WEDNESDAY APRIL 4, 1888. [ENTERED AT THE POST OFFICE AT GREENVILLE, N. C., AS SECOND-CLASS MAIL MATTER.]

A Big Steal. Failure of the State National Bank.

On Wednesday morning of last week it was rumored on the streets here that the State National Bank of Raleigh, had closed its doors, owing to the fact that the president and cashier had absconded with a large amount of the funds belonging to the directors and depositors.

is expected to reach Raleigh to day, and Cross and White will be tried for forgery next week, or as soon as possible. John Griffiths, the colored janitor of the bank, who accompanied Messrs Cross and White to Canada, returned to Raleigh Friday evening and had quite an interesting tale to tell.

Death of a Prominent Editor.

Hon. William Dorsheimer, editor and publisher of the New York Star, died of pneumonia at Savannah, Ga., last week. Mr. Dorsheimer left his home in New York on Friday before the great blizzard, intending to go to Florida for his health, but was unable to get further than Savannah, where he died after a very brief illness.

We publish in this issue the first of a series of articles on the "Needs of the Nation" which, are furnished to the Baltimore Sun by Senator Vance. Other articles will appear from time to time.

Washington Reflector.

Special cor. to REFLECTOR. WASHINGTON, D. C., Mar. 30, '88. Who is to succeed Chief Justice Waite? That's what every body wants to know and what Mr. Cleveland alone has the power to decide.

Many men in different sections of the country have been favorably mentioned for this honor; it has even been suggested that Mr. Cleveland should resign, and that Secretary Bayard, who would succeed him as President, should appoint Mr. Cleveland Chief Justice.

From the best information that can be obtained at present, either Postmaster-General Dickinson or Speaker Carlisle will be made Chief Justice. But in any event the country may safely trust the whole matter to Mr. Cleveland.

The funeral of the late Chief Justice Waite, on Wednesday, in the hall of the House of Representatives was largely attended by prominent officials of our Government and by the foreign legations.

When Mr. Coleman was asked whether this best project of Mr. Spreckles would antagonize the sorghum industry which is just beginning to be very valuable owing to experiments by the Agricultural Department he said: "Not at all. The beet is only another stratum to our bow. We shall have a great wedding between sorghum and beets, and manufacture enough sweets not only for the nuptial festivities, but also to supply a goodly share of what we now import."

Representative Stewart, of Georgia, has introduced in the House a bill to amend the naturalization laws so as to require would be citizens to make oath that they are not polygamists, anarchists or communists.

While the South has been very fortunate and escaped the severe blizzards and snow storms that have recently swept over the North, still we have had our misfortunes, the recent very heavy rains having caused large and destructive freshets in many sections of our fair land.

Illon. W. H. Barnum, chairman of the National Democratic Committee was in the city this week, but declined to be interviewed further than to say that he considered the outlook very flattering. It is generally understood here that Mr. Barnum, who is not in entire sympathy with Mr. Cleveland on the tariff question, will retire from the chairmanship of the committee, and that he will be succeeded by W. L. Scott, of Pennsylvania, who is, in addition to being in line with Mr. Cleveland's tariff reform ideas a warm personal friend of the President.

The International Council of Women, which has been in session in the Grand Opera House all the week has been an unqualified success so far as attendance both of delegates and of the public is concerned.

Telling Men Their Sins.

It takes a strong and courageous man to openly and without hesitation, cast a stone at men in high places for their sins. It is a duty that many editors and teachers fear to undertake. It is easy enough to cast a stone at the man in the mire. Most people enjoy this work. It requires no grit, no moral courage, no essence of true manhood, but when the King does wrong the scribes and teachers must keep silent, so that the people may continue to worship the King. Is that not true? Is it not so in every community? How many editors in North Carolina have held their pencils back when their argus eyes beheld men in high places, committing blunders and depredations against the welfare of society?

The crying want of the times is men that will tell the truth, that will stab the wrong and sin that flourish in the robes of State and Church, that is hidden by the frock of a clergyman, by the ermine of a judge, by the toga of a statesman, by the assets of a banker and business man.

RESOLUTIONS OF RESPECT.

Adopted by Greenville Lodge, No. 286 A. F. & M., April 2nd, 1888. The committee appointed at special communication to draft resolutions in reference to the death of our esteemed bro. Dr. J. G. James, beg leave to report:

WHEREAS, it has pleased the Supreme Master in His unerring wisdom to call from labor to rest, our beloved bro. Dr. J. G. James. Therefore be it RESOLVED, 1. That while we bow in humble submission to the will of our Divine Master yet we cannot, but express our sincere sorrow in the loss of one who was so amiable, gentle and pure in his life, upright and fair in his dealings with his fellowman.

2. That this Lodge, town and county has lost one of its best citizens. 3. That we extend to the bereaved family of our brother our deepest sympathy and hope that they may follow his excellent example, for in truth we can say of him "Behold an upright man, for the end of that man is peace." 4. That we wear the usual badge of mourning 30 days, and the Lodge room be draped in mourning for the same time.

Zoeller the Photographer will leave on or about the 10th inst. Not many people from the country are coming into town now. All busy on the farm. We have on hand several sets of oak chairs that we desire to close out to make room for other goods. D. D. HASKETT & Co. The merchants who advertise their spring goods are the ones that do the selling. Remember this is the Photographer's last trip to Greenville. Such a delightful day was last Friday after the season of bad weather that preceded it. Call on D. D. Haskett & Co for every thing in the Hardware line. Judging from our exchanges the heavy rains last week were general throughout the State. The sale of the Boss Famous Lunch Milk Biscuit during 1887 exceeded the sales of the former year by 380 701 pounds. Try them, at the Old Brick Store. There will be a leap year hop at Falkland on Friday night, 6th. Thanks for an invitation. We have still a few desirable goods on hand that must be closed out soon, regardless of cost. Personal. Mr. C. D. Rountree returned last Wednesday from a trip to Baltimore. The wife of Mr. S. V. Laughinghouse, of Bell's Ferry, died last week. Deputy Sheriff R. W. King left Monday for Raleigh, taking three prisoners to the penitentiary. Messrs. Harry Skinner, I. A. Sogg, J. D. Murphy and G. B. King are attending Court at Snow Hill. We were pleased to have a call from Mr. H. L. Fennell, of Wilmington, who was in town part of last week. Mr. H. F. Keel left yesterday for Richmond. He goes to purchase another lot of horses and mules. Mr. John S. Congleton went to New York last week to purchase goods for the firm of Harry Skinner & Co. Mr. J. B. Johnson, Jr., one of the Reflector force, made a speech before the May's Chapel Reform Club on last Sunday afternoon. Mrs. J. B. Hinton, of New Orleans, who has been spending several months with her mother, Mrs. Marshall, left for her home last Wednesday. We were glad to see Mr. R. D. Armstrong, of Rocky Mount, in town last week. He was once telegraph operator at Pictou and has many friends down this way. Mr. M. R. Lang and wife arrived home Saturday from their trip through the West and North. We are glad to know that their journey was filled with much pleasure. Mr. W. A. Jenkins, a young man of Warrenton, died of pneumonia on Wednesday last week. He was a nephew of Mrs. Dr. C. J. O'Hagan, of this town, and spent much of his boyhood in Greenville. We regret to learn that Messrs. J. A. Higgs and C. J. Hunter, both well-known and having numerous friends in Greenville, were heavy losers in the Raleigh bank swindle. Mr. Higgs lost all that he had saved since the war. The intelligence will be sad to many here that the little son of Rev. J. G. Nelson, of Goldsboro Circuit, whose sickness we mentioned two issues ago, died on Monday last week. We deeply sympathize with the parents. Mr. Nelson and wife are now in Greenville with the parents of Mrs. Nelson. Mr. A. Arnheim will leave for San Francisco, Cal., the last of this week, to take charge and settle the estate of his brother-in-law, who died recently. As the estate is a large one it will probably necessitate his absence from Greenville for two or three months. He will be missed by the people. During Mr. Arnheim's absence Mr. Frank Wilson will have charge of the business of Messrs. H. Morris & Bro. News comes of the failure of W. E. Page & Co., of Robersonville. Large arrivals of spring goods at the various stores in town this week. The high water ran Mr. Glenn out of his warehouse at the wharf on Monday. An article on the Tyson neighborhood and cotton belt of the county will appear next week. The Festival of Months began last night and closes with an entertainment to-morrow night. Don't be in a hurry to lay aside heavy clothing you may contract bad colds or pneumonia by so doing. Those lovely hyacinths in Mr. John Cherry's yard have been covered by nearly every passer for two weeks. Examinations were held at the Institute last week and on Monday the last quarter of the session was commenced. It is now against the law to shoot partridges, the statute prohibiting such going into effect on the first of April. The housekeeper is looking forward to the days of house cleaning. With them it is not the most pleasant season of the year. This is a week of self-denial and prayer with the Methodist Church. The congregation here are holding services each night this week. Mr. Bill Peebles was heard to remark Monday that had were swimming about in Mr. Ben Jess. Wilson's field pulling up his oats. The Rough and Ready Fire Company in command of Capt. R. G. Hodges, had their monthly meeting and parade Monday afternoon. Does it afford you any consolation in cold, disagreeable weather to look forward and think how hot it will be about the middle of July. The freshest in the river prevented as many people coming to town on Monday as usually attended the meeting of the commissioners. As it will be necessary for me to leave Greenville in a few days to be absent several weeks, parties who contemplate purchasing custom made clothing or who wish to have garments cut, had best come immediately to the store of H. Morris & Bros. A. A. A. A. A.

A colored man named Wyatt Forbes, charged with stealing corn, was brought to town yesterday and turned over to the Sheriff. Marbles are all the go. Four players and a dozen spectators were interested in a game, in front of Van Stephens' store yesterday afternoon. We are glad to know that the membership of the Band of Hope is increasing. Their meeting last Friday night was interesting and largely attended. Spring had to hold Winter in his lap a long time this season. The sun ought to hurry up and put a veto upon such performances by making it warmer. The rate is fixed at two-thirds of a cent a mile both ways on the railroads for the military companies attending the encampment of the State Guard. The English sparrows are destroying some of the gardens in town. One lady told us the birds had pulled up three different sowings of peas in her garden. The river was so high that our fishermen could not put their nets in the creeks in order to see whether or not there was the usual Easter run of herring. We have had a few days of surpassingly beautiful weather, but think that it will be raining again before half our readers have seen this copy of the REFLECTOR. M. R. Lang's store is a wonder, for it contains a stock of goods rarely equalled beyond the limits of the large cities. For spring and summer he has the latest and prettiest styles. The Episcopal Bazaar last night was a complete success. Do not miss it to-night. Admission to the entertainment to-morrow night will be 20 cents, children 15 cents. Mr. J. C. Robertson began teaching a class in penmanship, at the Court House, last night. Mr. Robertson is a good penman and we hope his class will be largely attended. We return thanks for an invitation to the Athletic games held under the auspices of the Davis School, LaGrange, N. C., Thursday and Friday afternoons, April 19th and 20th. A man that loses his fortune is to be pitied, but it is not in our nature to carry too much sympathy for those who show so little judgment as to speculate in cotton futures and come out losers. They call a photographer a "taking fellow" that is he takes your picture every opportunity. And Zoeller will be taking his leave of Greenville very soon, so you better get pictures early. The river is so high that one of the steamers ran into the telegraph line, yesterday, and broke it down again. The water lacks but a few feet of being as high as in November last. The REFLECTOR is indebted to the Committee for an invitation to the ceremonies on Memorial Day, May 10th, on the occasion of unveiling and dedicating the Confederate Monument at Washington. Mr. A. G. Cox, manufacturer of the Cox Cotton Planter, tells us his sales will go over one thousand this season. He cannot make them fast enough to supply the demands. It is the best cotton planter known. Small industries make a town, and for that reason nothing that is projected for Greenville should be let fall through. Bring up the canning factory and other industries in that line. There is money in them. Messrs Higgs & Munford tell us that if their big advertisement on the supplement had continued a few weeks longer they would be compelled to go North again for more goods. People have been flocking to their store. The Lulu Delmo Company that had engaged to play in Greenville on Thursday and Friday nights of last week failed to put in appearance. The company broke down at Rocky Mount. We are just \$4 sadder for an unpaid printing bill. The editor is again under obligations to a kind friend. On Saturday Mrs. M. T. Cowell presented us with a beautiful scarf pin, from the splendid stock of jewelry at her millinery store. The pin is truly a handsome one and we appreciate it highly. Seeing so many large cases of goods being carried to the Racket Store last week made some people wonder what they were going to do with them all. Just watch the crowds going there and you will discover how the goods are disposed of. "We have trod from the threshold of turbulent March. Till the green scarf of April is hung on the larri. And down the bright hillside that welcomes the day We hear the warm panting of beautiful May." Week of Prayers. The Methodists are observing the week of prayer for the cause of Missions. Services every night. Services of song Friday night. Public invited.

Morehead. Some of our exchanges are suggesting that the next session of the North Carolina Press Association be held at Morehead City during the time of the meeting of the Teachers Assembly. The REFLECTOR favors the suggestion, and thinks the meeting at such time and place would be both pleasant and profitable. Hold Them Early. Just a month now to the municipal election. We hope the ward meetings for the selection of candidates will be held earlier than in late years that the people may find out who they are to vote for. The plan of holding these meetings on Friday night just prior to the election is not a good one. What say the Executive Committee to holding them earlier this year? Deferred. We had intended to give a sketch of Dr. J. G. James in this issue. Another was to prepare the article for us and upon that we were depending. But we were disappointed, and found almost at the eleventh hour that the article would not be forthcoming. Being then too late for us to prepare a sketch for the issue worthy the memory of so excellent a man as Dr. James, we are compelled to defer it until next week. Debate. The Reform Club had a good meeting Monday night. The query for debate was "Resolved that pride and ambition have been productive of more harm than ignorance and superstition." Splendid speeches were made in the affirmative by Mr. J. B. Johnson, Jr., and Maj. Henry Harding and in the negative by Mr. W. F. Harding. The decision was in favor of the negative. Another debate will be had next Monday night. Public invited. Socialists. North Carolina has been given a general stirring up during the past week, and we pause to wonder what the glorious old State is coming to. From centre to circumference, from sea shore to mountain, from border to border the people stood aghast when the news of the great bank steal at the Capital reached them. Yes, yes! right in our own State did the Canada fever break out, two high bank officials line their pockets with money that belongs to others and skip. How some of these fellows love the old State! They sing "Carolina, Carolina, Heavens blessings attend her." Then burst her big banks and go off on a heeder. Journalistic. The New Berne Daily Journal is seven years old. It is useless to say it is a good paper. Everybody knows that. We hope the Journal will add many sevens to the years of its existence. The Kinston Free Press, one of the brightest and best of our Eastern exchanges, recently began its seventh volume. It has greatly improved under the management of Mr. Herbert, and is a good paper. We have received a copy of the Monitor, "a monthly magazine, devoted to the interest of our homes, with special reference to our young people, and the preservation of health." It is published at Henderson, N. C., at \$1 per year. This magazine is one of unusual interest, and it should go to every home throughout the State. It is published under the auspices of Henderson Female College and its tone is pure and high-toned. Be Thankful for Sorrows. Life would grow so weary were it nothing but sunshine. Sorrows often prove a blessing by helping us to more fully appreciate seasons of pleasure and happiness. The chilling winds and snows of bleak December serve to fit us for a higher enjoyment of the verdure and flowers of balmy May. Grievances and troubles that seem to nigh wring our lives from us and weigh us down in despair bring us to a more perfect realization of the blessings of joy and gladness that follow. A day of dark clouds with torrents of rain, makes the world all the brighter when the sun shines again. Let us then thank God for every cloudy day, for every grief, for every trial; remembering that He sends them but to strengthen us and prepare our hearts for still deeper gratitude when the clouds are rolled away and we bask in the glorious sunlight of peace and happiness. I am the happiest man
in the county! Why?
Because I buy goods of
Higgs & Munford, the
Bargain House of Pitt
county.

THE WORLD STANDS AGHAST.

The realization of the fact that our 'Low Prices are a Reality'
and not a fictitious legend

MAKES EVERYBODY WONDER!

How Do We Do It? Ready Money is the Wonder Worker that has Enabled Us to Place Before the Public

Such a BRILLIANT display of Spring Goods

A determination to be easily satisfied and live for small profits is the reason we can sell so much lower than anybody else.

A CALL AT OUR STORE WILL CONVINCED YOU THAT WHAT WE SAY IS TRUE.
NOW JUST LISTEN TO WHAT WE SAY AS TO PRICES:

The best Calico at 5 cents per yard, Lawns 4 1-2 cents, good quality. Brown Domestics 5 cents, the best Gingham 8 and 9 cents, other qual-
ity Gingham 7 cents, a full and beautiful line of Worsteds, Troots, Plaids and all styles of Dress Goods at prices that shock the natives.

A tremendous stock of NOTIONS at panic prices.

Suspenders 10 cents, Corsets 25 cents, two Handkerchiefs for 5 cents, and all other goods at equally low figures.
BOOTS & SHOES, Well, We are Waking Up the Country on Them.

Fine Ladies' Shoes at 90 cents and \$1.00 per pair, Children's 40 to 50 cents, Men's at 90 to \$1.00. Hats in wool and fur at 15 cents up
Straw Hats from 5 cents up. And many other articles, too numerous to mention at prices below any house in town.

ALL WE ASK IS AN EXAMINATION OF OUR STOCK BEFORE PURCHASING. Very Respectfully,

HIGGS & MUNFORD.
