# "Can a man afford to raise cotton at 7.78 cents per pound, and trade it with a bonus of from 1 to 3 cents per pound for ribs, ham and lard!" 33,500 DAILY EXPENSES. \$190,000 NEW FEATURES. \$2,000,000 INVESTED. Coming in its own palace special trains. 77th year of the oldest, biggest and best show on earth. The Pioneers and Perpetuators of Tented Amusement Institutions. The Pioneers and Perpetuators of Tented Amusement Institutions. "Can a man afford to raise cotton at 7.78 cents per pound, and trade it with a bonus of from 1 to 3 cents per pound for ribs, ham and lard!" The best answer is the old dog gerel that was in vogue in Eastern North Carolina some years ago. It ran something like this: "A pound of cotton for a pound of meat is really very dear eating; "A pound of cotton for a pound of meat is really very dear eating; "A pound of cotton for a pound of meat is really very dear eating; "A pound of cotton for a pound of meat is really very dear eating; "A pound of cotton for a pound of meat is really very dear eating; "A pound of cotton for a pound of meat is really very dear eating; "A pound of cotton for a pound of meat is really very dear eating; "A pound of cotton for a pound of meat is really very dear eating; "A pound of cotton for a pound of meat is really very dear eating; "A pound of cotton for a pound of meat is really very dear eating; "A pound of cotton for a pound of meat is really very dear eating; "A pound of cotton for a pound of meat is really very dear eating; "A pound of cotton for a pound of meat is really very dear eating; "A pound of cotton for a pound of meat is really very dear eating; "A pound of cotton for a pound of meat is really very dear eating; "A pound of cotton for a pound of meat is really very dear eating; "A pound of cotton for a pound of meat is really very dear eating; "A pound of cotton for a pound of any section. This ideal persons having claims against the estate or ball of the world in a special edition to be issued by the Manufacturers' Record i
