GREENVILLE, PITT COUNTY, N. C., WEDNESDAY, OCTOBER 26, 1887

WAITING. MRS. D. H. R. GOODALE.

Here I must pause—the roads diverge,
And one, I know, is mine;
Impatient heart, be still, nor urge
Thy heat, thy haste; my Father's will
Is that I wait, Lord take my will in

Pactry.

Lights becken o'er one road, and one Grows chill, and dark, and dim; Joy the heart, glad work begun. Hope, promise, blessing, gild the one, And oue is cold—O heart, trust thou

I may not choose—Thine are the ways-All ways lead up to Thee,

If sun or shade lie on my days,
I need not ask; be Thou my sun,
And light my soul, till I thy cradle b

What though I burn? Thine is the flame,
Thine is the air that feeds;
Soul of my soul, thrice sacred Name,
Where'er I go, where'er I stay,
Through life, through death, Thine be
the hand that leads!

C. so we argued last Fall and Winter and while the Legislature was in session. We are of the same opinion now, as applies to the North Carolina law. Since that time, however, some one has adtered to the larger towns there is a very time, however, some one has adtered to the larger towns there is a very time, how after hear personal-time, hear personal-time, hear pers vocated the passage of an act making it a felony to carry concealed weapons. We favor this addition to our license tax proposition. Let it be made a felony by all means, to violate the law against carrying concealed weapons. The magistrates were given jurisdiction by the last legislature, over such carry the last legislature, over such carrying concealed women and noble, cultured men. In the last legislature, over such carrying concealed weapons and noble, cultured men. In the last legislature, over such carrying concealed weapons and noble, cultured men. In the last legislature, over such carrying concealed weapons and solicitor of said estate to make fourth, how, after being persons indebted to said estate to make fourth, how, after being persons indebted to said estate to make fourth, how, after being persons indebted to said estate to make fourth, how, after being persons indebted to said estate to make fourth, how, after being persons indebted to said estate to make fourth, how, after being persons indebted to said estate to make fourth, how, after being persons indebted to said estate to make fourth, how, after being persons indebted to said estate to make fourth, how, after being persons indebted to said estate to make fourth, how, after being persons indebted to said estate to make fourth, how, after being persons indebted to said estate to make fourth, how, after being persons indebted to said estate to make fourth, how, after being persons indebted to said estate to make fourth, how, after being persons indebted to said estate to make fourth, how, after being persons indebted to said estate to make fourth, how, after being persons indebted to said estate to make fourth and all y held in custody by that tribunal to me, and the intervention of the case of the first Monday in No-acse of the legislation amounted to? How many cases do the magistrates of the State have before them during the year. We have not heard of the first one yet. Let the carrying of concealed weapons be heensed and then make it a felony for violating this act. That will throw a damper over the will throw a damper over the turning to the State of their na- ricultural Congress-now in se wholesale violations of the present law. There are occasions in a man's life when he feels it is neccessary for him to carry a weapon. This class of men under the presentation of the present law. There are occasions in this city—composed of repetitivity, because they were convinced that she is better than any other. As for me, I can heartily give expression to the words, "North Carolina is good enough for me." I could give a good deal March 2, 1887. It is the purpose the present law can not do so without violating the existing law. They would willingly pay for the privilege. And when a people come to the realization that a man can carry that which will protect his life without violating the law, a new respect and deference will be shown by the quarrelsome, rough law-breaking class who stand upon nothing short of a show of weapons.

I could give a good deal of the meeting to have a general discussion of the best means of giving practical effect to the provisions and operations of the law in question—some of the subjects to be considered being as follows: The general subject of experimental stations; the object and ecope of the work to be done; the most useful experiments and investigations, demanded by farmers in the lending and successful men of Texas, made with a view of locating."

Land Sale.

O'N MONDAY, THE 7th OF NOVEMBER, I will sell at the Court House loor in the town of Greenville, two tracts of land belonging to the estate of J. M.

The girls of today are kent in its conclusion. When sweet sentimental souls meet and to restrain the feelings of the heart that pauts for the day which it thinks will be the final consummation of earthly bliss. The day must be fixed at once. It it is a good chance, young or old, that is sufficient for the old folks. The novelist says that a woman never sees old when there is a letter G before it that hides the wrinkles. Hence another reason why marriage does not often pay.

The girls of today are kent in the final consummation of earthly bliss. The day must be fixed at once. It it is a good chance, young or old, that is sufficient for the old folks. The novelist says that a woman never sees old when there is a letter G before it that hides the wrinkles. Hence another reason why marriage does not often pay.

The girls of today are kent in the feelings of the symptoms of Billiousness are unhappily too well known. They differ in different individuals to some extent. A billious man is seldom a breakfast eater Too frequently, alas, he has an excellent appelit for liquids but none for solids of a morning. His tongue will hardly bear inspection at any time; if it is not white and furred, it is rough, at all events.

The digestive system is wholly out of order and Diarrhea or Constipation may be a symptom or the two may alternate There are often Hemorrhoids or even loss of blood. There may be giddiness and often headache and acidity

TO THE TAX-PAYERS OF PITT COUNTY:

The Taxes for 1887 are now due, Come forward and pay your taxes and saye for yourselves extra expense. The taxes must be collected and no "messin." Merchants your purchase taxes are also due. Be ready to pay as the collector makes his round. Respectfully,

W. M. King, Sh'ff.

Gteenville, N. C., Oct. 1st, 1887. Oct5:wt

The Tax-Payers of Pitt double to keep his beautiful daughter up with the style and fashion of the day and the young wife expects the young husband just twenty one years old to commence where her father left off; the one having worked hard all his life to reach his present condition; and the other just beginning life. If the other just beginning life. If the dear little dainty, delicate, darling, two legged angel is not now provided as the other product of the extent of the state of the state to present them to me for payment on or believed to the exclusion of single crops to the exclusion of single crops to the exclusion of all. And these crops frequently cost more to produce them than the little latit plants and list incorp, clover, orchard, nullet, lucerne, clover, orchard, timothy and herds grass, sweet potatoes, hops, peas, melons, strawberies, apples, peaches, luce, latit light day of October, 1887, as executor of the estate of the exclusion of single crops to the exclusion of all. And these crops frequently cost more to produce them than the little latit light day of October, 1888, as executor of the estate of the estate of the superior Court of Pitt est, lucerne, clover, orchard, lucerne, clover, orch work all his life and is himself nuts, sorghum, cane, broom cane, darling, two legged angel is not pompered as she was in her father's house of many mansions her little chalked nose is turned up, and the hard working young man simpers over the price than a child. How under her frown helpless! How poor! How de-Again an honest sensible woman may marry a man who thinks so long as this mad course is pur-

gets that there is such a thing as love, flies to the cup of dissipation it so by using Dr Bull's Baby Syrup, 25c

and drinks to its dregs, and every day and hour the poor young wife hears from his own lips proof of his villainy; but she never gives up; still hopeful,—"never too late" upon her lips, and in her eyes the tears of pity. She finds no relief but sweet death.

Predictions of a severe winter have already begun, the corn-husks being very thick. Many are looking anxiously forward to a report from the goosebone. It might be well for every citizen who has a well behaved cat to examine its fur. If the winter is to be bitter-Predictions of a severe winter fur. If the winter is to be bitterry and see your young wife's eyes filled with tears which perhaps are so pure they would not stain an angel's cheek, say to your base self, I have no right to sadden her young life by my and that no sefe prediction are moved that no sefe prediction.

The Verdict Unanimous.

smile once more there's still some-Somile once more there's still something worth living tor.

Now then we learn that the reason that ordinary marriage does not pay is because the contracting parties do not consider well before contracting. Young man be willing to do man's work in the world and be content with the result. What we inherit or marry may be gold and lands the fruits of another's energy and enterprise. These are good if rightly used; what we win is something better. To wrest

(Shaker Extract of Roots)

which I took exactly according

to directions, and I had not

taken the whole of it before I

left me, and I was no more troubled in breathing. Now I

am perfectly cured; and oh,

express gratitude enough for SEIGEL'S STRUP (Shaker Ex-

tract of Roots). Now I must

tell you that the doctors in our

district distributed handbills cautioning the pople against the medicine, telling them it

that she had consulted several

doctors, but none could help

her. I told her of Seigel's

Syrup, and wrote the name

down for her that she might

my advice and the Syrup, and

now she is in perfect health,

and the people around us are amazed. The medicine has

made such progress in our

neighborhood that people say

they don't want the doctor any

more, but they take the Syrup. Sufferers from gout who were

confined to heir beds and could

hardly move a finger have been

cured by it. There is a girl in

our district who caught a cold

by going through some water,

and was in bed five years with costiveness and rheumatic pains,

and had to have an attendant to watch by her. There was

not a doctor in the surrounding

district to whom her mother

had not applied to relieve her

child, but every one crossed

themselves and said they could not

surely it was in the beign's

Syrup and Pi (in Fixtract of

Roots) saved her all and now she

is as healthy as an leady, goes to church, and can work even in the fields. Everybeit was astonished

when they saw her out, knowing how many years she had been in bed. To-day she salls her grati-tude to mine for God's mercies and
