THE REFLECTOR

Local Reflections

Straw hats are ripe.
Soda fountains are sizzling.
A swell affair—the mumps.
A moving tale—"couldn't pay his rent."
Eggs are being overworked as food products.
Fresh Carr Butter 1 pound packages at S. M. Schultz.
April, 1896, gave us some of the hottest weather of the year.
W. C. Hines & Co. are putting in a soda fountain at their store.
The boy who is kept in school these days, strange to say, is put out.
"Silver Dollar" Fountain Pen, 1 ark or make, at Reflector Book Store.
A Franklin county man sold in Louisburg a ham weighing 77½ pounds.
Knoxville Tenn. had a million dollar fire Thursday. Several people lost their lives.
Three persons were received by letter in the Baptist church Thursday night.
At Newbern eggs are selling at 6 cents a dozen and herrings at \$2 a thousand.

In some places Irish potatoes are coming up. The bug gets there by the time the plant goes.
Some of our dry goods stores are making spring displays that vie with the millinery stores in point of beauty.
The academy building at Apex was burned a few nights ago, believed to be incendiary.
Corn planting is about over and the farmers will now turn their attention to getting cotton seed in the ground.
The Supreme Court has given a new trial in the Tucker vs. Satterthwait case sent up on appeal from this county.
Registration books in the different wards of the town will be open every Saturday between now and the election first Monday in May.
Business without advertising is like machinery without oil; it may run for a while, but the friction will soon wear it out.—Preston and Printer.
Every time a new bicycle comes to town we think there is another advocate of better roads and streets. May the number continue to increase.
A new lot of the famous Parker Fountain Pen at Reflector Book Store. You ought to see the "Silver Dollar" style. "It beats any pen in the world for \$1."
Sam Flake has added another curious egg to the REFLECTOR collection. This one is a duck egg. There is nothing remarkable about the size but its peculiar shape is where the curiosity comes in.
Several of our people have been reminded of the approach of the summer season by replying through the mail a ticket good for a glass of coco cola at Shelburn's. It's a fine drink.

The prize fights among colored boys that have taken place here the last few afternoons, are a violation of the law, and the promoters are pursuing a good course to make some fees for the Solicitor.
Much of the hard times would be relieved if people who can would make an effort to pay their debts. One man holding back what he owes keeps some body else from meeting an obligation, just like the payment of one debt leads to the cancelling of others.
People up in Wilkes county must think that they don't have to pay any taxes. The Wilkesboro Chronicle had to publish a column supplement to hold all the names of the delinquents advertised by the Sheriff. The list looks like it includes nearly everybody in the county.
The law concerning the collection of taxes should be changed. It should compel sheriffs to collect the taxes in the fall season. The spring season is the most unfortunate of the year for paying taxes. In the fall everybody has a little something they could pay with.—Wilkesboro Chronical.
A school teacher says the pupils who have access to newspapers at home, are better readers, better spellers, better grammarians, and read more understandingly and obtain a practical knowledge of geography in half the time it requires others. All of which speaks well for the educational powers of the papers.

VOICE CULTURE.
Try on These Names and See How They Sound.

Appointments to Grand Lodge.

At the last meeting of Covenant Lodge, No. 17, I. O. O. F., C. D. Roundtree was appointed as delegate to the meeting of the Grand Lodge which convenes in Charlotte, May 11-14, F. M. Hodges, alternate. Prof. W. H. Ragsdale was recommended as District Vice Deputy.

Beard 45 Inches Long.
Mr. J. B. Johnson tells us that he has just had a photograph of himself taken to send to his son in Chicago. We expect "Tops" will make some of Windy City's inhabitants catch their breath when he shows them the picture of his father's long beard. Mr. Johnson's beard is 45 inches long and he let it hang out full at the time of having the photograph taken. Ordinarily he has to fold the beard under his vest to keep it out of the way.

Polk Miller.
A large audience was at the Court House Friday night to hear Polk Miller and all were delighted with his entertainment. From beginning to end he kept the audience well amused and many laughed until their sides ached. His recitations in negro dialect were perfect, the jokes and impersonations of negro character very laughable, while the old plantation melodies took the gray heads in the audience back to times "oh de wah." No one man can entertain an audience better than did Mr. Miller.

paid the last Dollar.
The members of the Greenville Presbyterian church have hearts full of rejoicing, and not without just cause. It is known that since their house of worship was erected four years ago the little band of members have struggled along with a building debt upon them. The debt is now all removed, Mr. J. R. Moore, custodian of the fund, having today paid the last dollar the church owed. We feel like both rejoicing with and congratulating them that this has been accomplished. Now that this building is paid for it will be dedicated on the third Sunday in May.

Marriage Licenses.
For the first ten days in April eleven applicants obtained marriage licenses from Register of Deeds Perkins, two being for white couples and nine for colored.

Boston Hardy and Ida Griffin.

She Changed Her Mind.
Every now and then the old adage "There's many a slip," etc., is verified. A young man and a young lady of this community after passing the usual preliminary sparring stage agreed to unite their hearts and fortunes. The young man went to work, built a house, furnished it, stocked the pantry with a supply of provisions and had all things in readiness to receive his bride, when on the eve of the day set for the wedding he received a note from the young lady that she did not want to get married.
To take a serious view of this incident, a person who will trifles with the affection of another in such manner as this will have a great sin to answer for.

Superior Court.
The jury serving for the second week is composed of D. C. Smith, H. E. Ellis, F. Ward, J. R. Gay, B. F. Crawford, J. C. Dixon, G. M. Smith, J. A. Matthews, W. I. Pender, W. L. Robertson, B. D. Langley, T. P. Christman, Ivey Smith, W. R. Parker, W. B. Ricks, James Turnage.
A few matters on the criminal docket were completed this morning before the civil docket was taken up.
Jesse James, assault with deadly weapon, guilty, sentenced 12 months in jail. This is the case in which James stopped Rev. A. C. Hart on the road and treated him indignantly. There were other cases against James in which judgment was suspended.
Sentences against Simon Tyson, 3 months in jail, was stricken out and judgment suspended upon payment of costs.
Going Home.
As the tobacco season draws to a close the boys are getting off one by one to spend a few months vacation at their homes. M. L. Richmond made two or three attempts to shake off the dust of Greenville but could not get further than the water tank. Wednesday he took his umbrella along and declared that he would drive clear through to Danville, but the boys are betting that he will not get further than Raleigh, N. C.
Billie Corbett also had the boys weeping over him the same time as he pulled out for Durham. Billie was all broke up and showed that he hated to leave. We are not allowed to tell too much, but there are some folks left behind who are also broke up at Billie's going away and will be glad to see the first of July roll around when he heads back toward Greenville.

Glad to see Berry House and Alex. Rawls, of Robersonville, Sunday. Mr. House has just recovered from a severe attack of pneumonia.
We are pained to note the death of Mrs. Jennie Woolard, wife of Mr. M. A. Woolard, which occurred Saturday morning. She was 33 years of age and had been a consistent member of the Christian church for some time. She was a good wife, devoted mother and loved by all who knew her. A husband, five children and a large number of relatives mourn her loss.

When you are weak, tired and lifeless you need to enrich and purify your blood with Hood's Sarsaparilla.
In Feeble Health
Unable to do hard work—Nervous and Tired—All These Troubles Cured by Hood's Sarsaparilla.
"For the past four years I have been in feeble health, and for two years past, owing to change of climate, I have not been able to do my work. I was nervous and had a tired feeling and was under the treatment of physicians, but I continually grew worse. My husband insisted on my trying Hood's Sarsaparilla and I finally consented, and began taking it the first of June, 1896. The first bottle did me so much good that I continued with it, and after taking four bottles and one bottle of Hood's Pills I am able to do my work, and the tired, nervous feeling is entirely cured." Mrs. G. N. Hosea, Sylvania, Ga.

Hood's Sarsaparilla is the One True Blood Purifier. Sold by all druggists. \$1; six for \$5. Hood's Pills cure all liver ills and Sick Headache, 25c.

GETTING READY
Every expectant mother has a trying ordeal to face. If she does not get ready for it, there is no telling what may happen. Child-birth is full of uncertainties if Nature is not given proper assistance.
Mother's Friend
is the best help you can use at this time. It is a liniment, and when regularly applied several months before baby comes, it makes the advent easy and nearly painless. It relieves and prevents morning sickness, relaxes the overstrained muscles, relieves the distended feeling, shortens labor, makes recovery rapid and certain without any dangerous after-effects. Mother's Friend is good for only one purpose, viz.: to relieve motherhood of danger and pain.
At dollar per bottle at all drug stores, or sent by mail on receipt of price.
Large books, containing valuable information for women, will be sent to any address upon application to
