

## ALIKE, THE WORLD OVER.

MINNIE—Did you know that Kate Smith was engaged?

CARRIE-Why, you don't say! How did that happen?

MINNIE—Rumor says her teeth are so white and her breath so sweet from using Hood's Tooth Powder, he couldn't resist.

CARRIE-And so he popped the question?

MINNIE-Yes, and she said ...!

## MORAL.

GIRLS-To "get engaged," use Hood's Tooth Powder.

Boys—Don't take a fair lass who doesn't use Hood's Tooth l'owder, because it will produce more sweetness for twenty-five cents than can be obtained in any other way. I'repared only by C. I. HOOD & CO., Apothecaries, Lowell, Mass.

## Hood's Tooth Powder

Is distinguished from all other preparations by its extraordinary efficacy in removing tartar, ensuring to the teeth a most beautiful, pearly whiteness, and by its corrective and astringent properties inducing a healthy action of the gums, and a consequent firmness and brightness of color.

GOOD HEALTH depends upon cleanliness, and where is its necessity more apparent than in the mouth?

HOOD'S TOOTH POWDER receives the sanction and patronage of the most eminent dentists.

PARENTS, buy your children a bottle of Hood's Tooth Powder, and fifty years hence they will look back with gratitude for the fine teeth preserved to them by its timely use.

NO OTHER preparation leaves in the mouth such a cool, pleasing sensation as Hood's Tooth Powder. It neutralizes the offensive secretions and sweetens the breath.

THE NOVELTY of using Hood's Tooth Powder is such that children who are careless about cleaning their teeth, form the habit of doing it before they know it.

HOOD'S TOOTH POWDER combines the following points: Large quantity, best quality, low price, and a neat patent metallic cap, which avoids waste, retains its delightful fragrance and makes it convenient for travellers.
