the Durham Globe advocated the holding of a grand State Exposi-tion in 1891. That paper introduced the idea and many of its contemporaries fell readily into line in advocacy of the Exposition. While the Globe does not live to see the full realization of its hopes, we believe that one evidence of its good work will live after it. We believe the exposition will be held and the Globe has the credit of starting the movement. In the same issue in which its suspension

was announced that paper had the following to say : With the last energy that remains

the State Exposition in 1891. This business at Nashville, Tenn. They resulting in the organization of a years hence. Let every journal take it up and send it echoing through North Carolina from the surf beaten to where the clouds hover over the peaks around Murphy.

The following which we clip from an exchange is about the best picture of the delinquent subscriber we ever looked upon. In fact if money. The advertisement above we had spent a whole week touch- is worth \$10 and the paper ing up the single subject we could \$1.50, making \$11.50 that this not possibly portrayed his physi- firm has cheek enough to ask ognomy in more striking features. The fellow who got this off cer- are surprised at them not adding tainly aimed his camera well and he must have been thoroughly Agents." It is hard to tell which versed in the lightning or instan- we have the most contempt for. taneous process, for he brings out the Agent who will insult a pubthe whole, every light and shadow lisher with such a proposition or at a single sitting, as hard as it the man who places his business may be to keep the delinquent in the hands of the Agents to be still long enough to get a hand on sent out in such a manner. him. Now look at yourself, every one whom the cap fits.

It can be laid down as the common law of the land that a non-paying subscriber to a newspaper belongs to the scabby, mangy part of the flock of humanity. He is the They are so anxious for us to read mildewed ear in the crop of man- their generous offer that they mailhood. He is morally a blotch on his ed two postal cards the same day, generation. The Lord has stamped him below par, base metal: his manhood is counterfeit. He is guilty of the pettiest, meanest form of rob- from "The Athletic Publishing bery. He robs his faithful servant of a hard-earned wage. He robs, like a coward, the man who is afar off. He is mean in little thingsthat kind of meanness that shrinks and shrivels up the soul till it is small, light and altogether contemptible. Of this man it is said : "Thon art weighed in the balance and found wanting." "Thou art the small potato in the bin of society." If the soul of such a man transmigrate and enter into a pig, the pig would slink away in shame, feeling that be ranked among swine as several noints below the average level of swinish respectability. Unbonored of men, unloyed of angels, despised by the printer, is the man who dead beats on the publisher of his

of salvation in devising a scheme for the saving of such souls .- United States Mail.

newspaper. There is a great waste

weeklies as a very small gullible talist and workingman are both set who have just about sense chough to heer out of the fire, and are existing in this world only as tools for the Agents to make a livconverts his rent into home and ing out of. They send out such capital. The borrower pays only liberal (?) propositions that its a 6 per cent. on the actual money wonder all the newspaper publishborrowed.

ers in the country have not long This Knoxville Association has ago made fortunes (?) and retired recently organized a very strong from business. Here are some of branch association at Raleigh havthe latest propositions the REFLECing been invited to that city by the Chamber of Commerce who invi-
