The financial condition of State of North Carolina is mos gratifying to all her citizens and is first-class. Treasurer Lacy has recently issued a statement showing the State's financial condition This statement shows the total debt of the State to be only \$6,871,450, and the State owns railroad stock worth \$150,000 more than this debt. Very few, if any, States in the Union can make so creditable a showing .- Pittsboro Record.

result of many years of research.

rie Beat the Conductor, but Cheerfully Reimbursed Him.

"Talk about predicaments on a street car," said a man who can remember when there were only horse cars in the city. "I was to take my best girl to the theater, and I decided to throw on some lugs. I was dress suit, I think, without ever letting go of them. I was mentally had not overlooked anything.

"After the show we found that rain had set in and boarded a car. the conductor, and when I heard him say 'fares,' I dug. Horror the car. I edged away from the conductor as long as possible, who shoulder, I said briskly, 'How about my change?' 'Did you give me something to change? he in-

quired. "Certainly, I gave you a quarter to pay the fare of myself and lady He hesitated just a mo

ment and handed me 15 cents.
"I was saved, and you can bet I remembered that conductor and hunted him up the next day. I told him the whole story and reimburs ed him fully. He enjoyed it more than I did when he learned the whole truth."-Detroit News.

Grammatical. President McCosh of Princeton university had a reputation among his students for good English, which was only equaled by his renown as a

Once several students were en-joying a little spread very quietly after the prescribed hours. A stu-dent who was not in the feast thought to give the revelers a scare and, shuffling down the hall, knocked at the locked door in the good old doctor's well known manner.

"Who's there?" demanded a student as the light went out and the lunch went under the bed. "It's me, Dr. McCosh," said the would be intruder, with all the Scotch gruffness that he could mus-

a flash from one of the company "If it were Dr. McCosh he would say, 'It is I.'"—Philadelphia Ledg-

How the Wheel of Fortune Worked. "Well, well, how are you?" blurted a liberally bearded wight as he grasped Comedian Ezra Kendall's hand on State street recently and, as the actor looked nonplused, added: "Don't you remember me? I Total \$29,618.86 of fortune in the office. I remember several of the boys paying their respects to the wheel, but I do not recall the wheel paying anything to the boys."—Chicago Record-Herald.
