 Loau Value,
 Cash Value, 3. Paid up Insurance, 4. Extended Insurance that works automatically,

5. Is Non forfeitable,
5. Will be re-instated if arrears be paid within on month while you only had the confidence and courare living, or within three years after lapse, upon satisfactory evidence

of insuarability and payment of arrears with interest.

Aafter second year—7. No Restrictions. 8. Incontestable.

Dividends are payable at the beginning of the second and of each succeeding year, provided the premium for the current year be paid. They may be used—1. To reduce Premiums, or 2. To Increase the Insurance, or

They may be used—1. To reduce Premiums, or
2. To Increase the Insurance, or
3. To make policy payable as an endownment during the lifetime insured.

J. L. SUGG, Agt

Greenville, N. C.

Baby lives are destroyed in summer by cholera infantum. The attack of the disease is sudden, its progress is sometimes terribly rapid. Mothers who have given their children Perry Davis' Painkiller in water with a few drops of brandy added can tell how this treatment has checked the diarrhoca and vomiting, and put the little patient out of danger.

25 and 60 cts.

RALEIGH, N. C., April 21. The poll tax question is creating

among the politicians, professional and otherwise. There are less than ten days in which to pay this tax, have a complete and up-to-date line in Dress Goods, Fine Trim-his opinion. "As a member of the ten days in which to pay this tax, as required by the new election law, and yet probably less than one half the voters in many counties have complied with the law in this respect. The news from Guilford county for instance, is to the effect that at the end of last week some 3,000 voters, white and black, had not paid their poll tax. This
