WILD FLOOD IN KANSAS TOWN LOOKS LIKE END OF WORLD IN NORTH TOPEKA.

RAIN OF FIRE AND FLOOD.

An Awful Cataclysm Descends Upon a Suburb of Kansas Capital

Topeka, Kan., May 30.—At least 150 persons were burned to death or drowned in North Topeka Saturday and tonight. With a raging sea covering the entire town and every building in flames, a more accurate estimate of the number of victims is impossible. Fuller reports are likely, however, to greatly increase the death list by adding additional names to those of the persons known now to have perished.

Forced by the rising water to cling to their houses to escape the flood, and driven by the flames to plunge into the boiling current, the inhabitants have had a choice only of the manner of their death. Most of the dead perished in their burning homes.

Besides those who have already lost their lives fully five hundred more people are practically beyond hope of rescue. Indeed the entire population remaining in the town is in imminent danger.

Seven thousand of the 10,000 inhabitants who fled into the south side were destitute and shelterless. They are being cared for as well as possible by their more fortunate fellow-citizens. Firing revolvers and screaming for help, men, women and children were perched on roofs or clinging to branches of trees when darkness fell.

The cries and shouts still continued, though fewer in number as the victims, exhausted and half dying from exposure, were forced to release their holds and plunge to death in the water. Yet so fierce is the sweep of the current that no boats can live, and to rescue them is impossible. The entire town must be wiped out before morning.

Standing on the state house dome eighty fires can be counted. The whole central part of the city was gone at 10 o'clock, and burning buildings are floating about in every direction, carrying the flames to those which might otherwise have escaped.

An accurate estimate of the property loss is impossible. It is certain, however, that it will amount to many millions. Efforts are being made at this hour to reach the sufferers by means of a steam launch and a pontoon bridge, but in the face of the fierce current and among the burning buildings, progress is necessarily slow.

Woman Fatally Injured by a Negro.

Rocky Mount, May 30.—While shooting at frogs on Tar river today Lee Collins fatally shot Lizzie Battle. Both are colored. The woman was hit in the back of the head and the doctors are unable to locate the ball. Collins is not under arrest. He claims that the shooting was accidental. The negro is employed in carrying the United States mail to and from trains.

"Of course," said the optimist, "if a man gets into the habit of hunting trouble he's sure to find it." "Yes," replied the pessimist, "and if he's so lazy that he always tries to avoid it, it will find him. So what's the difference?"—Philadelphia Press.

Safe-Blowers Make a Water Haul

Winston Salem, N. C., May 30.—Burglars last night blew open the safe in the store of the cotton mill company at Avon, Rockingham county. They secured about forty dollars in cash, several checks and some goods. Detectives from Roanoke are on the track of the thieves.

Machen's Nerve Defence.

Washington, May 30.—Although counsel for A. W. Machen, former superintendent of the free delivery service, who was arrested last Wednesday charged with having accepted \$22,000 in bribes, will not discuss their client's case save to say that he will not be convicted, and Mr. Payne will not reveal the virtue of what he calls "conclusive documentary evidence" against the accused official, it was learned today that Machen will make the astonishing claim that he and the Groff brothers, who were arrested with him and who were accused of the bribery, were in a full legal partnership, and that hence the question of bribery does not enter into the charges against him, but that the 40 per cent commission which the government evidence shows he received from the purchase of the Groff patent fastener was merely his share of the profits of the partnership.

A Rumor Run Down.

Lincoln, Neb., May 30. William J. Bryan was asked tonight if there was any truth in the statement sent out from Washington that Senator Jones was to resign as chairman of the national committee and allow him to succeed to the position.

"Haven't even heard it mentioned before," said Mr. Bryan.

"Would you accept it if offered?"

"I make it an invariable rule not to accept anything before it has been offered," he replied.

Subsequently a personal friend of his said their was nothing in the story, and that Mr. Bryan would not accept the place under any consideration.

TRIBUTE OF ESTEEM.

Adopted By Greenville Memorial Baptist Sunday School, May 31st, 1903.

It has pleased our Heavenly Father in His unflinching, yet to us mysterious, wisdom and providence, to permit the Angel of Death to come into our midst and take from a happy home its highest pride, and deprive our Sunday school of one of its most devoted and faithful members. In the death of Frank Cheek his loving father, mother and sisters have lost their dearest treasure, his class has lost its most zealous pupil and truest companion and classmate, and this school has lost a member whose fidelity was as steadfast as his life was pure and spotless. While we cannot understand our Father's will in taking one linked by ties of love and friendship to so many hearts, and one whose budding youth and upright life promised so much of service here, yet we know that He doeth all things well, and we believe He has called Frank from this world, in which there is so much of sadness and sorrow, to dwell with Jesus forever in the beautiful home beyond the skies.

Resolved, That we, the officers, teachers and pupils of the Greenville Memorial Baptist Sunday School, and especially Class No. 2, of which he was a member, unite in extending sympathy to the bereaved family of our young brother, assuring them that we share their grief as our own, and prayerfully commend them for comfort to the Savior whom their darling boy loved and served.

Resolved further, that we cherish his memory by spreading this testimonial of esteem upon the records of our school, and that a copy also be sent to the sorrowing family with our prayer for God's blessing upon them.

A great deal of knowledge, which is not capable of making a man wise, has a natural tendency to make him vain and arrogant.— Addison.

IAYWOOD HABEAS CORPUS.

All Kinds of Testimony From All Kinds of Witnesses.

Raleigh, June 1.—In the Haywood habeas corpus proceeding the examination of witnesses was concluded today and argument by counsel begun. Diagrams of the scene of the killing were introduced by the prosecution and the defense used those with the purpose of controverting the evidence of Druggist Gwaltney as to his having seen the shooting from his window.

The prosecution put on witnesses who testified that Houtt, a witness for the defense whose testimony was that he saw Skinner strike Haywood, did them he saw no altercation.

Witnesses were introduced who testified that Houtt's character was bad, while the defense introduced witnesses who testified that Representative Simpson had told a different story to them than which he told on the stand.

There was no evidence.

Harnett's Eating Boy.

Mr. Wm. Johnson, a leading farmer and a reliable man of the Bull Creek section, was in town yesterday. He reports the following items:

A young man of his neighborhood, Mr. Elman Matthews, a few days ago attempted to satisfy the inner man and got outside of 21 pounds of provisions. He weighed before taking the meal and weighed 74 pounds immediately after the meal he weighed 91 pounds. Following is an itemized statement of the meal:

- Ate 1 gallon molasses.
- Drank 1 gallon lemonade.
- Ate 1 lb lard.
- " 1 lb candy.
- " 1 lb collards.
- " 1 lb meat.
- " 1 lb bread.
- " 4 large biscuits.
- " 1 pint molasses.
- " 1 gallon water.—Dunn Guide.

Not Quite Ready to be Embalmed.

Mrs. James Waters, of Lewisburg, Pa., who has been suffering from heart trouble for several weeks, became unconscious and apparently ceased to breathe her husband and two women of the neighborhood making a vain effort to revive her.

An undertaker was sent for, and in preparing the body for the embalming process one of the women raised Mrs. Waters' arms, at the same time observing that she breathed.

This artificial means of respiration was continued until the woman regained consciousness. She will live.

Murder in Box Car.

Epeneer, N. C., June 1.—Link Barber, colored, was shot and instantly killed here last night by Frank Tate, also colored. The shooting was done in a box car on the Southern yards and the killing was caused by a dispute over a game of cards.

Barber attempted to force Tate to surrender his money when the latter fired the ball passing through the brain of his assailant. Both negroes are bad characters, age about 25, and came from South Carolina. Tate made good his escape, though Sheriff Julian is making strenuous efforts to capture him.

200 Are Killed.

Gainesville, Ga., June 1.—It is rumored that 200 people were killed by the cyclone which passed over this afternoon. The force of the wind blew off two stories of the Gainesville cotton mill, which employed five hundred persons.

A number of cottages at Gainesville and New Holland mills were completely demolished.—Charlotte News.

Mr. Quarles—Well, I see old Goldman is dead, and leaves upward of \$3,000,000. Wouldn't you like to be his widow? Mr. Quarles (sweetly)—No, dear, nothing could possibly delight me more than just to be yours.—Philadelphia Ledger.

TOWN ELECTION.

Regulars Elected in Every Ward Except First.

At the town election for aldermen Monday all the nominees of Friday night's primaries were elected with one exception. This exception was in the first ward where E. Buck was brought as an independent candidate and defeated E. M. McGowan, the nominee, by one vote. There were two other scattering votes in that ward and one in the fourth ward, only the nominees in the other wards being voted for. The voting was as follows:

- First Ward—E. Buck, 6, E. M. McGowan 5, J. L. Hearne 2.
- Second Ward—Charles Cobb 27, L. H. Rountree 27
- Third Ward—H. A. White 57, R. O. Jeffress 57.
- Fourth Ward—S. T. White 58, Hatsee, 82, E. G. Flanagan 1.
- Fifth Ward—J. C. Lanier 26.

The newly elected aldermen will go in office the first of July.

Fire Alarm.

About 11 o'clock Sunday night fire alarm was caused by the burning of some lime near the new building being erected by Dr. J. W. Perkins, on Greene street. Several barrels of lime had been placed under a temporary shelter, but the rain leaking through the shelter had partially soaked the lime and caused it to catch on fire. There was no damage except to lime.

A foul chimney at the home of W. J. Cowell, on Pitt street, caught on fire this morning and came near causing another alarm.

The Philadelphia Strike.

Philadelphia, May 31.—The general strike of the textile workers of Philadelphia, for a reduction in working time from 60 to 55 hours a week, will go into effect officially tomorrow, and the leaders of the textile unions tonight claim that fully 100,000 persons will refuse to go to work unless their demands are agreed to.

The figures given out by the executive committee of the various trades affected are claimed to be too high.

A Good Habit.

Some habits are good—some bad but the habit described on page 3 by A. E. Tucker & Co. is without doubt a good one and a great many people are getting into it. We always advise people to do business with firms that advertise, because such firms are invariably in a position to save you money. A. E. Tucker & Co. have a great many things not mentioned in their ad, in fact everything for men's summer wear. Turn over and read about the "Tucker Habit."

Mayor's Court.

Horse Runaway.

Monday afternoon while Dr. J. E. Nobles was returning from a trip across the river, his horse took fright on the dam and ran away. The buggy went over the side of the dam and the doctor was thrown out and given a rough shaking up. The horse pulled the buggy back on the dam and had a collision with a telephone pole, doing considerable damage to the vehicle.

The Hauna-Foraker fight in Ohio was short and sweet, and the make-up an assurance of future harmony. Warring democrats can learn a sight from these harmonious republican leaders.—Times Dispatch.
