex. It is the most delicate and sensitive part of the human system. It is the seat of the most delicate and sensitive part of the human system. It is the seat of the most delicate and sensitive part of the human system.

SOME OF THE MOVERS.
There Are More to Follow Soon.

Among those who have been changing their places of business since the new year came in, we can so far locate the following:

Ormond & Carr are in the Alfred Forbes store.

J. A. Brady has moved into the corner store of his building.

Ed Jolley has moved into the store vacated by Ormond & Carr.

J. S. Smith has moved into the store vacated by J. A. Brady.

J. H. Cox has moved into one of the Bernard buildings.

Ricks & Wilkinson

Reasonable and Right.

Our prices are reasonable then they are bound to be right. If our merchandise is right then it is bound to be reasonably priced. Fair price is a basic principle in this store. To buy the right thing at the reasonable price is better, far better and more economical than the wrong thing at most any old price. The poorly priced is nearly made, get a wrong twist in it somewhere, you can't depend upon it.

When you want good dry goods you don't want to be shown makeshifts apologies for good dry goods. We cannot too strongly emphasize the goodness, the reasonableness of the following items:

MEN & LADIES' VESTS.
Some right good values in Winter Wear. Heavy Fleeces. Vests for Men & Ladies 25c.

HOSIERY.
A big markdown in hosiery. They were 15c now 10c, 20c now 15c, 25c now 20c.

CAPIES AND JACKETS.
We come to the front with special lots of nobly garments at prices that would be suicidal. It goes for the next few days at half price.

RICKS & WILKINSON.

Good Morning!

BROKE IN JAIL.
When Sheriff Harrington went to the court house this morning he found two doors of the jail open and two prisoners gone. There were no signs of any force being used on the doors, so they must have been opened with keys from the outside.

And Took Two Prisoners Out.
The two prisoners missing were Charles Edwards, white, and Jim Patterson, colored. Patterson was a "trusty" who stayed in the corridor to keep the fire going. He went to the home of ex-Sheriff Morning, nine miles from town, before day this morning, and told the latter that last night four men heavily armed went to the jail and unlocked the door, then went to the cell in which Charles Edwards was confined unlocked the door and took him out. He says that the men seeing him, (Patterson) in the corridor they also took him out, him on a buggy, drove across the bridge and told him to leave and not be seen about here again or he would be killed. Acting on this Patterson went to the home of the ex-Sheriff and told the above story. The affair is all a mystery beyond what the negro told.

MUNFORD'S BIG NEW STORE.

Well may the good people of Greenville and surrounding country be thankful and proud of their Big Store and the wonderful bargains that come from that great institution. For the third time this season has the buyer been north, picking and scouring the New York, Boston and Philadelphia markets and quickly shipped up all the "Juicy Plums." This was securing a leading manufacturer's fall shipment of the clothing for men and boys intended for a clothier in Galveston, Tex., but which was countermanded on account of the flood. The result is, we can offer men's and boys' highest grade clothing at just one-half the old time clothier's price. They will be ready and placed on the tables on

RECORD OF 1900

Review of the Chief Events of the Year.

END OF THE CENTURY.

Diary of the South African War and the Startling Events in China—Destruction by Fire, Storms and Accidents—Personal, Political and Miscellaneous Items—A Classified Summary.

The year 1900 closed a century of marvelous material development and striking social and political changes. During the last 100 years the principle of republican government has been firmly established and the liberties of people living under monarchial rule enlarged by the increase of power in the hands of representatives. By the aid of steam and electricity the civilized nations of the earth have been brought into close communication, with the result that social progress has been with high rapidity.

At the close of the nineteenth century the United States ranks among the great world powers in population, wealth and power. It held the eighth place in the world in population, the first in the production of cotton, the second in industry, education and social advancement has been extraordinary.
