#### HOW DO WE DIG OUR GRAVES ?

We must sat or we cannot live. This we all know. But do we all know that we die by eating? It is said we dig our graves with our teetu. How foolish this sounds. Yet it is fearfully true. We are ter-rified at the approach of the cholera and yellow fever, yet there is a dis-ease constantly at our doors and in our houses far more dangerous and lestructive. Most people have in heir own stomachs a poison, more flow, but chife as fatal as the germs of those maladies which sweep men into eteinity by thousands without warning in the times of great epi-we are watchfu', we can tell when we are th catened. The following do not a ways necessarily appear in the same of bit, nor site they dways the same of bit, nor site they dways the same in d forcent cases. There is a dull and sleepy fieling; a bad taste in the nonth, especially in the morning; the appetite is changeable, sometimes poor and again it seems as the ah the patient could not eat enormal, and occasionally no appetite at al; dallness and sing-gisliness of the mind; no ambition to study or work; more or less headwhe and heaviness in the head; lizziness on using to the feet or moving suddenly; funced and coatd tongue; a sense of a load on the tomach that rectains removes; hot and dry skin at times; yelow tinge a the eyes; scanty and high-colored irine; sour taste in the mouth, fre-uently attended by palpitation of he heart; impaired vision, with pots that seem to be swimming in he air before the eves; a cough, with a greenisi co'cred expecto ation; poor nights' rest; a sticky lime about the teeth and gums ands and feet cold and clammy rritable temper and Loweis bound up and costive. This disease has puzzled the physicians and still puz-les them. It is the commonest of alments and yet the most complicated and mysterious. Sometimes it is treated as consumption, sometimes as liver complaint, and then ugain as malaria and even heart disease. But its real nature is that of constipation and dyspepsia. It arises in the digestive organs and soon affects all the others through the corrupted and poisoned blood. Often the whole body --including the nervous system is *literall* starved, even then there is no emaciation to tell the sad story

Experience 1. Low that there is put one remain that can certainly cure this dis an in a lits stages, namely, Shaker Extra of Roots or Mother E agails Cursory Syrup. of Evans & Bro., Merchants, Horntown, Accounack Co., Va., writes that he had been sick with digestive lisorders for many years and had tried many physicians and medi-cines without benefit. He began to use Shaker Extract of Roots or Seirel's Syrup about the 1st of Jan. 1887, and was so much better in three weeks that he considered himself practically a well man. He adds: "I have at this time one bottle on hand, and if I could not get any more I would not take a ten dollar bill for it." All druggists, or Address A. J. White, Limited. 54 Warren St. N. Y.
