I have been a great sufferer from a complication of Liver Complaint with other diseases for a number of years. Headache, Nervousness, Excruciating pains, sleeplessness kept me fairly wild day and night. I could obtain no relief from physicians, so in absolute despair I tried Parker's Tonic. It was simply wonderful in what a short space of time these symptoms disappeared. All the pain and weariness and melancholy have left me. I can't remember of ever feeling so well.
