

Catarrh

Is undoubtedly a blood disease, originating in scrofulous taint in the vital fluid. Therefore, to cure catarrh, purify the blood. Thousands who have been troubled with that disagreeable flow from the nose, offensive breath, pain over and between the eyes, ringing and bursting noises in the ears, and other disagreeable symptoms of catarrh, have been entirely cured by Hood's Sarsaparilla, the best blood-purifying medicine before the public. It expels every taint of impurity from the blood, and vitalizes and enriches it, while it vastly improves the general health of those who take it. If you suffer from catarrh, give Hood's Sarsaparilla a trial.

"I have taken Hood's Sarsaparilla for catarrh and think it has done me a great deal of good. I recommend it to all within my reach. Hood's Sarsaparilla has been worth everything to me." LUTHER D. ROBBINS, East Thompson, Conn.

Catarrh and Impure Blood.

"Hood's Sarsaparilla has helped me more for catarrh and impure blood than anything else I ever used." A. BALL, Syracuse, N. Y.

"I have suffered with catarrh in my head for years, and paid out hundreds of dollars for medicines, but have heretofore received only temporary relief. I began to take Hood's Sarsaparilla and it helped me so much that I decided to keep on. Now my catarrh is nearly cured, the weakness of my body is all gone, my appetite is good—in fact, I feel like another person. Hood's Sarsaparilla is the best medicine I have ever taken, and the only one that has done me permanent good." Mrs. A. Cunningham, Providence, R. I.

A book containing statements of many additional cures by Hood's Sarsaparilla, will be sent to all who apply to us for it.
