WALNUT

THE GREAT TONIC LAXATIVE

If you have sour stomach, indigestion, biliousness, constipation, bad breath, dizziness, inactive liver, heartburn, kidney troubles, headache, loss of appetite, insomnia, lack of energy, bad blood, blotched or muddy skin, or any symptoms and disorders which tell the story of bad bowels and an impaired digestive system, **Laxanols** will cure you.

It will clean out the bowels, stimulate the liver and kidneys, strengthen the mucous membranes of the stomach, purify your blood and put you "on your feet" again. Your appetite will return, your bowels move regularly, your liver and kidneys cease to trouble you, your skin will clear and freshen and you will feel the old time energy and buoyancy.

Mothers seeking the proper medicine to give their little ones for constipation, diarrhea, colic and similar troubles, will find Laxanols an ideal medicine for children. It keeps their bowels regular without pain or griping and causes them to eat, sleep, and play happily. Laxanols is a safe, reliable, and pleasant medicine, clears the child's bowels, relieves fever, causes refreshing sleep and makes them healthy and happy. Give Laxanols like it and see for it.

Wanted the Feed Only. The famous tenor, Tamagno, gave a large supper in his sumptuous villa at Varese recently to which he invited all the local authorities and many of his personal friends. In the invitation it was intimated that "while waiting the hour of supper, which is fixed for 11 p. m., there will be music to begin at 9." One of the authorities replied, thanking him, adding, however, that he would come at 11 p. m. Tamagno, indignant at such a slight to his voice in favor of his supper, answered, "As the supper is only offered as a reward to those who have the patience to hear me sing and who want to be indulgent to me, I pray you renounce the supper and come to dinner with me tomorrow at noon, assuring you that I will not sing."

Barrymore's Hard Hit.

"Reading everything that Richard Harding Davis writes," declared Francis Wilson, "is like it, too. But I must tell a story on him and abide the consequences. It happened while the author was still fighting for a foothold in the literary world. He had been invited to luncheon and sat next to Maurice Barrymore. The conversation turned on the necessary qualifications for greatness in literature. At length young Davis cut in: "'Polite," he remarked, "all one needs to be a great writer is just plain common sense." Barrymore assumed a look of sympathy. "Why do you struggle?" he queried softly."—New York Times.

CONDENSED STORIES.

Parson Feared Mr. Carnegie's Big Bill Was Counterfeit.

It is related that on the last tour of President McKinley in the south, says the Des Moines (Ia.) Leader, Andrew Carnegie was in the party, and all were asked to attend a negro church in Thomsville, Ga., where a very fervid colored minister officiated. It is said that whenever a tall came in the services the deacons took up a collection, but through hospitable motives avoided passing the box to the white visitors. The old pastor arose at last and preached a sermon that was at the same time eloquent, earnest and ridiculous, preaching right at the white folks, and his description of the poverty of the church was so impressive that when the deacons passed the collection, Carnegie intercepted one and dropped a fifty dollar bill in the box. The old preacher counted their contents. When he had finished, he placed a handful of small change on one side and a crisp greenback on the other. Clearing his throat, he said: "Brother, we have been greatly blessed by your contribution. We have heard of dollars and fifty cents. That is good, and if fifty dollars will put you in the white man's line of gray whiskers is also good, we are blessed a whole lot more." And he looked suspiciously at the bill.

WASHINGTON LETTER.

WASHINGTON, D. C., May 5. Apropos of the Philippine question there has been adopted by the Senate a resolution calling on the Secretary of War for a statement of the expense to which this country has been put in the administration of the military affairs of the islands. Secretary Root has shown a decided tendency to avoid making this report during this session and would doubtless like to postpone the statement until after the fall campaign. He has magnified the difficulties and in the meantime has refused to furnish even an approximation, which is all the democratic Senators who fathered the resolution desire. To the \$20,000,000 paid as a purchase price for the islands may be added the \$55,478,695 expended for military purposes for the first six months, from May to November, 1898, but from that time on no figures are to be had and the most persistent inquiry by senators and correspondents has failed to secure any competent estimate. It is estimated that the total cost up to November, 1898, was \$100,000,000, but there all estimates fail and if the Secretary of War has his way the country will now know until next December.

WASHINGTON LETTER.

WASHINGTON, D. C., May 5. The result would now seem to depend largely upon whether or not Judge Walter Clark shall receive the nomination for Chief Justice by the Democratic Convention. The letter signed by Mr. W. Plumer Batchelor of the city, and printed as a reply to the arrangement of Judge Clark by Major J. W. Wilson, is not generally considered satisfactory to the average Democrat. It really does not answer either of the more serious charges brought by Major Wilson (although the writer says he "called on Judge Clark" just before completing it and sending it to the papers for publication) but, rather, considered an adroit appeal to class prejudice, especially against the railroads and corporations generally.

WASHINGTON LETTER.

WASHINGTON, D. C., May 5. The farmers of this (Ware) county and some of the counties east here are complaining seriously of the scarcity of farm labor. A large number of negroes are migrating to the North at the time of year when they are most needed, some five hundred having gone on this immediate vicinity. Renewed steps to establish a State Reformatory, by act of the next Legislature, are being taken, and a conference has been called for June 12th in this city.

WASHINGTON LETTER.

WASHINGTON, D. C., May 5. At Wilkesboro on May 1st it is learned that the poll taxes of four hundred voters were paid by "party leaders"; that the Democrats first "rushed in and paid the taxes of two hundred voters," and that thereupon the Republicans hurried over to the Sheriff's office and did the same trick for over two hundred more.

WASHINGTON LETTER.

WASHINGTON, D. C., May 5. J. H. Hill, the Stokes county alship inventor, has completed a model of his "vessel" and will now organize a stock company to build the real thing—a big airship, which he will exhibit at the St. Louis world's fair and complete for the large purpose offered. "I'll all sail through the air, yet, sure thing, but whether in one of Mr. Hill's ships or not, it is too early to predict at this writing.

WASHINGTON LETTER.

WASHINGTON, D. C., May 5. In 1880, according to the Southern Tobacco Journal, North Carolina produced 29,996,212 pounds of tobacco. It stood third among the tobacco states. In 1890, the product had gained very much and was 36,375,258 pounds. It stood fourth in production. In 1900 its output was 127,003,400 pounds, showing enormous gain, nearly four times as great. Now it stands number two, only second to Kentucky, and leading Virginia by nearly 5,000,000 pounds. South Carolina shows great progress, and in percentage of gain stands first, its product in 1900 was 18,895,776 pounds. It is thought that with good seasons the crop for North Carolina in 1902, will be largely beyond that of 1900.—Wilmington Messenger.

FRIDAY, MAY 9, 1902.

Congressman Peter J. Otey, of the Sixth Virginia District, died at his home in Lynchburg Monday afternoon. This is the second members of Congress to die within a week.

The two weeks term of Superior court that closed Saturday was, like all others held here by Judge F. D. Winston, was a very good term and cleared the dockets of a large number of cases. This is Judge Winston's last term in Pitt county for the present, but there is generally expressed a wish that he could continue to hold our courts for sometime to come. He is an excellent Judge and has won a warm place in the hearts of the people of this county.

NEWSY HAPPENINGS AND BUSINESS NOTES

WINTERVILLE, N. C., May 7.

J. J. Laughinghouse, one of the most prosperous and progressive farmers in the Grimsland section, sent in an order last Tuesday for twenty seven tobacco trucks, which he proposes to use on his farm during the coming season. Mr. Laughinghouse anticipates good prices for tobacco next fall.

At the election held here last Monday the following were elected as officers for the town to serve for the next twelve months: Mayor, J. M. Blaw; Commissioners, R. G. Chapman, L. L. Kittrell, J. H. C. Dixon; Constable, J. L. Hamilton.

The A. G. Cox Mfg. Co., are prepared to furnish flies and fine repairs on the shortest possible notice.

The A. G. Cox Mfg. Co., will move their office on west side of railroad in a very few days. The new office will be a decided improvement on the old one.

Large preparations are being made for the commencement exercises of the Winterville High School. These exercises will be of a high order and the large number of people who will have no doubt be in attendance will cause to congratulate themselves upon the pleasure they will realize from it. No pains are being spared to make it a perfect success.

J. A. Andrews and W. B. Greene, of Greenville, were here a short while last Sunday. It was Mr. Greene's first visit and we were pleased to hear him express himself as very favorably impressed with our adopted home. We were really glad to see the boys, as indeed we are any one from old Greenville.

Miss Effie Smith, from near Greenville, came down last Saturday evening and returned home Monday morning, after spending a pleasant Sabbath with her cousins Misses Hattie and Effie Kittrell.

Miss Bessie Ives, who has been visiting her sister, Miss Mayne Ives, at Mrs. J. D. Cox's, returned home Monday.

Miss Mattie Meeks left yesterday for Mt. Olive, where she will spend some time visiting relatives.

L. N. Lanester, of Vanceboro, was here Monday.

The usual large crowds attended church at Reedy Branch last Sunday.

Mrs. W. M. Carroll, of Kingston, is on a visit to relatives in this section.

If it don't rain there will certainly be a dry spell. The people of Winterville are a lot in their expressions of congratulations to the people of our sister town Ayden in their victory last Monday for prohibition.

[THE REFLECTOR wishes to extend congratulations to "Bud Joe" upon his election as Mayor.—Ed.]

MRS. W. L. BROWN DEAD.

A Home Saddened by Loss of Wife and Mother.

Mrs. Hattie Lloyd Brown, wife of Mr. Wyatt L. Brown, died at 7:30 o'clock Monday evening at her home on Dickinson avenue, aged 41 years.

For some months Mrs. Brown had been in declining health, and during the last few weeks she complained to grow so much worse that the end was not unexpected. Yet, though the approach of death may be recognized, loved ones cannot be prepared for it, and to them none of the sadness is removed. Nothing can be sadder than the taking of a devoted wife and mother from a home, and much sympathy is expressed for the husband and children in their deep bereavement.

Mrs. Brown was a daughter of Maj. Whitman Lloyd, of Tarboro, and was born in that town March 20th, 1861. She was married to Mr. Wyatt L. Brown Nov. 19th, 1884, since which time her home has been in Greenville, where by her gentleness of life and kindness she won a large circle of warm friends. The husband, one daughter and two sons survive her. She also leaves a sister, Mrs. Towne, residing in Greenville, and a brother in Birmingham, Ala.

Mrs. Brown was an earnest communicant of St. Paul's Episcopal church, and the last rites were conducted from that sanctuary at 4 o'clock this afternoon, by Rev. Nat. Harding, of Washington.

The interment was in Cherry Hill Cemetery, the pall bearers being Messrs. K. W. King, A. J. Griffin, F. G. James, A. L. Blaw, W. H. Long and L. C. Arthur.

RESOLUTION OF SYMPATHY PASSED BY GOVERNMENT NO. 17

I. O. O. F.

It is with real sorrow that this Lodge learns of the sad bereavement of Brother W. L. Brown in the death of his wife, believing that God in whom we all place our trust has dealt the blow for the wise purposes of His own.

Resolved, that this Lodge extend to Brother Brown and his family that profound sympathy that springs from the warm heart that beats for others, woes. That we pray for and help him to bear this sad dispensation of Providence; and may her memory remain to him an inspiration to the happy meeting on the "other shore."

To the children we tender our sympathy and offer a word of comfort. "Mother" has passed on to the home of the soul, the bosom of God, and awaits the coming of her loved ones. "Meet her there."

2. That a copy of these resolutions be spread upon the minutes, a copy sent to Brother Brown and copies furnished to the papers of the town for publication.

RESOLUTIONS OF RESPECT.

Adopted by Greenville Bar in Memory of Judge A. M. Moore.

The Greenville Bar held a memorial meeting, Saturday afternoon, in respect of the late ex-Judge A. M. Moore, at which the following was presented and adopted:

Your Committee beg leave to perform the duties imposed upon them by the chairman.

We chronicle the death of Honorable Augustus Minton Moore, which occurred in this city in the morning of April 24th. His death was not unexpected. His daily absence from the sittings of this Court warned us that a severe malady had fastened upon him and the announcement of his death was expected.

Judge Moore was born in Eleton, Chowan county. He was the second son of Honorable Augustus Moore, a distinguished Judge of the Superior Court of this State. He was in the 61st year of his age in 1881 he graduated with distinction at the University of North Carolina and from the doors of that ancient institution of learning he took his place under the flag of the Confederacy and followed its varying fortunes until peace came. As a soldier he was devoted to the cause for which he fought and was prompt to perform the duties imposed upon him by his superiors. Most of his service was as a member of "Hadhau's" Battery of Artillery.

He commenced the practice of law in his native town in 1866 and for some years he was a resident of Eleton. In 1882 he moved to our county. Here as in his native county his ability, and learning in his profession, and his fidelity to duty and to his clients won him distinction. Several times he was the representative of his party on its State ticket for the office of Attorney General and in 1889 he held a commission under President Harrison, both in the State of South Dakota and afterwards in the State of Washington. His residence there brought him friends and influence, and the people of Washington showed their appreciation of his worth and a party by electing him to the State Legislature. But place and honors could not supply his yearnings for old associations and the land of his birth and he turned his face again to the good old State of North Carolina, to become for a second time a resident of Pitt county.

In 1900 he was appointed by Gov. Russell a Judge of the Criminal Court for the Eastern Circuit to fill a vacancy caused by the death of Judge Dossey Battle. In this position his learning, accurate judgment, fairness, and impartiality won the respect of the Bar and the people. When he retired from this position in 1901, by resignation owing to ill health, he had established a high reputation as a just Judge.

Judge Moore was a member of the Protestant Episcopal church. He had an abiding faith in the promises of the Scripture and he led a pure and upright life. He looked with a blessed hope for immortality and when the end was apparent he turned with confidence to the promises contained in the "Book of Books."

Judge Moore was thrice married. He leaves a son and a daughter on former marriages, and his wife, Mary E. Moore. She has been his guardian angel through his declining strength and the years of their union have been sweetened by her wife ministrations and loving care.

We record in plain language our high respect for Judge Moore as a lawyer, a citizen and a friend.

Resolved: That a copy of these resolutions be presented to the Court by the chairman of this committee, with a request that the same be spread upon the records of the Court and that a copy hereof be presented by the secretary of this meeting to the widow of the said Judge and that the press of the city be requested to publish the same.

HARRY SKINNER, THOS. J. JARVIS, F. G. JAMES, F. C. HARDING, Com.

Addresses on the resolutions were made by Messrs. Harry Skinner, L. J. Moore, F. J. Jarvis, F. G. James and W. F. Harding.

Tired Out

"I was very poorly and could hardly get about the house. I was tired out all the time. Then I read Ayer's Sarsaparilla, and it only took me a few bottles to make me feel perfectly well."—Mrs. N. S. Swinney, Princeton, Mo.

Tired when you go to bed, tired when you get up, tired all the time. Why? Your blood is impure, that's the reason. You are living on the border line of nerve exhaustion. Take Ayer's Sarsaparilla and be quickly cured.

Ask your doctor what he thinks of Ayer's Sarsaparilla. He knows it is the best blood purifier. Follow his advice and you will be cured.

C. H. James went down the road Monday.

Quite a large crowd from here attended the preaching at Flat Swamp Sunday.

Miss Nannie Moore spent Monday in town.

Our school in white district No. 5, Bethel township, closed last Friday and was followed by an address by Rev. J. J. Barker, on the subject of education, and concert exercises by the children at night.

The speech of Mr. Barker was to the point and made a good impression on our people and I hope will inspire them to a larger support of the school next session.

The children all did well and the concert was very entertaining and showed that they are being well trained under the leadership of Mr. J. C. Carson, who has been teaching for us for the last six months. The committee have already spoken to Mr. Carson to teach our school next fall. I hope he will accept. The hope of our country is in the proper education of our children, that is to educate "heart, head and hand."

New Factory.

The Imperial Tobacco Company has commenced work on their factory here. The plant will be located on the east side of the railroad between Jordan's factory and the Standard Oil Co. tank. Greenville will heartily welcome the Imperial company, as it will add much to the strength of our tobacco market.

Men Will Be Boys.

In the excitement of a lively game the best-keeping of ball-playing, they will strain their muscles and go home limping and sore. Then they are glad they have Perry Davis' Pain-Expeller. It is so simple to use and so powerful in its action that it will relieve the pain of two generations of Americans. Large bottles 25 and 50 cents.
