The Transfer

of public confidence from other preparations of Sarsaparilla and other Blood Purifiers of whatever name to Hood's Sarsaparilla is the signal triumph of a meritorious article. The people are quick to recognize true merit and this is why the sale of Hood's Sarsaparilla far exceeds all similar preparations. One hundred doses, one dollar, can only be applied to Hood's Sarsaparilla, and is an unanswerable argument as to medicinal strength and economy. We invite attention to the significant fact that the indorsements published by us are from near home, and not from Nebraska or other distant points. An Alderman says: "Hood's Sarsaparilla is the strongest Sarsaparilla I ever saw." "I believe Hood's Sarsaparilla to be the best blood purifier in the market." L. J. CLEMENT, of the firm of J. W. & L. J. Clement, Warner, N. H. "My wife has been troubled with indigestion and general debility, and has derived an immense amount of benefit from Hood's Sarsaparilla." A. H. HOLMES, Brunswick, Me. "I have been troubled with Scrofula since childhood, three years ago I commenced taking Hood's Sarsaparilla and in one years' time was entirely cured." MRS. MARY H. PARKMAN, Dexter, Me. "I consider Hood's Sarsaparilla one of the best medicines when the blood is in a low condition and needs cleansing." W. H. CURTIS, Ticket Agent, B. & M. R. R., Haverhill, Mass. "I have never found anything that hit my wants as Hood's Sarsaparilla. It tones up my system, purifies my blood, sharpens my appetite and seems to make me over." J. P. THOMPSON,
