LOUISVILLE, KANSAS, AUGUST 6, 1885.

I wish to say to the sick and those that are feeble and weak from any cause whatever, that in all the vocabulary of medicines they will find the most virtue, and the greatest benefit from PARKER'S TONIC. I have been an invalid for five or six years past and given up to die by the most skillful physicians in Kansas and Colorado, but PARKER'S TONIC has kept me alive and raised me up after everything else failed. I have organic heart disease, combined with spinal and great nervous debility, and have cold sinking spells with no pulse, and the only medicine that will bring on a reaction is PARKER'S TONIC. I have never known it to fail in curing a cold if taken in time, and it will relieve pain quicker than any other remedy I have ever tried. I send you this because I would like for others to know how much good it has done me. It is just as good for children. Try it and be convinced.
