all have choked him upon the op-

id the others not dragged them apart. "You lying dog!" he cried, "Is this

int of be far off." "That is true. He cannot be far off," | hind. ried De Vivonne, "He has neither horse nor grand. You, Despard and Raymond de Carnac, guard the other, that he play us no trick. Do you, Laour, and you, Turberville, ride down the road and wait by the south gate. If he enter Paris at all he must come

in that way. If you get him, tie him before you on your horse and bring him to the rendezvous. In any case, it matters little, for he is a stranger, this (ellow, and only here by chance." The two horsemen role off in pur-suit of the fugitive, and De Catinat, still struggling desperately to escape. was dragged down the St. Germain road and thrust into the carriage. which had waited at some distance while these incidents were being en-Three of the horsemen rode ahead, the coachman was curtly ordered to follow them, and De Vivonue, having dispatched one of the band with a note to his sister, follo red after the coach with the remainder of his desperadoes.

The unfortunate guardsman had \$ 5,800.00 entirely recovered his sen es and 700 00 found himself with a strap r and his 1,174.30 ankles and another round his wrists, a captive inside a moving prison which 6.000,00 lumbered heavily along the country 2,309.50 road. He had been stunn t by shock of his fall, and his log was badly 9.114 15 Deposits subj. to check 32,799.21 bruised by the weight of his horse. His mind, however, paine! 'im I 72.57 than his body. He sank his head into 28 20 his pinioned hands and star ad madly with his feet, rocking hin ' to and fro in his despair. What a ol, a tre-\$18,883.78 ble fool, he had been! He, an old soldier, who had seen something of war,

I, H. H. Taylor Cashier of the above named bank, do solemnly

beneath the impetuosity of the Celt. There was no shall of a bridge, and The matter was done now, and he must black shalow he the center of th see if it could not be mended. Amos stream showed where the ferry Green had escaped. That was one was returning after conveying some grand point in his favor. And Amos belated travelers across. The drive Green had heard the king's message never hesitated, but, gathering and realized its importance. It was reins, he unged the frightened true that he knew nothing of Paris, tures into the river. They hes but surely a man who could pick his way at night through the forests of water about their hocks, and even Maine would not be balked in finding they did so one of them, with a

now be in time perhaps to carry his own message? Who were these men were all round him before this, and

either side, but there was glass in and De Catinat saw his face in the \$52,219.91 front of the carriage, and through this moonshine. Great heavens! It was he could gain some idea as to his where-abouts. The clouds had cleared now, and the moon was shining brightly, bathing the whole wide landscape in its shimmering light. To the right lay the open country, broad plains with clumps of woodland and the towers of istles pricking out from above the nary roves. On the left, but far away, lay they had given up for lost. the glimmer of Paris. They were leav-ing it rapidly behind. Whatever his destination, it was neither the capital brat Latour would make out to nor Versailles. Then he began to count the chances of escape. His sword had been removed, and his pistols were still in the hotsters beside his unfortunate "He has stabled Etleane, and taken see horse. He was unarmed, then, even if his coat and hat." he could free himself, and his captors I "What! While we were all within were at least a dozen in number. There | stone's cast?" were three on ahead, riding abreast along the white moonlit road. Then there was one on each side, and he should jurge by the clatter of hoofs that there could not be fewer than half but 1 have supplied a cup of wine with a dozen behind. That would make ex- him before now, and I shall see that he a dozen behind. That would make ex-actly tweive, including the coachman-too many, surely, for an unarmed man-to hope to balle. At the thought of the coachman he had glanced through the glass front at the broad back of the man, and he had suddenly in the glim-mer of the carriage lamp observed something which struck him with hor:

"Not for your life!" cried the leader. the back of his creat red coat, just u "If he die without wound, they cannot der the left shoulder blade, was a gar The man lient over De Catinat and of dark scarlet thich told is a state As he raised h diant saw, with was solashed at The mun of the contents down the injured man's that his features were in the shadow guard had is of to the main rout at

The man was evidently desperate

De Catinat's amazement, the carriage "I must to Paris," he gauged. "I must to Paris, It is the king's mission, an instant plan, ed down the steep in-"He has no hurt save a scratch." said at their topmost speed, the coachman "Then Loh him fast. And first carry standing up and hashing furiously at them and the clumsy old vehicle bound Ing along in a way which threw him backward and forward from one seat The other when it had the shadow. The other is the other is that the shadow. The shadow, a left lying in the shadow. cort and then the rush of galloping hoofs. Fast as the coach went, its surguers went faster still. The rattle of their hoofs was at the very back, the throat and, hurling han down, there came into view the red, distended nostrils of a horse. Slowly it drew torward, the muzzle, the eye, the ears, at lying dog?" he cried. "Is this skill? The man has fled, and we rider still gained, and then above them the fierce face of Despard and the "He has done it in his death strug-e," gasped the other hoarsely. "He "At the horse, Despard; at the horse!" an authoritative voice from b
