C. I. HOOD & CO., Apothecaries,
 Proprietors of HOOD'S SARSAPARILLA. Lowell, Mass.

Success at Home

Hood's Sarsaparilla has met success at home never accorded to any other proprietary medicine. It has successfully combatted the strongest competition, and by its superior merit to-day commands the largest sale and the greatest confidence wherever it has been introduced. It combines, in a proportion *peculiar* to itself, the active medicinal properties of the most approved alterative, tonic and blood purifying remedies of the vegetable kingdom. It will positively cure, when in the power of medicine, dyspepsia, head ache, biliousness, kidney complaint, scrofula, salt rheum and all diseases arising from an impure state or low condition of the blood. It is nature's great health restorer, and is not equalled by any other medicine. A gentleman says, "I have been troubled for years with kidney complaint, dizziness, headache, and pain in my chest and arms. Hood's Sarsaparilla cured me."

"I have used Hood's Sarsaparilla in my family for scrofulous humor with wonderful success."—C. C. PICKERING, Lowell, Mass.

"I cheerfully recommend Hood's Sarsaparilla for biliousness and all impurities of the blood." Mrs. J. W. CLEMENT, Franklin, N. H.

"A patient, whose family physician I had been for seven years asked my opinion of Hood's Sarsaparilla. I said to him that I was associated with Dr. D. P. Gage, of Lowell, eight years ago, and knew Mr. Hood by reputation. I have no hesitation in saying that what he calls good, cannot be injurious, therefore you can try Hood's Sarsaparilla. The result was truly wonderful; from a pale, emaciated dyspeptic, three months use of your Sarsaparilla changed him into a perfect picture of health. In future I shall regard it as a duty to my humanity to prescribe Hood's Sarsaparilla. If I had sufficient time I could give you reports of numerous cases since the above. —R. J. HALLAREN, M. D., Nashua, N. H.

Hood's Sarsaparilla
