

WM. F. NICK, X—DRUGGIST—X AND DEALER IN Dr. C. McLane's Liver Pills and Vermifuge, Scott's Block, 10th and State St.

A GOOD COMPARISON.

The Rev. William Roulatt a well known Methodist Clergyman residing at Naples, draws the following amusing but apt comparison between Dr. C. McLane's Vermifuge prepared by Fleming Bros. of Pittsburg, Pa., and a ferret. "A ferret when placed at the entrance of a rat hole, enters the aperture, travels along the passage, seizes upon the rat, exterminates its existence, e light. and draws the animal's defunct carcass 'ic Lane's And in like manner have I found Dr. (Vermifuge to operate upon worms, those dreadful and dangerous tormentors of children. This remedy like the serret, ent 5 the aperture of the mouth, travels down the wilet, hunts round the stomach and lays hold of the worms, shakes the life out of the reptiles, sweeps clean their den and carries their carcasses clear out of the system. This, at least, has been the effect of the Vermifuge upon my children."
