As we have observed elsewhere in this issue, reports indicate a largely increased tobacco acreage in North Carolina this year. The writer makes no claim to the gift of prophecy, and we make no prediction as to prices for this year's crop. But we do wish to warn the

A year ago cotton prices were good, the cotton mill industry flourishing, and many a farmer is the cotton belt decided to adopt the one crop system for 1901. And he did. The result everybody knows. The one crop cotton farmer of 1901 is in a pitiable condition-in a worse plight than at any other time for years. The cotton crop in North Carolina was remarkably short. If this were unrivaled bargains of the past. Magnetic, moneyall, his condition would not be so
