We shall hold an exhibition of Fall and Winter Styles and Fabrics, at our store, on Monday, Tuesday and Wednesday, August 14, 15 and 16.

These are in almost endless variety and come from the famous Wholesale Tailoring House of Schloss Bros. & Co., of Baltimore & New York.

This grand array of stylish patterns will be in charge of an expert Cutter and Fitter (from the above-named house) who is an authority upon all matters pertaining to Correct Dress for Men and the most appropriate style.

You would do well to consult him, even if you do not intend to buy, as there is no better way of keeping in touch with the coming fashions.

If desired, he will take your measure and order your selection made up by Schloss Bros, & Co. Besides the certainty of fit, quality and style, every one of their garments has that clean-cut look of finish and distinction that only the best of metropolitan tailors can produce.

I have arranged for the Cutter to bring the garments back basted up and have them fitted to the customer before finishing.

The prices asked are not high, --- \$20 to \$35 will pay for an excelent Suit or Overcoat.
