In opening our new department we beg to say to the ladies of Greenville that we are prepared to offer the choicest and most up-to-date line of MILLINERY ever offered in the South: both in Street and Dress Hats, embracing all the latest ideas of bo.h foreign and domestic markets. We will show trimmed Hats to suit all classes of trade, from low grade to the finest effects that can be produced Our designer and crimmer MISS ELOISE BACON, has been trimming patterns in one of the largest wholesale houses in the east. She has held some of the largest positions

in the south, and to see her skill in designing will be a treat to the lady buyers. In Dress Goods, we will far exceed other seasons in showing better and more varied styles than ever before, and we can furnish any style of headwear to match dresses of all description. Call and inspect our new department before baying, as we feel assured you will be more than pleased with both styles and prices. We will announce day of opening later.

Hundreds of imitation brands are on sale that look like Schnapps tobacco. The outside of the imitation plugs of tobacco is flue cured the same as Schnapps, but the inside is filled with cheap, flimsy, heavily sweetened air cured tobacco. One chew of Schnapps will satisfy tobacco hunger longer than two chews of such tobacco. The color, size and shape of the tags, plugs and packages of certain imitation brands of tobacco have been made so much like Schnapps that they have often been accepted by buyers under the belief that they were getting Schnapps. Sufficient proof has been secured to establish the fact that certain brands are infringements and in violation of the trade mark laws, yet the trade will continue to be imposed great many of these imitations are
