Eminent Dectors Praise its Ingredients.

We refer to that boon to weak, nervous, suffering women known as Dr. Pierce's Favorite Prescription.

Dr. John Fyfe one of the Editorial Staff of The Eclectic Medical Review says that says the says that the property of the Staff of The Sta

are present, no invalid woman can do better than take Dr. Pierce's Favorite Prescription, one of the leading ingredients of which is Unicorn root, or Helonias, and the medical properties of which it most faithfully represents.

Weight material and are easily laundered. The oversleeves will also be found useful when the children are at play, as the cuffs of a dress soil quickly.

Prof. John M. Scudder, M. D., late of Cincinnati, says of Golden Seal root:

"In relation to its general effects on the system, there is no medicine in use about which there is such general unanimity of opinion. It is universally recarded as the tonic useful in all debilitated states."

all debilitated states."

Prof. Bartholow, M. D., of Jefferson Modical College, says of Golden Seal:

"Valuable in uterine hemorrhage, menorrhagis (flooding) and congestive dysmenorthes (flooding) and congestive dysmenorthes (painful menstruation)."

Dr. Pierce's Favorite Prescription faithfully represents all the above named ingredients and cures the diseases for which they are recommended.

The weeping willow tree came

planted a willow on the banks of the Thames at his Twickenhan villa. The twir came to him in a box of figs sent from Smyrna by a friend who had lost all in the south sebubble and had gone to that dis tant land to recoup his fortune Harper's "Encyclopedia of United States History" tells the story of the willow's arrival in America.

to Boston with the army to crush the rebellion of the American colo nies, brought with him a twig from Pope's now beautiful willow tree, Intending to plant it in America down on lands confiscated from the conquered Americans. The young officer, disappointed in these expectations, gave his willow twig, wraptis, Mrs. Washington's son, who planted it on his Ahingdon estate, in Virginia. It thrived and became the progenitor of all our willow

Game of Press Gang. this jolly game you want about a dozen boys, one to represent an officer, half a dozen to rep-

resent his marines and the rest to represent victims of the press gang. The officer and his marines catch

a prisoner in charge of two of the gaing. But if he says "no ship" he is seized bodily by the entire gang and hustled off to the place reserved for pressed men. He meanwhile kicks and strangles for freedom, thus making a lot of excitement. After all the victims have either been pressed or have been taken prisoners they in turn represent a press gang and do the same stunce to their companions.
