those who ought to know them.

The cablegrams given out at the War Department was coming from Gen. MacArthur, concerning the steeling from the Commissary department in Manila, do not square with either press news or private advices. According to the former, there have only been a few cases of petty larceny, while the latter agree in insisting that there has been a wholsale campaign of looting, and hint that more effort is being made to protect the looters than to uncover the stealing and punish the thieves, although a few arrests have been made. Of course, no one can say to a certainty which is right or nearest right, but on the general principle that those who are disinterested are most apt to the total the towns and manifest on so are to make to Aguinaldo personally and punish the thieves, although a few arrests have been made. Of course, no one can say to a certainty which is right or nearest right, but on the general principle that those who are disinterested are most apt to the total the towns and manifest to make the machinest on the correct or not the land gauge of the manifest to indicate that promises have been made. Of course, no one can say to a certainty which are disinterested are most apt to the tours are deposited to move it here. He has ance to American authority, has ance to American authority, has ance to American pushing in operation in Knoxville and has ecured power from Mr. L. C. Wagner at the latter's place near the depot and has returned to Knoxville to ship his machinery arrives and can be set up work will be a soon as the machinery arrives and can be set up work will be a punish the thieves, although a few arrests have been made. Of course, no one can say to a certainty which are disinterested are most apt to the tour the promises have been made of which the American public know.
