> The Texas delegation in Congress called at the White House on Cleveland to attend the dedica-Anstin. The ceremonies are to extend from May 14 to 19. As yet the invitation has neither been accepted nor declined. The President wants to go, but does not know that he can take the time.

Secretary Fairchild is opposed to the bill which provides for issueing paper fractional currency, which has been passed by the House and is now before the Senexpensive. The expense of production and the loss caused by de struction of the notes will make it cost as much to maintain a given average, as the entire face value

of the currency will be. The Senate committee on Post offices has favorably reported a bill which provides for the erection of a public building in every town where the gross recipts for the past three years past have exceeded \$3,000 per annum. The cost of the building is in no case to exceed \$25,000, and the cost of the site is not to exceed \$5,000.

name only upon the township registration book for a general election will not answer, but must be dial invitation is extended the public to be present at these parties in that ward. The 1st exercises which promise to be in Ward is given up to the negroes Old men tell us they do not remember such a cold spell right at the inspection last were out and they had a fine drill.

The Goard made an excellent teresting. Friend White has a large and they generally elect who they please. The 2nd Ward is complete the store of Messrs. Harry Skinner & Co., where ICE can be had at all times of the last of April as we had last the last of April as we had last Inspector General Cameron and sulted in much good. Would that their caudidates are always elect-Col. J. W. Cotten, of the First we had may more such earnest and ed without opposition from the Regiment, were present and both complimented the boys very highly.

We nad may more such earnest and other side. This throws the fight into the 3rd Ward, as which ever side wins there will have control side wins there will have control to the strange visiter. Strange Visiter.

A very strange fowl recently contest next Monday will be a eral patronage, I solicit a continuance of made its appearance in Forbes mill close one and every Democratic the same.

Respectfully, made its appearance in Forbes mill close one and every Democrat the same.

During the remaining days of this week the ward registration books will be kept open. Look after your name.

Mr. J. J. May tells us that fires burning in the woods destroyed much fencing on his plantation last Thursday night.

The Merry Makers gave three entertainments in Greenville last week, one Tuesday night, and last Thursday night.

The farmers cannot do much work now. Their crops are planted and they are waiting for rain to make cotton come up.

Don't take down the sign before your store because the dull season is drawing on. It is not wise to advertise on that plan either.

Next Tuesday the Grand Lodge of Odd Felliows will meet in Greenville will represent the Greenville the following remarkable tale: Some time since, while walking over his field in found a set of young rabbits, which he pited up and court (lerk of pit tocunty to field to the boses. Administration of J. G. Jähels, deceased, notice is hereby given to all persons indebted to the boses. Arriving there he founds are young kittens, and a good one and their entertain ments very enjoyable. "Baby Laura" captured the heart of every hearer.

On Monday we were shown a fish geranium bloom from the vard of Mrs. A. Arnheim, which shows a very peculiar fresk of many and of the true of the rabbit and that of the kaitien on the store of odd Felliows will meet in Greensboto. Mr. J. J. Cherry will represent the Greenville Lodge.

The Merry Makers gave three three the bird's neck with a plat from a Vinnehester ride in the State.

The Merry Makers gave three the bird's neck with a ball from a Vinnehester ride in the state. Some time since, while walking over his field in found a gat of young rabbits, which he pited upon a field in found a gat of young rabbits, which he pited upon a field in the batter, which he pited upon a field in the batter, and the same in the field in found a gat of young rabbits, which he pited upon a field in the batter, which he pited upon a field to the boses. As in the field in found a gat of young rabbits, which he pited upon a fi books will be kept open. Look in the State, you a newspaper second to none town and broke the bird's neck sation with a citizen told the following remarkable tale.

A Genuine Reformer.

The people are with the president. They see the Treasury burdened with unused millions that have been and are being New York Herald.

The New England cotton mill 1000 is the sum that will be bank wners must keep their weather ed up in the Treasury at the end eye open and watch a new move- of the fiscal year, calculating upon ment in the Southwest. The peo. the present rate of the daily accu ple down yonder are beginning to mulations. This movey is drawn reason among themselves. They from the pockets of the people in say, in substance. We grow the the shape of the duties that are cotton and send it up North to be laid out upon articles of everyday made into cloth, and after that we consumption. Wool, iron, cloth, have to buy the cloth. Then they dress goods, food, coal, in fact evput their thinking cape on and ask, erything that is used in building Why can't we build mills of our the home, or that is used in fitting own and pocket the profits of man- it out, must bear a part of this burden. And each user of these The answer came in the shape of articles must pay a portion of this two well-equipped establishments vast sum that is pouring into the in New Orleans. It was an expe. Treasury over and above the needs ment, of course, and the dollars of the Government, and that can went into the speculation with be used for the extinguishment of some timidity. But the spirit of competition was vigorous and the land and his party believe that love of an honest penny honestly the people should be relieved of earned prevailed. Then a big his tax burden, and the bill now building was put up in Wesson, under discussion in Congress is the means to that end.

Well, the venture was an admirable success in both justances. The Wesson company is going to put up another mill because the demand for its product has greatly increased, and the New Orleans people will very soon follow suit.

If you want to feel well and vigorous and able to put vim in every action, take an occasional dose of Laxador. Price 25 cents a package.

For collic, dysentery, teething, and other diseases of babyhood, always use Dr. Bull's Baby Syrup. A perfectly safe and reliable remedy.

A Providential Escape.

Wilmington Star.

A gentleman of this city receivd a letter yesterday from Rev. F. A. Bishop, of Beaufort, N. C., the following extract from which will be of interest to the many friends here of Mr. Bishop:

" I have recently had the dearest manifestation of our Father's watchful care over us that I have

ever experienced. "Last Thursday night the light ning struck our house, tore half of the chimney down, filled our room with dirt bricks, dost, fire sulphur, split the mantle, hurled the clock. enough for generous rivalry to get a good deal of exercise and make pictures. &c., to the floor, tore off and scattered the panel work over the mantel, tore off two curtains, set one on fire and broke more or less glass from every window in the room. My wife was sleeping within eight feet of the fireplace, but If you will remember a few years ago the word 'Aslariswas comparatively unknown—co-day it is as common as any word in the English language, yet this word covers only the meaning of another word used by our forefathers in times past. So it is with nervous diseases, as they and Malaria are intended to cover what our grandfathers called Biliousness, and all are caused by troubles that arise from a diseased condition of the Liver whi h in performing its functions finding it cannot dispose of the bile through the ordinary was moving all around her After was moving all around her After it was over we talked about our Father's care and rejoiced that indeed 'He crowned us with loving kindness and tender mercies.' Oh, what a sermen He preached to us,

not when your Lord shall come'" 

Watch ye therefore, for ye know

GRKENVILLE, N. C. Dealer in Dry Goods, Notions, Clothing

ighteen miles to get me to bry and Groceries. Rock Lime kept constant he medicine for them, kp.ow. ly on hand. I have just received a large lot of Knickng that it cured me, and to be brocker Braces for boys, girls, ladies and LOCAL, and will devote itsure to get the right kind. I can now a woman who was look.

I have just received a large lot of Knick or look and LOCAL, and will devote itsure to get the right kind. I gentlemen. They need only to be tried to self to the material advancement of the section in which it circuit

superior advantages in GEO. A. CLARK & lates.
Bro's spool cotton which I will sell at them there was no help for her, that she had consulted several loctors, but none could help her. I told her of Seigel's The patronage of the public is very restricted.

# UNDERTAKING.

Having associated B. S. SHEPPARD with me in the Undertaking business we are ready to serve the people in that capacity. All notes and accounts due me for pass services have been placed in the hands of Mr. Sheppard for collection.

Respectfully,

JOHN FLANAGAN.

We keep on hand at all times a nice stock of Burial Cases and Caskets of all kinds and can furnish anything desired from the finest Metalic Case down to a Pitt county Pine Coffin. We are fitted up with all conveniences and can render satisfactory services to all who patronize us FLANAGAN & SHEPPARD. Feb. 22ud. 1888.
